# **Directors' Review**

The Board of Directors of New Jubilee Life Insurance Company Limited have pleasure in presenting the condensed Interim Financial Information along with Auditors' Report thereon for the half year ended June 30, 2009.

The overall performance of the Company during this period has been satisfactory. All lines of insurance show a good growth in terms of new business as well as renewals. The overall gross premium revenue of Rs. 2,026 million is 21% higher than the revenue of Rs. 1,672 million achieved in the same period of last year.

The claims including surrenders as well as expense ratios also remained at a satisfactory level.

The pre-tax profit at Rs. 66 million is considerably higher than the corresponding amount of Rs. 11 million for the same period of 2008 due mainly to substantial increase in investment income. The after tax profit of Rs. 44 million for the current period is 22% higher than the corresponding amount of Rs. 36 million in 2008.

As evident from the results, the Company is making good progress and we look forward to further enhancing the pace of growth.

On behalf of the Board of Directors

Masood Noorani Chairman

- iii. condensed interim statement of changes in equity;
- iv. condensed interim cash flows statement;
- v. condensed interim revenue account;

of New Jubilee Life Insurance Company Limited as at and for the half year ended June 30, 2009 (here-in-after referred to as the "interim financial information"). Management is responsible for the preparation and presentation of this interim financial information in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on this interim financial information based on our review. The figures for the quarters ended March 31, 2009 and 2008 have not been reviewed, as we are required to review only the cumulative figures for the half year ended June 30, 2009. The financial statements of the company for the year ended December 31, 2008 and half year ended June 30, 2008 were audited and reviewed respectively by another auditor whose reports dated March 25, 2009 and August 26, 2008, expressed unqualified opinions thereon.

### Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements ISRE 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim financial information as of and for the half year ended June 30, 2009 is not prepared, in all material respects, in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting.
