

PATTERNS OF PAKISTAN

Annual Report 2018

Intricate, Colorful, Inspiring. Everywhere, from art to architecture, from garments to pottery, the patterns of Pakistan add vibrancy to our diversity. As part of our commitment to Pakistan, Jubilee Life celebrates this wonderful aspect of our culture and heritage, by dedicating the Annual Report 2018 to the brilliance of patterns of Pakistan. As the pages unfold, we are confident that our readers will appreciate the aesthetic value of our Country's rich culture and heritage and are proud to present the same to you.

Code of Conduct

Our Integrity guides our conduct towards our policyholders, participants, colleagues, shareholders and the general public. This principle constitutes the foundation of our code of conduct and ethics as under:

- · Compliance with law and the legal system is a fundamental principle for Jubilee. Every employee, agent and director shall obey the laws and regulations of the legal systems in letter and spirit within which he / she acts. Regardless of the sanctions foreseen by the law, any director, employee or an agent guilty of a violation will be liable to disciplinary consequences related to such violation.
- Respect for personal integrity, privacy and personal right of every individual is a fundamental principle. We work together with individuals of various backgrounds, ethnic types, different cultures, gender, religions, ages and disabilities.
- · We compete fairly with the quality and the price of our innovative products and services, not by offering improper benefits to others. Employees are not permitted to use their jobs to solicit, to demand, accept, obtain or be promised advantages.
- Jubilee does not make political contributions (donations to politicians, political parties or political organizations). As a

responsible member of society and a good corporate citizen, Jubilee makes donations for education, health, and social and humanitarian projects.

- It is Jubilee's objective to conduct business with reputable clients and business partners who are involved in lawful business activities. We do not facilitate money laundering.
- It is the duty of Jubilee employees to make business decisions in the best interest of Jubilee Insurance and not based on their personal interest.
- Jubilee employees are obligated to protect all assets of the Company, including intangible assets and software products, and use these properly only for the benefit of the Company.
- · Open and effective communication requires accurate and truthful reporting. Jubilee is required to maintain sound processes and controls so that transactions are executed within approved authorization. Confidentiality is maintained with regard to Jubilee's proprietary information that has not been made known to public.
- Protecting the health and safety of employees in the workplace is a high priority for Jubilee. Jubilee promotes sound environment friendly business practices.

Board of Directors

Kamal A. Chinoy Independent Director

Mr. Kamal A. Chinoy is the Chief Executive of Pakistan Cables Limited. He graduated from the Wharton School, University of Pennsylvania, USA.

He serves on the Board of Directors of ICI Pakistan Limited, International Industries Limited, International Steels Limited, NBP Fund Management Limited (NBP Funds), Askari Bank Limited and Atlas Power Limited as well as being Chairman of Jubilee Life Insurance. He is also the Honorary Consul General of the Republic of Cyprus.

Mr. Kamal Chinoy is a member of the Executive Committee of the International Chamber of Commerce (ICC) Pakistan and Past President of the Management Association of Pakistan (MAP). He also served on the Board of Governors of Army Burn Hall Institutions.

He has previously served as the Chairman of the Aga Khan Foundation (Pakistan). He has also served as a Director of Pakistan Centre for Philanthropy, Pakistan Security Printing Corporation, Atlas Insurance Ltd and First International Investment Bank. He has also served on the Undergraduate Admissions Committee of the Aga Khan University and the University of Pennsylvania Alumni Committee for Pakistan.

Mr. Chinoy is also a Certified Director.

Amyn Currimbhoy Independent Director

Mr. Amyn Currimbhoy is a Chartered Accountant and has extensive experience at a senior management level in Finance and General Management in a manufacturing environment.

Mr. Currimbhoy spent 19 years with J & P Coats Pakistan (Private) Limited, a wholly owned subsidiary of the Coats Group plc, UK, which has operations in more than seventy countries and is the global market leader in sewing threads; he was initially the Finance Director and became Managing Director in October 2006 until his retirement in August 2016. Earlier he was with ICI Pakistan Limited, where he worked in Group Treasury; the Soda Ash business in Khewra; and the PTA project, where he was seconded to ICI Polyesters UK for preparing the feasibility of a PTA plant in Pakistan, and was subsequently part of the implementation team heading the finance and IT functions.

Mr. Currimbhoy is a Chartered Accountant from Institute of Chartered Accountants in England and Wales; and an alumnus of the University of Sunderland, UK.

Mr. Currimbhoy is also a director of Jubilee General Insurance Company Limited.

Sultan Ali Allana Director

Mr. Sultan Ali Allana is a Director of the Aga Khan Fund for Economic Development (AKFED) and has the oversight responsibilities for AKFED's investments in Banking, Insurance and Aviation. Mr. Allana is a career banking professional with over 33 years of experience in retail, corporate and investment banking. Mr. Allana is also the Chairman of Habib Bank Limited, which is the largest bank in Pakistan with over 1,700 branches and with presence in over 20 countries around the world.

Since 1997, Mr. Allana has also been serving as a Director of the Tourism Promotion Services Pakistan Limited, the owners and the operators of the Serena Hotels in Pakistan. He also serves on the Board of AQA Holding, majority owners of Meridiana / Air Italy and on the Board of Geasar, operators of Olbia airport in Sardinia.

Mr. Allana holds Undergraduate and Post Graduate degrees from McGill University and the University of Wisconsin in Engineering and Management.

John Joseph Metcalf Director

Mr. John Joseph Metcalf is a Chartered Insurer and Fellow of the Chartered Insurance Institute of UK who has extensive international experience within the insurance industry.

Mr. Metcalf started his insurance career in the UK, where he held various positions within insurance companies and brokers before embarking on his international career in 1990 in the Sultanate of Oman and then the United Arab Emirates. In 1996 Mr. Metcalf joined the Allianz Group, with whom he was engaged as Regional General Manager for Life in Asia-Pacific prior to taking up the appointment as Executive Chairman of Allianz Life Assurance Company and Allianz Insurance Company of Egypt.

Since 2006 he has been Head of Insurance with responsibility for the insurance business of AKFED, including management oversight of all AKFED investments in the insurance sector comprised of 10 insurance operations in 7 countries in Africa, Pakistan and Kyrgyzstan.

Mr. Metcalf currently holds Board appointments for the Jubilee General Insurance Company Limited, Pakistan (Listed), Jubilee Holdings Limited, Kenya (Listed), Jubilee Insurance Company of Kenya, Jubilee Life Insurance Company of Uganda, Jubilee Insurance Company of Tanzania, Jubilee Life Insurance Company Tanzania, Jubilee Insurance Company Burundi, Jubilee Life Insurance Company Burundi, Jubilee Insurance Company of Mauritius and Jubilee Kyrgyzstan Insurance Company, Kyrgyzstan.

Shahid Ghaffar Independent Director

Mr. Shahid Ghaffar possesses a vast experience of working at top positions in the financial market. He has served as Chairman and Managing Director, National Investment Trust Limited 2014-2017. Prior to that, he was Head of Investor Relations and Corporate Representation and Member Management Forum at Habib Bank Limited (HBL) during the period 2012-2014. He was involved in the formation and development of HBL Asset Management Limited and was its Chief Executive Officer from 2005-2012.

Mr. Ghaffar has vast experience in Capital Market Regulation and Governance. He was Executive Director/Commissioner, Securities & Exchange Commission of Pakistan and was instrumental towards implementation of wide ranging reforms in the capital market and capacity building of the Securities Market Division during the period 2000-2005. He was also Managing Director of Pakistan Stock Exchange (Former Karachi Stock Exchange) from 1998-2000 and was actively involved in introducing effective risk management measures, automation of trading system and enhancing capacity building of the exchange. During the period 1977-1998, he served National Investment Trust Limited in various capacities in the Asset Management Division and was responsible for managing equity, fixed income portfolio and the trading desk.

Mr. Ghaffar is presently Member, Audit Oversight Board, Pakistan and Independent Director of HBL Asset Management Limited, Awwal Modaraba Management Limited, Habib Insurance Company Limited and Archroma Pakistan Limited.

Mr. Ghaffar holds a Master's degree in business administration from Gomal University, D.I Khan, Khyber Pakhtunkhwa, Pakistan. He has attended several courses on Securities Regulations including the prestigious course conducted by Securities & Exchange Commission in Washington D.C., USA.

R. Zakir Mahmood
Director

Mr. R. Zakir Mahmood retired as President and CEO of HBL after over 12 years in office. He played a major role in the restructuring of HBL and its growth.

Mr. Zakir Mahmood holds a Master's degree in Engineering and an M.B.A. majoring in Finance, both from the University of California at Los Angeles (UCLA). He has over 40 years of working experience with international and local banks in various parts of the world including Europe, Middle East and Pakistan.

Prior to joining HBL, Mr. Zakir Mahmood served Credit Agricole Indosuez as General Manager UAE and Head of Corporate Banking and as Senior Vice President Pakistan during the period 1991-2000. He has also served at various senior positions with Bank of America in various facets of banking in Europe, Middle East and Pakistan during the period from 1977 to 1991.

He is currently serving on the Boards of Jubilee General Insurance Company Limited (Listed), the Aga Khan University (Unlisted), Kyrgyz Investment and Credit Bank, Closed Joint Stock Company (Unlisted), and First Micro Finance Bank, Tajikistan.

Sagheer Mufti Director

Mr. Sagheer Mufti is the Chief Operating Officer for HBL Pakistan. He is responsible for building a corporate culture based on operational excellence & technology capabilities for fulfilment of client services to over 10 million customers HBL serves in 25 countries. He oversees the bank's operations, shared services, control functions including cyber security and business continuity, legal, marketing and also leads the digital transformation agenda for HBL. He served as the COO for ADIB based in Abu Dhabi for 3 ½ years prior to his current role, and also previously spent 34 years at Citi in different management and leadership roles where he led various enterprise transformation programs and business redesign responsibilities regionally and globally. In his last role at Citi he served as the Global Head of Anti Money Laundering Operations.

Mr. Mufti has done his Master's in Business Administration from The George Washington University, Washington DC, USA. He possesses overall experience of more than 38 years within the financial industry working internationally network. He brings multi-dimensional exposure of working in almost all the areas of banking business including fields of operations, technology, compliance, risk and business development globally.

Javed AhmedManaging Director & CEO

Mr. Javed Ahmed is the Managing Director and Chief Executive Officer of Jubilee Life Insurance Company Limited. He also serves as a Director on the Board of Jubilee Kyrgyzstan Insurance Company, CJSC, Kyrgyzstan.

Mr. Ahmed has been associated with Jubilee Life since 1997 when he joined the Company as the Head of Operations. In 1999, he was made responsible for Business Development as Head of Sales & Marketing. He was elevated as the Managing Director and Chief Executive Officer in 2002 when the Company was acquired by AKFED. Under his leadership, Jubilee Life has emerged as one of the leading private sector insurers in Pakistan.

Prior to joining Jubilee Life, he was associated with EFU Life for 4 years and State Life for 7 years where he worked in Operations, Group & Pensions, Sales & Marketing and Actuarial.

Mr. Ahmed is a Fellow of the Society of Actuaries (USA), Associate of Institute of Actuaries (Australia) and Fellow of the Pakistan Society of Actuaries.

A winner is a dreamer who never gives up.

- Nelson Mandela

Sensitivity Analysis

The Company's share price is sensitive to the following factors:

- Economic conditions;
- Political stability / instability;
- Stock market / investor sentiments;
- Foreign investors' outlook;
- Company's performance;
- Dividend announcements;
- Change in government policies, regulations, and taxes relating to insurance business; and
- Company's Financial Strength Rating.

Chairman's Review

I am pleased to present the Annual Report of the Company for the year ended December 31, 2018.

Economy

A challenging year 2018 has concluded, with major part of the year being impacted by political and economic uncertainty. The State Bank of Pakistan in its Monetary Policy Statement expressed concerns that due the Current Account Deficit (CAD), elevated fiscal deficit, and core inflation being high, economic activities slowed down, particularly in the first half of the year. Measures were taken to contain the CAD including rationalization of tariffs and duties, resulting in deceleration in import of goods and services, and some reduction in the CAD. Also, a marginal increase in exports helped contain the same. Nonetheless, the impact of stabilization measures is likely to take time, to become markedly visible.

Capital Market

Continuing with the negative trend of 2017, for the second year running, the PSX recorded negative performance in 2018. The KSE 100 index, starting from a level of 40,471 points closed at 37,066 points on December 31, 2018, to record a negative return of 8.47%. In addition to the political and economic factors cited above, other major impacts on the stock market included persistent foreign selling and uncertainty on entry into IMF Program.

Regulatory Environment

The year 2018 witnessed the implementation of various regulatory changes from the Securities and Exchange Commission of Pakistan (the SECP). Salient amongst these were the implementation of the Insurance Accounting Regulations, 2017, which became effective from January 1, 2018, the SECP's Anti Money Laundering & Countering Financing of Terrorism Regulations, 2018 (AML Regulations, 2018) which were implemented in June 2018 in the background of the Financial Action Task Force's (FATF) recommendations on Pakistan. The AML Regulations, 2018 are aimed towards making tougher laws for combating money laundering, and will help increase documentation in the economy, as it will become progressively harder for money launderers and the undocumented economy to function with the implementation of these laws.

The Insurance Accounting Regulations, 2017, with the approval of the SECP, were implemented with effect from January 1, 2018. Their impacts are explained in detail in note 5 to the financial statements.

The Company

I am happy to report that the Company continues to scale new heights of growth and success each year, and in 2018, achieved the landmark of becoming the first ever life insurer in the private sector life insurance industry of Pakistan, to cross the Rs.50 billion threshold and record a Gross Written Premium of Rs.52 billion (2017: Rs.47 billion), an increase of 11%. In addition, the Company also achieved the following landmarks:

- Crossing the Rs.10 billion landmark in terms of Gross Written Contribution (GWC) in Window Family Takaful Operations, another first ever in the private sector Takaful industry of Pakistan:
- Maintaining a total asset size of over Rs.100 billion, closing the year end 2018 at Rs.139.6 billion against Rs.120.5 billion in 2017.

Awards and Accolades

With each passing year, the Company adds new feathers to its cap of laurels. During 2018, the Company achieved the following new accolades:

- The 33rd Corporate Excellence Award, 2018 to the Company in the Insurance Sector, awarded by the Management Association of Pakistan;
- The ACCA Approved Employer Trainee Development recognition; and
- The Company was accorded recognition on the CSR front also, and for its longstanding partnership and support, won the Dr. Ruth Pfau Award from the Marie Adelaide Leprosy Center.

Besides the above new categories of accomplishments, the Company also received the 6th FPCCI Achievement Award for 2017, on rendering outstanding services in insurance savings.

Marketing and Sports

It is with great pride that I report that not only has the Company achieved landmarks on the business front, but also, made its mark in the field of sports, and in 2018, its biggest contribution to the sports arena of Pakistan, was enabling the return of cricket back to the home ground in Pakistan, through the Jubilee Insurance Cup 2018 series between Pakistan and the West Indies. The Pakistan Cricket Board (PCB) itself acknowledged this contribution of the Company, as the series lifted the spirits of the entire nation.

Today, Jubilee Life is a household name when it comes to the promotion of cricket, snooker, golf, hockey, and squash, through sponsorship of various tournaments. During 2018, the Company also partnered with the Pakistan Cricket Board (PCB) as the Gold Sponsors of the PSL Season 3, and recorded its presence on all media including TV, Print, and Digital. As in 2017, the sponsorship gave a massive mileage to the Company in terms of brand visibility and brand recall. Besides these, the Company also sponsored the Pakistan vs. Australia and Pakistan vs. New Zealand cricket series during the year.

CSR Activities

The Corporate Social Responsibility (CSR) and Donations Policy of the Company provides a guiding framework for achieving the Company's vision by creating a strong focus and channelizing the efforts that positively impact Company's CSR endeavors and donations. The details are contained in the CSR section of the Directors' Report.

Board of Directors

There were two changes in the Board of Directors during the year 2018. Following the resignation of Mr. Avaz Ahmed in December 2017, the Board coopted Mr. Shahid Ghaffar as a director in his place. Mr. Shahid Ghaffar was appointed as director of the Company, with the approval of the SECP, with effect from February 8, 2018.

In August 2018, a casual vacancy occurred by the resignation of Mr. Javed Ahmed, from the office of elected director of the Company. The Board coopted Mr. Sagheer Mufti in his place, who was appointed as director of the Company, with the approval of the SECP, from October 3, 2018.

Auditors' Opinion

The external auditors of the Company, M/s. KPMG Taseer Hadi & Co., Chartered Accountants, Karachi, have issued a qualified opinion on the audited financial statements of the Company for the year ended December 31, 2018 on the matter of provincial sales tax on life and health insurance. The response to the same is covered in detail in the Directors' Report, as well as in note 26.2 to the financial statements.

Outlook

Pakistan is a resilient nation, and with each challenge, bounces back. With this resilience, stability in business operations, the opportunities for tapping the uninsured population of Pakistan, and the enhanced focus of the SECP on an improved regulatory environment, I am confident that

the Company will continue to grow and maintain its position as the largest private sector life insurance company of Pakistan.

Acknowledgement

On behalf of the Board, I would like to thank our shareholders, valued policy holders, Window Takaful participants, business partners including our bankers, suppliers and other stakeholders for their confidence and support. I would also like to acknowledge the support of the Government as well as the the Securities & Exchange Commission of Pakistan for their positive role in bringing reforms in the life insurance business. Lastly, I would also like to acknowledge the contribution of all our employees towards the success of the Company, without whom, this level of success would not have been possible.

Kamal A. Chinoy Chairman

Karachi, March 28, 2019

Directors' Report to the Shareholders

The Directors take pleasure in presenting their Annual Report together with the Audited Financial Statements of the Company for the year ended December 31, 2018.

Achievements

The year 2018 was a challenging year for the country, particularly on the political and economic front, and the Company was no exception to it. Despite these challenges, the Company, continued its focus on business development through multiple distribution channels and commitment towards maintaining high service and persistency standards, which enabled it to maintain steady growth in premium revenue, achieving higher landmarks of success, and sustainable profitability. The significant landmarks achieved during the year 2018 included:

- Crossing the Rs.50 billion landmark in terms of Gross Written Premium, the first ever in the private sector life insurance industry of Pakistan;
- Crossing the Rs.10 billion landmark in terms of Gross Written Contribution (GWC) in Window Family Takaful Operations, another first ever in the private sector Takaful industry of Pakistan;
- Achieving (GWP) of Rs.5,885 million in Corporate Business, both, Conventional and Window Takaful, as against Rs.5,181 million in 2017, an increase of 13.6%.
- Total asset size of the Company was Rs.139.5 billion as against Rs.120.5 billion in 2017, a 15.7% growth.

- The Company continues to be the largest underwriter of Health Insurance business in the country with an aggregate premium of Rs.3,755 million in both, Conventional and Family Takaful lines, as compared to Rs.3,509 million in 2017, representing an increase of 7%.
- Shareholders' equity and reserves, including the retained balance in statutory funds (Ledger Account D balances) was Rs.10,342 million as compared to Rs.9.316 million in 2017, an increase of 11%.
- Due to prudent reserving, the solvency margins of the Company's funds are significantly higher than the minimum statutory solvency requirements.
- The Company maintained its Insurer Financial Strength (IFS) Rating of AA+ (Double A Plus), with a "Stable" outlook, by JCR-VIS, as per their latest notification of May 30, 2018.

Business Performance and Operating Results

All lines of business performed satisfactorily during the year. The overall operating results are summarized below:

 Individual Life Unit-Linked business remained stable with a Net Written Premium (NWP) of Rs.36,044 million, up 4% in comparison to Rs.34,787 million in 2017 and generated a surplus of Rs.2,408 million this year (2017: Rs.3,129 million). The decline in over last year was attributed to lower new business growth owing to the uncertainty in the political and economic situation faced by the country, as well as increase in claims.

- Conventional Business, which comprises mainly Group Life Insurance, recorded a NWP of Rs.1,177 million as against Rs.1,088 million in 2017, a growth of 8%. A surplus of Rs.75 million (2017: Rs.169 million) was achieved this year.
- Accidental and Health business recorded a NWP of Rs.3,433 million as against Rs.3,093 million in 2017, a growth of 11%. A surplus of Rs.533 million was achieved as against Rs.395 million in 2017, i.e. an increase of 35%.
- Overseas Group Life and Group Health business recorded a NWP of Rs.14 million in comparison to Rs.11 million in 2017, recording a growth of 29%. The surplus in this line of business remained stable and was recorded at Rs.17 million, as compared to Rs.16 million last year.
- · The Individual Family Takaful Business, which has received overwhelming response, recorded a Net Written Contribution (NWC) of Rs.9.780 million, as compared to NWC of Rs.6.760 million, an increase of 45%. The surplus for the year 2018 was Rs.258 million (2017: Rs.338 million).
- · Group Family Takaful Business, though modest in size, recorded a NWC of Rs.53 million in comparison to Rs.37 million in 2017, a growth of 42%. This business recorded a small surplus of Rs.5 million (2017: Rs.1 million).
- Accident & Health Takaful Business recorded an NWC of Rs.170 million in comparison to Rs.130 million in 2017, recording a growth of 31%. This business reached its break even during the year and recorded a minor surplus of Rs.2 million, as compared to a loss of Rs.14 million in 2017.

 The overall surplus from all business lines was recorded at Rs.3,277 million, a decline of 19% as against the overall surplus of Rs.4,033 million during 2017. A surplus transfer of Rs.2,660 million (2017: Rs.3,165 million), has been made from the Revenue Account to the Shareholders' Fund, based upon the approval of the Appointed Actuary. This is contained in note 43.1 to the financial statements under the Segmental Information, i.e. Revenue Account by Statutory Funds.

Investment Performance

2018 was the second year in succession when the equity market recorded negative performance. The KSE 100 index, starting from a level of 40,471 points closed at 37,066 points on December 31, 2018, to record a negative return of 8.47%. Although 2018 started on a positive note, with the first quarter ending with a 12.6% increase over the year end 2017, the year ended with a decline of 8.47%. This was largely attributed to the deteriorating macroeconomic environment including political uncertainty, persistent foreign selling, uncertainty on entry into IMF Program, and the KSE 100 index continued to decline with each progressing quarter. Current Account Deficit, low foreign exchange reserves and weakening of Pak Rupee / US Dollar parity particularly in November 2018, resulted in the SBP taking measures for tightening of the monetary policy - this included increase in discount rate by a cumulative 4.25% during 2018. The KSE 100 index decline is depicted in the graph below: this impacted the unit linked fund performance, as across the industry and all other sectors too where investments in listed equities are involved:

KSE 100 Index - Monthly closing For the year 2018

Investment income makes a substantial contribution to the profitability of the Company, hence the Company pursues a prudent investment policy. Given the significant fall in equity market, coupled with increase in interest rates in the money market, the Company followed a prudent investment policy and took various measures towards protecting the funds, including rebalancing of the asset allocations of the funds, increased investments in government securities and other fixed income securities / term deposits, which, combined with additional cash inflows from new and renewal business (net of claims, surrenders and partial

withdrawals), led to an increase of 15% in the net assets of the unit linked funds which aggregated to Rs.115.8 billion, as against Rs.100.6 billion on December 31, 2017, a growth of 15%. Despite the volatility in the stock market, there were net inflows of Rs.22.16 billion, reflecting the trust and confidence reposed in us by our policy holders / participants, for which we are grateful.

The Company offers four unit-linked funds to its Individual Life policyholders in the conventional insurance business, and two unit-linked funds to its individual participants in the Individual Family Takaful operations. These funds have varying risk exposure and are chosen by the individual policyholders / participants as per their individual risk appetite. The history of returns over the period is summarized in the table below:

S.No.	Name of Fund	Launch Date	Return for the year 2018	3 Year Return	5 Year Return	10 Year Return	Return since Inception
	Conventional Funds						
1	Managed Fund	31 Dec. 1996	-2.02%	9.30%	40.08%	204.96%	974.44%
2	Capital Growth Fund	28 Jul. 2004	-11.31%	8.92%	73.16%	397.98%	695.47%
3	Meesaq Fund	27 Mar. 2008	-0.92%	14.51%	39.77%	125.59%	109.21%
4	Yaqeen Growth Fund	1 Jun. 2009	3.52%	14.65%	43.45%	N/A	120.53%
	Individual Family Takaful Funds						
5	Managed Takaful Fund	7 Jul. 2015	0.69%	14.64%	N/A	N/A	21.29%
6	Capital Growth Takaful Fund	7 Jul. 2015	-1.61%	16.43%	N/A	N/A	22.99%

Revised presentation of the Financial Statements under the Insurance Accounting Regulations, 2017

The audited financial statements for the year ended December 31, 2018 are the first financial statements being reported under the revised presentation prescribed by the Securities and Exchange Commission of Pakistan (the SECP) under the Insurance Accounting Regulations, 2017 and the Insurance Rules, 2017. The presentation and disclosures requirements under the new Regulations, as more explained in note 2.3 to the financial statements, have been enhanced and aligned with the International Financial Reporting Standards (IFRS), by introducing a single, Company basis Balance Sheet, Profit & Loss Account, Cash Flow Statement, vis-à-vis the Shareholders' Fund and Statutory Fund wise format in the earlier years, the introduction of the Statement of Other Comprehensive Income, whilst the concept of Revenue Account has been restricted to regulatory returns only. Such change has been applied retrospectively, and the comparative figures are restated. The impacts of these changes are explained in detail in note 5 to the financial statements.

With the introduction of the single Profit and Loss Account and Statement of Comprehensive Income, the surplus retained in the Statutory Funds, which includes the solvency margins required to be maintained under the Insurance Rules, 2017, and is not available for distribution to the shareholders, is included in the Profit and Loss Account for the current year, and in the Statement of Changes in Equity for the previous years. The Ledger Account D balance, and the Surplus on Revaluation of Available for Sale Investments, representing such surplus, has consequently increased the shareholders' equity.

Another significant change brought about by Regulation 11 of the Insurance Accounting Regulations, 2017 was bringing in line the valuation of investments in accordance with the requirements of the IFRS.

This necessitated a reclassification of the investment portfolio of the unit linked funds of the Individual Life Unit Linked Fund and the Individual Family Takaful Fund from the "Available for Sale" category to "at Fair Value through Profit and Loss", to address the mismatch arising from inconsistency in valuation of investments and its policy holder liabilities. The related transaction costs associated with such investments have also been transferred to the Profit and Loss Account. Such reclassification has been applied retrospectively and is explained in note 3.12 to the financial statements.

The above changes in presentation / reclassification of the investment portfolio have had a positive impact on EPS for 2018, amounting to Rs.8.22, and for 2017: Rs.8.52 per share, and is explained in note 5 to the financial statements.

Profit & Loss Account

The Profit & Loss Account of the Company shows a pre-tax profit of Rs.3,775 million for 2018, (2017: Rs.5,136 million – restated), representing a decline of 26%. The profit after tax for the year 2018 is Rs.2,430 million as compared to Rs.3,262 million in 2017 (restated), a decline of 25%.

As explained in the foregoing paragraphs, 2018 was a challenging year for the entire country, and it had impacted the Company's performance as well. Two major factors in life insurance business's

growth are (1) the new business growth, and (2) the ratio of general and administrative expenses to the Net Written Premium. During 2018, the uncertainty in the macroeconomic environment and political instability, and the persistent decline in the KSE 100 index restricted the new business growth to 5%, vis-à-vis an increase of 14% in the aggregate acquisition costs, administration and marketing expenses, and other expenses. However, it is satisfying to note that despite the uncertain macroeconomic and political environment, the Company's new business was not negatively impacted and continued to grow, and the management has a positive outlook on recovery and growth during 2019.

2018 was also a focus area for the Company on increased penetration through its branch network in the Direct Sales Force lines of both, the ILUL and the IL Takaful, and as such, incurred higher expenses in terms of renovation costs, rental expense, and related Opex and depreciation on the additional Capital expenditure. In addition, increased penetration of branch network required strengthening of the DSF team as well. An expansion of the DSF line is a pressure on short term profitability, which is recovered in the longer term. Accordingly, these measures have led to a decline in the profitability for the year 2018, and the ILUL recorded a 23% decline in surplus, whilst the IL Family Takaful's surplus remained almost stagnant at the level of 2017 and did not record any increase despite a 45% increase in GWP.

The profit before taxation was also impacted by other factors including the increased investment by the Company in the Marketing expense during the year 2018, by 25% over last year, with a view to strengthening the Company's brand, the strengthening of distribution network including new branches, increase in sales force, the investment in IT hardware and system applications.

The profit after taxation incorporates the prospective Super Tax charge for TY 2019, in addition to the TY 2018, as per the amendment brought about in the Income Tax Ordinance, 2001 by the Finance Act, 2018. This incremental charge was however, offset by the progressive decline in corporate tax rates from TY 2019 to TY 2025, and the stage wise reduction of Super Tax, which resulted in a deferred tax credit.

The Company is one of the significant tax payers to the national exchequer. During 2018, the Company contributed Rs.2,695 million as direct and indirect taxes (2017: Rs.2.673 million) to the government treasury.

Earnings per Share

The basic and diluted earnings per share for the year amount to Rs.30.64 as compared to EPS of Rs.41.12 in 2017 (restated), a decline of 25%, for reasons explained above.

Dividends to Shareholders

The Board of Directors has recommended a final cash dividend of Rs.14.50 per share, i.e. 145% per share, [2017: Rs.14.50 per share (145%)1. The Company had paid an interim cash dividend of Rs.3.00 per share (30%) during the year, [2017: Rs.3.00 per share (30%)], thereby making a total cash dividend of Rs.17.50 per share, i.e. 175%. for the year 2018 (2017: Rs.17.50 per share i.e. 175%).

Insurer Financial Strength Rating (IFS rating)

The Company's IFS rating review process is conducted on annual basis by JCR VIS Credit Rating Company Limited. The latest annual review was concluded on May 30, 2018, wherein the Company's IFS rating was maintained at AA+ (Double A Plus), with a "Stable" Outlook. The rating takes into account the capacity of the Company to meet policyholder liabilities as reflected by its strong capitalization levels and adequate liquidity profile. In its rating report, the JCR VIS acknowledged that the Company's business profile derives strength from favorable persistency levels and healthy growth in business volumes and profitability, and during the period under review, the market share of JLIC increased as growth in premiums outpaced sector growth.

Qualified opinion of external auditors

The external auditors of the Company, M/s. KPMG Taseer Hadi & Co., Chartered Accountants, Karachi, have issued a qualified opinion in their independent auditors' report to the members of the Company on the audited financial statements for the year ended December 31, 2018. The qualified opinion is in respect of the provincial sales tax issue, following the discontinuation / withdrawal of exemptions from provincial sales tax on Life and Health insurance by the provinces of Sindh and Punjab on various dates, and is reproduced below:

Qualified Opinion

"In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, and to the best of our information and according to the explanations given to us, the

statement of financial position, the profit and loss account, the statement of comprehensive income, the cash flow statement and the statement of changes in equity together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Insurance Ordinance, 2000 and the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of Company's affair as at December 31, 2018 and of the profit, total comprehensive income, the changes in equity and its cash flows for the year then ended."

Basis for Qualified Opinion

"As more fully explained in note 26.2 to the financial statements, exemption from provincial Sales Tax on Group Health insurance, Health insurance and life insurance was discontinued / withdrawn on various dates. The Company, notwithstanding the principal stand that life and health insurance are not a service and therefore do not fall within the scope of taxability under the provincial sales tax laws of provinces, along with Insurance Association of Pakistan is currently in negotiations with provincial tax authorities to seek an exemption and to agree the portion of premium which should be subject to sales tax. The potential liability on Group Health (in Sindh) and Health Insurance (in Punjab) is estimated at Rs.739 million. The Company considers that it is premature to estimate the liability for sales tax on life insurance at this stage. We consider that the liability can be estimated based on the current law. Therefore, it was impracticable for us to quantify the full effect of provincial sales tax on the financial statements for the year ended December 31, 2018,"

Company's response to auditors' qualified opinion

As explained in detail in note 26.2 to the audited financial statements for the year ended December 31, 2018, the provincial revenue authorities of Sindh and Punjab made significant changes in the provincial sales tax regimes applicable to the insurance industry, making life and corporate health insurance in Sindh, and life and health insurance in Punjab, subject to provincial sales taxes, by lapsation or withdrawal of the exemptions earlier allowed.

The management of the Company is of the view that life and health insurance is not a service, but infact, an underwriter's promise to pay to the policy holder in the future, a specified sum of money, either on occurrence of an identified event causing loss, or upon maturity of the policy. The management has also sought a legal opinion from the Company's legal advisors, who, in their opinion, have confirmed the management's view. The legal advisors have further expressed the opinion that without prejudice to the main contention that life and health insurance do not constitute a service, even otherwise, any amount allocated for investments on behalf of the policy holder does not belong to the Company and cannot be subjected to provincial sales tax.

This being a collective issue of the industry, the Insurance Association of Pakistan (IAP), of which the Company is a member, has actively taken up the matter with the provincial revenue authorities, including, in the alternate scenario, the basis of charging of such tax, if any. Discussions with the other provincial authorities are also in progress. The provincial revenue authorities, acknowledging and the ongoing discussions, have not yet enforced the levy and are allowing time for deliberation and

dialogue, despite lapse of the exemption notifications on their respective dates.

In view of the legal opinion obtained by the Company, the ongoing administrative efforts with the provincial revenue authorities as explained above, the endorsement of the SECP, and the fact that acknowledging the ongoing discussions, the provincial revenue authorities have not enforced the levy and allowing time for deliberation and dialouge, despite lapse of the exemption notifications, the Company has not vet billed its customers for provincial sales tax on life and health insurance since the lapse / withdrawal of the exemptions on their respective dates, nor has it made any provision for the provincial sales taxes in the audited financial statements for the year ended December 31, 2018, as the Company considers it premature to estimate any amount of liability on life insurance, given the above facts as elaborated above. In respect of contingent sales tax liability for health insurance, the aggregate contingent liability as at December 31, 2018 of Rs.739 million, has not been provided for in these financial statements, pending the outcome of the administrative efforts.

Human Capital

Jubilee Life Insurance truly believes in the continuous development of the Company and its employees, who are the pillars of strength behind its success. The Company continually focuses to strengthen its human capital by offering them various avenues of learning and development facilities via collaborations with renowned institutions, engagement with its employees and building talent resources in the Company. The year 2018 was a very active year for the Human Resource team, with many learning initiatives being introduced.

A continuous learning environment exists within the Company, which ensures that the employees build their business knowledge quickly. The Company carries out extensive sales training programs to equip its sales force with skills required for high quality and ethical sales.

During 2018, an Employee Development Plan for back office support employees across all the departments was initiated for management levels wherein senior managers were enrolled at prestigious institutions like the Institute of Business Administration and the Karachi School of Business & Leadership, where flagship Leadership Programs were held in March and April 2018. Middle level management training program was held during October - December 2018. The program consisted of 7 days of training per participant and covered a total of 2,310 learning hours, focused on managerial competencies in line with the Company's core values, and was much appreciated by participants throughout the Company.

In September 2018, the Company's first Management Associate Program was successfully completed, comprising of a batch of 12 associates, all of whom were assessed, qualified for, and placed in their respective departments of interest.

The Human Resources and the IT teams collaborated during the year to launch in October 2018, the Company's own in-house Learning Management System (LMS) Portal, aiming to enhance employee skills and their current qualification. With the LMS in place, the employees have flexibility in managing their own training schedules and upon completion of the enrolled courses; they receive a Certificate of Achievement issued by the Human Resources Department.

Another milestone achieved during the year was the collaboration with renowned institutions like ACCA, who awarded the Approved Employer

Trainee Development Gold Award, in recognition of the support provided to ACCA trainees working towards ACCA Qualifications. Through this association, the Company has developed easy accessibility in acquiring well-groomed and qualified technical resources, as well as training and development facilitation by ACCA for the relevant resources of the Company.

Besides the above specific milestones achieved during 2018, the Company continually encourages its employees to pursue professional excellence by taking the examinations of world recognized professional organizations such as Society of Actuaries (USA), Institute and Faculty of Actuaries (UK), Chartered Insurance Institute (UK) and Life Office Management Association (USA).

The Company takes pride in being an equal opportunity employer and takes initiatives towards supporting and encouraging the employment of women. Both, men and women, are given an equal chance to prove their worth based on competency and merit. In March 2018, the Company signed a pledge with "OICCI Women" initiative to promote gender equality in the organization with the road map in line with United Nation's 'Women Empowerment Principles'. Since the pledge was taken, female headcounts in the Company have increased from 22.17% in end 2017 to 27.1% by December 2018.

Independence Day continues to be a day full of fervor and celebration throughout the Company, with cake cuttings and prayers for the progress and prosperity of the country taking place in the Head Office, Karachi, as well as the regional offices of the Company. The Independence Day celebrations give a very festive look to the Company, and its human resources celebrate the special day by wearing national colors for the occasion.

Information Technology and Operational Efficiencies

Commitment to excellence through a heavy investment in technology has given the Company a competitive edge in maintaining its market leadership position and serving the customers better. In May 2018, as an added step towards customer satisfaction, the Company implemented a state-of-the-art Microsoft Dynamics 365 Customer Relationship Management (CRM) platform, to build and maintain customer relationships by delivering superior value and satisfaction. With the CRM in place, the Company will be able to provide enriched customer services towards acquiring, retaining and growing its customer base.

In August 2018, to further improve and strengthen the availability of mission-critical systems, the Company realized the need to have a new Disaster Recovery (DR) site in another city, and the DR Site was successfully shifted to Islamabad. Two DR drills have taken place since thereafter across all departments and on pan-Pakistan basis, to ensure that all mission-critical systems are up and running from Islamabad, should any unforeseen disaster strike.

During 2017, the Company implemented the new life insurance business administration system, the Insurance Solution Framework (ISF), developed by AETINS SDN. BHD of Malaysia and successfully migrated the Individual Life Unit Linked business (Conventional) to the ISF. In the second phase, in 2018, work was in progress on the switchover of Group Life business (Conventional) to the ISF and has successfully been completed in February 2019, with the other lines of business planned for switched over in different phases during 2019.

On the internal operational efficiency front, the Company enhanced its paperless environment policy, and during 2018, the applications developed on Sharepoint included end to end travel plan approval process, HR recruitment forms, and stationery requisitions, which will not only reduce paper consumption and storage space, but also result in saving of time.

Awards and Accolades

The Company continued to add more feathers to its cap and its achievements in various areas were accorded further recognition by the following independent bodies during the year 2018:

- The Management Association of Pakistan (MAP) awarded the 33rd Corporate Excellence Award, 2018 to the Company in the Insurance Sector.
- The Company received the 6th FPCCI Achievement Award for 2017. on rendering outstanding services in Insurance savings.
- The Company received recognition as ACCA Approved Employer -Trainee Development.
- · The Company was accorded recognition on the CSR front also, and for its longstanding partnership and support, won the Dr. Ruth Pfau Award from the Marie Adelaide Leprosy Center.

Code of Conduct & Business Ethics

Following the highest standards of Corporate Governance, ethics and good business practices is an integral part of the Company's Code of Conduct approved by the Board. The Code of Conduct, Corporate Strategy, Vision, Mission, and Core Values have been adopted by the Board.

The Code defines the obligations and responsibilities of all - the Board members, the employees, and the Company towards its various stakeholders, towards each other, and towards the society as a whole.

Necessary steps have been taken to disseminate the same throughout the Company. The Code is also available on the Company's website.

Corporate Social Responsibility

The Company is committed to act responsibly in its long-term business and is guided by its vision "enabling people to overcome uncertainty". The Corporate Social Responsibility (CSR) and Donations Policy approved by the Board provides a guiding framework for achieving our vision by creating a strong focus and channelizing efforts that positively impact Company's CSR endeavors and donations.

In line with the approved CSR and Donations Policy, the Company's total donation expense during 2018 aggregated to Rs.20.5 million (2017: Rs.23 million), aimed at the support of health care, education, rural development, and cultural heritage.

The Company continues to make a significant contribution towards financial inclusion of the low-income strata of population, and its CSR initiatives also leverage on its core business expertise to create and provide sustainable life and health micro-insurance solutions at affordable cost. With an aim of improving quality of lives by reducing vulnerability of the low-income sector of the society, the Company enhanced its provision of micro-insurance facilities to reach around 3.5 million persons during 2018.

The summary of CSR activities and engagement with the society are contained in the CSR Report, which shows the ever-increasing span of the Company's activities as a responsible corporate citizen of the country.

Sports Promotion

Sports and sporting spirit is deeply inbuilt in the Company's human resources, and the Company's support for sports highlights a commitment to the spirit of partnership, and winning plans. The Company promotes cricket, snooker, golf, hockey and polo through sponsorship of various tournaments. The sports roundup for the year 2018 is given on pages 77 to 79 of the Annual Report.

Board Evaluation Mechanism

The Board of Directors of the Company has an approved mechanism for the annual evaluation of the Board's performance and that of its Committees, as envisaged under the Regulations. The Board carries out such evaluation exercise each year.

Compliance with the Code of Corporate Governance for Insurers, 2016, Listed Companies (Code of Corporate Governance) Regulations, 2017 and with PSX Listing Regulations

Being a listed life insurance company, the Company complies with the requirements of the specific Code of Corporate Governance for Insurers, 2016, as well as the Listed Companies (Code of Corporate Governance) 2017, and the PSX Regulations. In respect of all these requirements, the Statement of Compliance with the best corporate practices is annexed on page 81 of the Annual Report.

The Directors are pleased to confirm the following:

- The Financial Statements prepared by the management of the Company present fairly its state of affairs, the results of its operations, cash flows and changes in equity;

- Proper books of accounts of the Company have been maintained;
- Appropriate accounting policies have been consistently applied in the preparation of the financial statements, with the exception of the changes brought about by application of Insurance Accounting Regulations, 2017 and Insurance Rules 2017, as explained in note 2.3 and 3.12 to the financial statements, and accounting estimates are based on reasonable and prudent judgment;
- International Accounting Standards, International Financial Reporting Standards, or any other regulation or law (including but not limited to the Shariah guideline / principles) as applicable in Pakistan, the Insurance Ordinance, 2000, the Insurance Accounting Regulations, 2017 the Insurance Rules, 2017, the directives issued under the Companies Act, 2017, and the Takaful Rules, 2012 have been followed in the preparation of financial statements and any departure there from has been adequately disclosed;
- The system of internal control is sound and adequate in design and has been effectively implemented and monitored;
- There are no significant doubts upon the Company's ability to continue as a going concern;
- There has been no material departure from the best practices of corporate governance;
- Information regarding outstanding taxes is given in note 26 to the audited financial statements:
- The pattern of shareholding and the information regarding trading in the shares of the Company by Directors, CEO, CFO, Company

Secretary, Appointed Actuary, Executives and their spouses and minor children is given on page 221 of the Annual Report.

Board of Directors

The Board of Directors of the Company comprises of one executive and seven non-executive directors, of which three are independent, non-executive directors. All the eight Board members are presently male, there is no female director.

The Board of Directors shall be reconstituted in accordance with the required gender diversity upon the expiry of its current term in March 2020. The Board currently comprises of the following:

- Mr. Kamal A. Chinoy (Chairman)
- Mr. Amyn Currimbhoy
- Mr. John Joseph Metcalf
- Mr. Sultan Ali Allana
- Mr. R. Zakir Mahmood
- Mr. Shahid Ghaffar (w.e.f. February 8, 2018)
- Mr. Sagheer Mufti (w.e.f. October 3, 2018)
- Mr. Javed Ahmed (Managing Director & Chief Executive Officer)

3	Mr. Javed Ahmed	4

The terms of reference of the various Board Committees have been determined by the Board in accordance with the guidelines provided in the Code / the Regulations.

Management Committee

The governance of day to day operations in all functional areas, is carried out by the Company's Management Committee, chaired by the Managing Director and Chief Executive Officer of the Company, and meets on monthly basis. Members of the Management Committee are stated on page 11 of the Annual Report.

Other committees include the Investment Management Committee (IMC), the IT Steering Committee, and the Marketing Committee, all of which are chaired by the Managing Director & Chief Executive Officer of the Company. The members of these committees are stated on page 11 of the Annual Report.

Management Committees under the Code of Corporate Governance for Insurers, 2016

In addition to the above, the following three committees function as per the terms of reference specified in the Code of Corporate Governance for Insurers, 2016, and are also chaired by the Managing Director & Chief Executive Officer of the Company:

- 1. Underwriting and Reinsurance Committee
- 2. Claims Committee
- 3. Risk Management & Compliance Committee

Members of these committees are mentioned on page 11 of the Annual Report.

Internal Audit Function

The Company has an Internal Audit Department, whose scope and authority is defined in the duly approved Internal Audit Charter. The Internal Audit Department has adopted a risk based approach to conduct internal audits, and monitors and evaluates the efficacy and adequacy of internal controls, consistency in application of policies and procedures and compliance with laws and regulations. Based on the report of the internal audit function, process owners undertake corrective action in their respective areas and thereby strengthen the controls. To maintain its objectivity and independence, the Internal Audit Department reports functionally to the Board Audit Committee and administratively to the CEO.

Risk and Opportunity Report

The major risks facing the Company, and their mitigation factors, the uncertainties facing the Company, and the opportunities are summarized in the Risk and Opportunity Report as covered on pages 69 to 72 of the Annual Report.

Key Operating and Financial Information

A summary of the Key operating and financial information of the last six years is shown on page 28 of the Annual Report.

Retirement Benefits

The fair value of investments made by the staff retirement funds. operated by the Company, as per their respective financial statements as at December 31, 2018, the audits of which are in progress, are as follows:

> Provident Fund Rs.495.12 million Rs.436.42 million Gratuity Fund

Material Changes

There have been no material changes since December 31, 2018 to the date of this report.

Statutory Auditors

The present Auditors, M/s. KPMG Taseer Hadi & Co. Chartered Accountants, retire after the completion of the present term. The Board records their appreciation for the valuable services rendered by M/s. KPMG Taseer Hadi & Co., Chartered Accountants, during their tenure over the last five years.

In line with the requirement of the Code and the Regulations, the Board Audit Committee has recommended the appointment of M/s. A. F. Ferguson & Co., Chartered Accountants, Karachi as the Auditors of the Company, including as Shariah Compliance Auditors, for the year 2019, and the Board endorses this recommendation.

Holding Company

The Company is a subsidiary of the Aga Khan Fund for Economic Development S.A., Switzerland.

Outlook

The economy of Pakistan is passing through a difficult phase. Fiscal discipline and improved governance can bring a lot of improvement and lead to better economic growth. The measures being taken by the Government will take some time to yield positive results.

Life insurance industry is facing various challenges such as imposition of sales tax, increasing regulatory requirements, stringent AML and KYC regime and reluctance of population at large to use regulated channels for money management. The support from Government for the development of insurance sector will play a key role in increasing insurance penetration and resolving the current issues being faced.

Despite all challenges, Jubilee Life has performed well over the past years. It has consistently outpaced the growth of the industry. With continued support of all stakeholders, the Company will strive to achieve a healthy growth in future as well.

Acknowledgements

The Company thanks all its valued customers and business partners for their confidence and patronage and reaffirms its commitment to serve them in the best possible manner.

The significant growth and financial strength achieved by the Company has been made possible through the dedication and hard work of the management team, ably supported by their colleagues. The Board appreciates their efforts and contribution.

The Board also records their appreciation of the positive regulatory role adopted by the Securities & Exchange Commission of Pakistan for their continuing efforts in promoting the growth and functioning of the Life Insurance business on a sound basis.

On behalf of the Board of Directors

Managing Director & CEO

Karachi, March 28, 2019

Risk and Opportunity Report

The Company faces the following major risks, and strategizes the mitigation factors there against as follows:

S. No.	Risk	Mitigation Strategy
1.	Regulatory Risk Life insurance industry is a highly regulated industry and subject to frequent changes in applicable laws, rules and regulations. Any omission or failure to meet regulatory compliance may expose the Company to penalties, fines and reputational risks.	Company takes cognizance of these changes through updates from legal services, auditors and tax advisors, websites etc. A summary of significant changes in the regulatory requirement is reported to the Board, whose guidance is sought by the management. Also, the Company interacts with the regulators directly, as well as through the collective forum of the Insurance Association of Pakistan, to ensure that industry views are represented.
2.	Operational Risks	
	Human Resource Risk	 The Company provides a congenial working environment and opportunities for professional development and growth to all employees, besides rotation within the departments, to enrich their exposure. A succession plan is in place in respect of Chief Executive as well as all senior executives, to ensure that work does not suffer in case of their departure.
	Business Continuity	 Real-time data replication at Disaster Recovery Site / Data Center ensures that the business continuity is not endangered in any way. The Company has also developed a Disaster Recovery Plan to take care of any eventuality.
3.	Economic / Political Risks The economy of Pakistan is subject to significant ups and downs attributed to current account deficit, exchange rates and equity market movements; whilst the political environment is uncertain and lacks stability, hampering the cause of business activities.	A wide product range catering to different classes of risk appetite is available to balance out such variations. Further, the Company follows a prudent and cautious investment policy to safeguard the returns against such volatile situations.

S. No.	Risk	Mitigation Strategy
4.	Underwriting Risks These are risks undertaken by the Company via the contracts that it writes, i.e. the possibility of the contingent event occurring, giving rise to the claim for the event insured. The risks in this category are associated with the perils covered (death, accident, catastrophe etc.) and with the specific processes associated with the conduct of life insurance business.	The Company has developed comprehensive Underwriting Guidelines to identify and evaluate this risk. Further, various reinsurance arrangements have been put in place to mitigate the effects of potential loss to the Company from large individual or catastrophic insured events.
5.	Market Risks These are risks arising from movement of financial variables such as interest rates, capital market changes etc.	The Company manages this through a diversified investment portfolio comprising of a combination of equity securities, government securities, other fixed income securities and money market instruments, taking into account the maturity profile of these assets and that of the liability base. The portfolio is constantly monitored through a management level Investment Management Committee which meets on weekly basis, and through a Board level Finance & Investment Committee, which reviews the same on quarterly basis, or, as required.
6.	Credit Risks These are risks arising due to default by and change in credit rating of those with whom the Company has an exposure, such as banks, brokers, issuers of debt instruments etc. These risks also include external events affecting the credit worthiness of counterparties.	This risk is managed by establishment of counter party limits, by spreading the volume of transactions over various counter parties and monitoring the credit worthiness of counter parties through their rating reports.

S. No.	Risk	Mitigation Strategy
7.	Reinsurance Risks These risks relate to the failure of the reinsurers to discharge their obligations on the claims reinsured, as a consequence of which the Company has to incur additional cost.	To mitigate this risk, the Company has entered into reinsurance treaties with multiple internationally recognized reinsurers who have a high credit rating.
8.	Liquidity Risk This is the risk of losses in the event of insufficient liquid assets to meet cash flow requirements for policyholder obligations.	This risk is mitigated by managing a balance between healthy cash and cash equivalents and other liquid assets balances, and monitoring the maturity profile of financial assets and liabilities, so that any mismatches arising are taken care of and eliminated. The Investment Management Committee reviews the asset allocation and investment portfolio on weekly basis to monitor the same.
9.	Strategic Risk This is the risk of untapped opportunities, as well as the risk of increased competition from existing / new players entering the field.	The Company manages this risk through quality service to its customers, product range catering to various classes of customers, brand equity and goodwill, to maintain a competitive advantage over peer group or new entrants. Further, the Company keeps exploring new avenues for business opportunities and growth.
10.	Reputational Risk This is the risk of damage to the Company's reputation which can result in a slowdown in business growth, caused by an event such as misconduct on part of its distribution team, non-compliance with the regulatory regime etc.	The Company mitigates this risk by placing the highest emphasis on its Code of Conduct and best business practices, which are applicable across the Company. All sales team members are imparted rigorous training to eliminate chances of mis-selling, and internal controls are in place to ensure regulatory compliance to all concerned stakeholders.

Key Opportunities

With less than 1% penetration (ratio of insurance premium as a percentage of the Gross Domestic Product), life insurance has a great potential of growth in Pakistan, particularly in the following dimensions:

- 1. Increasing education and awareness regarding life insurance amongst the masses, to enlighten them about the benefits of life insurance coverage and as a savings tool.
- Increasing outreach across Pakistan through not only the conventional distribution networks, but also using latest technology including branchless, online sales, and mobile apps to attract the young population of Pakistan.
- 3. Financial inclusion, i.e. affordable insurance solutions through micro insurance for the mass segments of society at Company level, as well as in collaboration with the Government, for the benefit of the common public at large.

Key Uncertainties affecting the Business

The key sources of uncertainty, which have a significant impact on the business include the following:

- Unexpected changes in claims ratios and trends
- Occurrence of catastrophic event(s)
- Political turmoil affecting the economy, and in particular, the equity market
- · Unexpected interest rate movements
- Failure of a major product / distribution channel
- Threats to the national security and peace of the Country ultimately affecting economy and business of the Company
- Threat of International sanctions

CSR & Engagement with Society Report 2018

In 2014, the Board of Directors of the Company approved the Corporate Social Responsibility (CSR) & Donations Policy of the Company, with the objective of providing a guiding framework of opportunities relating to the conduct of CSR by the Company, to support the achievement of its vision, "enabling people to overcome uncertainty", by creating a strong focus and channelizing efforts that positively impact Company's CSR endeavors and donations.

Donations

Total donations during 2018 aggregated to Rs.20.5 million (2017: Rs.23 million), aimed at the support of health care, education, rural development, and cultural heritage, and were spread as under:

Micro Insurance

The Company has made a significant contribution towards financial inclusion of the low-income strata of population, and its CSR initiatives also leverage on its core business expertise to create and provide sustainable life and health micro-insurance solutions at affordable cost. With an aim of improving quality of lives by reducing vulnerability of the low-income sector of the society, the Company enhanced its provision of micro-insurance facilities to reach around 3.5 million persons during 2018.

Social Health Protection Initiative – Gilgit Baltistan

In June 2016, an Aga Khan Foundation (AKF) led AKDN consortium which includes AKRSP, AKHS and the Company signed a microinsurance project with the Government of Gilgit-Baltistan (GB), being a foreign funding based 5 years' project where the foreign funding would gradually be reduced and ultimately, all the funding would be provided by the Government. During 2018, the program covered 37,000 lives spread over 5,340 households, organized 11 free medical health camps in different UCs of Gilgit district as part of this initiative. In addition to this, the Company, in collaboration with AKRSP has insured 4,029 families during the year as part of the Social Health Protection Initiative wider enrollment program.

Collaboration with Khushhali Bank

In 2017, the Company had joined hands with Khushhali Micro Finance Bank Limited (formerly Khushhali Bank Limited), to design a hospitalization product under the title of "Sehat Khushhali Plan". The product is offered to Khushhali Bank's customers through its 115 bank branches and is a distinct scheme that protects its customers financially if they get hospitalized due to any reason, with a bare minimun day expense. In the year 2018, this facility enabled coverage of 70,000 lives. The Company and Khushhali Bank also held medical camps to facilitate medical checkups of its customers.

Health Awareness Campaigns

As in previous years, the Company organized Health Awareness Campaigns during 2018 as well, to complement the micro-insurance initiatives to create a wider awareness on issues relating to health care and healthy living in the less-privileged segments of the population. These health camps were held in liaison with other organizations, largely in the rural areas of all four provinces and the Northern Areas. The Company's contribution towards the cost of these health camps was Rs.7 million (2017: Rs.3 million), besides the time spent by its employees. The Company encourages its employees to participate directly by contributing their time and knowledge towards social causes.

Engagement with the Society

In addition to the formal CSR budget, the Company takes pride in inculcating interaction with the society, whereby the needs of education, rural development, cultural heritage, civil society, humanitarian assistance and sports promotion are facilitated.

Charter for Compassion (CFC)

Children are the future of our society, and to secure their future through education, during 2018, the Company renewed its sponsorship for an educational project in partnership with the Charter for Compassion under the title "Collaborative Libraries". The purpose of this project is to inculcate the habit of reading in our future generations by developing libraries in the less affluent areas of Karachi. The lack of libraries in our Country is depriving children today from the gratifying and fulfilling experience of reading books. The project aims to make available for the children, books to read, aimed at enhancing their literary skills, and teaching compassionate values through the process of reading. The Company's investment in this project, aimed at educational benefit, was over Rs.3.7 million.

Enterprise Challenge Pakistan

Jubilee Life has collaborated with SEED Ventures for the 2nd and 3rd Enterprise Challenges Pakistan, a Prince's Trust International Program in 2017 & 2018 respectively.

Enterprise Challenge Pakistan (ECP) is a pan-Pakistan, inter-school competition that encourages young people to explore entrepreneurship as a career path. It is offered to secondary school students within the age bracket of 13-16 years in various schools across the Country. ECP is essentially a simulation business challenge where students playing in teams of four or five employ their creativity in cyber-scenarios. Industry experts, to help these students understand the basics of an enterprise, business strategy and financials, mentor each team. The objective is to profitably run an enterprise and the team with the highest net profit is declared the winner.

Impact on environment

The Company is conscious of maintaining a clean and eco-friendly environment within its offices, as well as towards the cause of the society. Its Head Office surroundings are meticulously clean and green and encourages its employees towards a conscious effort to save paper, and conserve trees. In this connection, the Company has already implemented paperless applications for internal use of the employees, to minimize consumption of paper, reduce storage requirements and costs, as well as promotes recycling of paper and stationery to minimize their consumption. As another step towards conserving the environment, the

Company has installed an On-Grid solar plant at the Head Office premises to generate green energy. This initiative has been successful as it ensures alternate renewable energy resource vis-à-vis environmentally friendly technology (Carbon Free Energy). It is helping to reduce more than 10 tons of carbon dioxide emission in the environment and reduces the burden of 28 MWH on centralized power generation plants on an annual basis. The Government of Sindh, Energy Department, has endorsed and appreciated the Company's efforts in this regard, by issuing a Letter of Appreciation.

In addition to the above, the Company also ensures a healthy and safe working environment for its employees. Utmost care is taken to ensure that the office premises are clean and hygienic; the offices are equipped with smoke detectors and fire extinguishers as protection against any fire hazards. The Company also actively discourages smoking, and all office premises are no smoking zones to protect the health of all employees.

Commitment to Society

The Company takes pride in its ever-increasing involvement with the society in all spheres of life, be it health care, education, rural development, community development, art and culture, or sports. Today, Jubilee Life is a well-known brand with its name entrenched in practically every household. The Board confirms its commitment to the society and to the nation, to further support growth and development of the nation and to keep its flag flying high.

Sports Roundup 2018

Being a young and energetic brand that resonates with the sentiments of society, this year, the Company has taken its association with sports up to the next level. Today, Jubilee Life is a household name when it comes to the promotion of cricket, snooker, golf, hockey, polo and squash, through sponsorship of various tournaments. The sports roundup for 2018 for the major sports highlights is summarized below:

Cricket

The biggest contribution to cricket during 2018 was enabling the return of cricket back to home ground in Pakistan, and the Company is proud to have played an integral role in this achievement, through the Jubilee Insurance Cup 2018, for the Pakistan vs. West Indies Cricket Series, as the title sponsor of the series. The Pakistan Cricket Board (PCB) acknowledged the contribution of the Company, as this series lifted the spirits of the Pakistan cricket team and most importantly, of the whole nation.

Commencing with PSL Season 3, wherein the Company partnered with the Pakistan Cricket Board (PCB) as the Gold Sponsors thereof with presence across all mediums including TV, Print, Digital and PR during the event, this was followed by the Jubilee Insurance Cup 2018 which featured T20 series between Pakistan and West Indies in Karachi. This was followed later during the year, by the Pakistan vs. Australia / New Zealand cricket series, where the Company once again partnered with PCB as one of the main sponsors of the series.

Golf

The Company was the leading sponsor of the General Akhtar Abdul Rehman Amateur Golf Tournament in Bhurban, Murree and the 7th Quaid-e-Azam Amateur Golf Tournament 2018. Besides these, it also participated in the LRBT Golf Tournament held at the Karachi Golf Club to raise funds for the treatment of Cataract, Glaucoma, Retinal and Corneal diseases among children and adults who are too poor to afford it. A total of 22 teams participated in the tournament.

Hockey

Hockey is Pakistan's national sports, however, hockey has not been given the recognition it deserves. During 2018, the Company partnered with the Pakistan Hockey Federation for honoring Ten (10) Pakistani and International hockey legends. These included 5 Pakistani legends and 5 international legends, Two exhibition matches were held, one in Karachi and one in Lahore. The legends being honored through the event have been inducted into the Hockey Hall of Fame.

Other sports

In addition to cricket, golf and hockey, the Company also makes its efforts towards the promotion of other sports, these include snooker and squash, from time to time.

Snooker

As part of the ongoing snooker support program of Jubilee Insurance with the Pakistan Billiards and Snooker Association, the Company also supported all the national snooker tournaments held during 2018. This long-standing partnership has created a unique ownership of the sport for the brand and has made Jubilee Life the pioneer in sports sponsorship programs encouraging young talent and providing platform for greater exposure and learning.

Squash

In 2018, the Company joined hands with the Chairman of Sindh Squash Association and the legend of squash, Jahangir Khan for the revival of squash in Pakistan, to support the "Pakistan Open Squash Tournament 2018". It was acknowledged as an International event by World Squash Association. Top professional players from USA, Europe, Far East, Egypt, Australia and Pakistan were part of the tournament. The event received special coverage on national and international media.

Jubilee Life's support for sports highlights commitment to the spirit of partnership, winning plans and right choices. The Board confirms its commitment to the society and to the nation, to further support the spirit of sportsmanship in every field of sports, and to keep the national flag flying high.

Karachi, March 28, 2019

Independent Auditor's Review Report to the Members on Statement of Compliance with the Code of Corporate Governance for Insurers, 2016 and the Listed Companies (Code of Corporate Governance) Regulations, 2017

We have reviewed the enclosed Statement of Compliance with the Code of Corporate Governance for Insurers, 2016 and Listed Companies (Code of Corporate Governance) Regulations, 2017 (combined called 'the Code') prepared by the Board of Directors of Jubilee Life Insurance Company Limited ('the Company') for the year ended December 31, 2018 in accordance with the requirements of the Code.

The responsibility for compliance with the Code is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Code and report if it does not and to highlight any non-compliance with the requirements of the Code. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Code.

As part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls, or to form an opinion on

Date: 28 March 2019

Karachi

the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Code requires the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions and also ensure compliance with the requirements of section 208 of the Companies Act, 2017. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee. We have not carried out procedures to assess and determine the Company's process for identification of related parties and that whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Code as applicable to the Company for the year ended December 31, 2018.

21. The Board has formed an Audit Committee. It comprises of three (3) members; all of whom are non-executive Directors and two are independent directors, including the Chairman of the Committee. The composition of the Audit Committee is as follows:

Name of the Member	Category
Amyn Currimbhoy	Chairman, Independent Non-Executive Director
John Joseph Metcalf	Member, Non-executive Director
Shahid Ghaffar (w.e.f. February 8, 2018)	Member, Independent Non-Executive Director
Najam ul Hassan Janjua (Uptil February 13, 2018)	Secretary
Adeel Ahmed Khan (w.e.f. February 14, 2018)	Secretary

- 22. The terms of reference of the aforesaid committees have been formed, documented and advised to the committee for compliance.
- 23. The meetings of the Committees, except for those of the Ethics, Human Resource & Remuneration and Nominations Committee, were held at least once every quarter, prior to the approval of the interim and final results of the Company, as required by the Code / Regulations.

- 24. The Board has set up an effective Internal Audit Department, whose scope and authority is defined in the duly approved Internal Audit Charter.
- 25. The Chief Executive Officer, Chief Financial Officer, Compliance Officer and the Head of Internal Audit possess such qualification and experience as is required under the Code. The Appointed Actuary of the Company also meets the conditions as laid down in the said Code. Moreover, the person heading the underwriting, claims, reinsurance, risk management and grievance functions / departments possess qualification and experience of direct relevance to their respective functions, as required under Section 12 of the Insurance Ordinance, 2000 (Ordinance No. XXXIX of 2000):

Name of the Person	Designation
Javed Ahmed	Managing Director & Chief Executive Officer
Lilly R. Dossabhoy	Chief Financial Officer
Najam ul Hassan Janjua	Company Secretary
Zahid Barki	Compliance Officer - Group Head, Risk Management, Compliance & Quality Assurance (covers Risk Management, Compliance and Grievance responsibilities).
Shan Rabbani	Group Head Retail Operations, Investments & Actuarial (covers underwriting, reinsurance, claims administration, and actuarial responsibilities).
Adeel Ahmed Khan	Head of Internal Audit

- 26. The statutory auditors of the Company have been appointed from the panel of auditors approved by the Commission in terms of Section 48 of the Insurance Ordinance, 2000 (Ordinance no. xxxix of 2000). The statutory auditors have confirmed that they have been given a satisfactory rating under the quality control review program of the ICAP and registered with the Audit Oversight Board of Pakistan, that they or any of the partners of the firm, their spouses and minor children do not hold shares of the Company and that the firm and all its partners are in compliance with International Federation of Accountants (IFAC) guidelines on Code of Ethics as adopted by the ICAP.
- 27. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the Companies Act, 2017, the Regulations, or any other regulatory requirement and the auditors have confirmed that they have observed IFAC guidelines in this regard.
- 28. The Appointed Actuary of the Company has confirmed that neither he nor his spouse and minor children hold shares of the Company.
- 29. The Board ensures that the Appointed Actuary complies with the requirements set for him in the Code.
- 30. The Board ensures that the investment policy of the Company has been drawn up in accordance with the provisions of the Code.
- 31. The Board ensures that the risk management system of the Company is in place as per the requirements of the Code.
- 32. The Board has set up a risk management function / department, which carries out its tasks as covered under the Code.
- 33. The Board ensures that as part of the risk management system, the Company gets rated from JCR-VIS, which is being used by its risk management function / department and the respective committee as a risk monitoring tool. The Insurer Financial Strength (IFS) rating

- assigned by the said rating agency, as per their latest notification dated May 30, 2018 is AA+ (Double A plus) with stable outlook.
- 34. The Board has set up a grievance department / function, which complies with the requirements of the Code.
- 35. The Company has not obtained any exemptions from the Securities & Exchange Commission of Pakistan in respect of any of the requirements of the Code.
- 36. The Company has complied with the requirements relating to maintenance of register of persons having access to inside information by designated senior management officer in a timely manner and maintained proper record including basis for inclusion or exclusion of names of persons from the said list.
- 37. The Company is in the process of compliance with the requirements and regulations laid down in Section 208 of the Companies Act, 2017. The compliance is dependent on the clarification / amendment in the law from SECP with respect to definition of related parties. In the meantime, the Company has continued to present the details of all related party transactions as disclosed in the financial statements before the Board Audit Committee and upon their recommendation to the Board for review and approval.
- 38. We confirm that all other material principles and requirements contained in the Code and in the Regulations have been complied with.

On behalf of the Board of Directors

Karachi, March 28, 2019

Managing Director & Chief Executive Officer

Independent Reasonable Assurance Report to the Board of Directors on the Statement of Management's Assessment of Compliance with the Shari'ah Principles

We were engaged by the Board of Directors of Jubilee Life Insurance Company Limited ("the Company") to report on the management's assessment of compliance of the Window Takaful Operations ("Takaful Operations") of the Company, as set out in the annexed statement prepared by the management for the year ended December 31, 2018, with the Takaful Rules, 2012, in the form of an independent reasonable assurance conclusion about whether the annexed statement presents fairly the status of compliance of the Operations with the Takaful Rules, 2012, in all material respects.

Applicable Criteria

The criteria against which the subject matter information (the Statement) is assessed comprise of the provisions of Takaful Rules, 2012.

Responsibilities of the Management

The Board of Directors / management of the Company are responsible for designing, implementing and maintaining internal controls relevant to the preparation of the annexed statement that is free from material misstatement, whether due to fraud or error. It also includes ensuring the overall compliance of the Takaful Operations with the Takaful Rules, 2012.

The Board of Directors / management of the Company are also responsible for preventing and detecting fraud and for identifying and ensuring that the Takaful Operations comply with laws and regulations applicable to its activities. They are also responsible for ensuring that

the management, where appropriate, those charged with governance, and personnel involved with the Takaful Operations compliance with the Takaful Rules, 2012 are properly trained, systems are properly updated and that any changes in reporting encompass all significant business units.

Our Independence and Quality Control

We have complied with the independence and other ethical requirements of the Code of Ethics for Chartered Accountants issued by the Institute of Chartered Accountants of Pakistan, which is founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behavior.

The firm applies International Standard on Quality Control 1 "Quality Control for Firms That Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements" and accordingly maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Our responsibilities

Our responsibility is to examine the annexed statement and to report thereon in the form of an independent reasonable assurance conclusion

based on the evidence obtained. We conducted our engagement in accordance with International Standard on Assurance Engagements (ISAE) 3000 (Revised), Assurance Engagements Other Than Audits or Reviews of Historical Financial Information issued by the International Auditing and Assurance Standards Board. That standard requires that we plan and perform our procedures to obtain reasonable assurance about whether the annexed statement presents fairly the status of compliance of the Takaful Operations with the Takaful Rules, 2012, in all material respects.

The procedures selected depend on our judgment, including the assessment of the risks of material non-compliances with the Takaful Rules, 2012, whether due to fraud or error. In making those risk assessments, we have considered internal control relevant to the Takaful Operations compliance with the Takaful Rules, 2012, in order to design assurance procedures that are appropriate in the circumstances, but not for the purposes of expressing a conclusion as to the effectiveness of the Company's internal control over the Takaful Operations' compliance with the Takaful Rules, 2012. Reasonable assurance is less than absolute assurance.

A system of internal control, because of its nature, may not prevent or detect all instances of non-compliance with Takaful Rules, 2012, and consequently cannot provide absolute assurance that the objective of compliance with Takaful Rules, 2012, will be met. Also, projection of any evaluation of effectiveness to future periods is subject to the risk that the controls may become inadequate or fail.

Date: 28 March 2019

Karachi

The procedures performed included:

- Evaluating the systems, procedures and practices in place with respect to the Takaful operations against the Takaful Rules, 2012 and Shari'ah advisor's quidelines:
- · Evaluating the governance arrangements including the reporting of events and status to those charged with relevant responsibilities, such as the Audit Committee / Shari'ah Advisor and the board of directors:
- · Performing test for a sample of transactions relating to Takaful operations to ensure that these are carried out in accordance with the laid down procedures and practices including the regulations relating to Takaful operations as laid down in Takaful Rules, 2012; and
- Review the statement of management's assessment of compliance of the Takaful transactions for the year ended December 31, 2018 with the Takaful Rules, 2012.

Conclusion

Our conclusion has been formed on the basis of, and is subject to, the matters outlined in this report. We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our conclusion.

In our opinion, the annexed statement, for the year ended December 31, 2018, presents fairly the status of compliance of the Takaful Operations with the Takaful Rules, 2012, in all material respects.

KPMG Ta Hel'L

Statement of Compliance with the Shariah Principles

The financial arrangements, contracts and transactions, entered into by Jubilee Life Insurance Company Limited - Window Takaful Operations (the Company) for the year ended December 31, 2018 are in compliance with the Takaful Rules, 2012.

Further, we confirm that:

- The Company has developed and implemented all the policies and procedures in accordance with the Takaful Rules, 2012 and rulings of the Shariah Advisor along with a comprehensive mechanism to ensure compliance with such rulings and Takaful Rules, 2012 in their overall operations with zero tolerance. Further, the governance arrangements including the reporting of events and status to those charged with relevant responsibilities, such as the Audit Committee / Shariah Advisor and the Board of Directors have been implemented;
- The Company has imparted trainings / orientations and ensured availability of all manuals / agreements approved by Shariah Advisor / Board of Directors to maintain the adequate level of awareness, capacity and sensitization of the staff, management;
- All the products and policies have been approved by Shariah Advisor and the financial arrangements including investments made, policies, contracts and transactions, entered into by Window Takaful Operations are in accordance with the polices approved by Shariah Advisor;
- The assets and liabilities of Window Takaful Operations (Participant Takaful Fund and Operator's Sub Fund) are segregated from its other assets and liabilities, at all times in accordance with the provisions of the Takaful Rules, 2012.

This has been duly confirmed by the Shariah Advisor of the Company.

Dated: January 28, 2019

Javed Ahmed
Managing Director &
Chief Executive Officer

Shariah Advisor's Report to the Board of Directors

For the year ended December 31, 2018

I have reviewed the accompanying financial statements, Takaful products including all related documents, as well as, the Participant Takaful Fund Policy, Investment Policy, Re-Takaful arrangements and the related transactions of Jubilee Life Insurance - Window Takaful Operations (hereafter referred to as "Takaful Operator") for the year ended December 31, 2018.

I acknowledge that as Shariah Advisor of Jubilee Life Insurance - Window Takaful Operations, it is my responsibility to approve the above mentioned documents and ensure that the financial arrangements, Re-Takaful arrangements, contracts and transactions entered into by the Takaful Operator with its participants and stakeholders are in compliance with the requirements of Shariah rules and principles.

It is the responsibility of the Takaful Operator to ensure that the rules, principles and guidelines set by the Shariah Advisor and Takaful Rules 2012 are complied with, and that all investments done, products and services being offered are duly approved by the Shariah Advisor.

The primary objective of Shariah Advisor's report is to inform about the Takaful Operator's compliance with Shariah Guidelines, including the transactions undertaken by the Takaful Operator during the year ended December 31, 2018 and to express his opinion on the transactions and operational aspects of Window Takaful Operations.

Progress of the Year

During the year under review; Jubilee Life Window Takaful Operations (Jubilee Life-WTO) has achieved significant successes, details of which are as follows:

الحمد لله رب العالمين و الصلوة و السلام على سيد الأنبياء و المرسلين و بعد

- 1. Alhamdulillah, Jubilee Life Window Takaful Operations has maintained its position as the market leader in the Family Takaful Industry of the country, in terms of new business.
- 2. Jubilee Life-WTO opened number of dedicated Takaful branches across the country in strategic locations.
- 3. Significant success was achieved in continuous development of DSF & Banca-Takaful business across the country.
- 4. Under the guidance of the undersigned, Jubilee Life-WTO has developed & launched different Family Takaful Products, for its DSF & Banca-Takaful segment, focusing on savings and investment based plans.
- 5. All the distribution channels of Jubilee Life WTO including Banca-Takaful, DSF, A&H Family Takaful and Group Family Takaful segments have performed extremely well and underwritten significant business in Takaful.
- 6. During the year, a number of Religious Institutions from different parts of the country reviewed the Takaful Products of Jubilee Life-WTO and with the grace of Allah they showed full satisfaction of the system & products of Jubilee Life-WTO and issued Shariah Compliance Certificates (Shariah Verdicts) in favor of Jubilee Family Takaful.

Shariah Certification

In my opinion and to the best of my understanding based on the provided information and explanations:

- i. transactions undertaken by the Takaful Operator for the period ended 31 December 2018 were in accordance with the guidelines issued by Shariah Advisor, as well as the requirements of Takaful Rules 2012;
- ii. the investments have been made from the Participant Takaful Fund (PTF), Participant Investment Fund (PIF) and Operator's Fund, into Shariah Compliant avenues only, including Islamic Banks, Sukuks and Shariah Compliant Equities, with prior Shariah approval. Further all bank accounts related to Window Takaful Operations have been opened in Islamic Banking Institutions (IBIs) or Islamic Branches/Windows of conventional banks with prior Shariah approval;
- iii. segregation of Window Takaful Operations is the essential part of valid Takaful contracts. I am pleased to state that Jubilee Life-WTO has realized its criticality and Alhamdulillah, all the Takaful Funds, Investments, Bank Accounts, Systems and other related issues are kept completely separate from its conventional insurance business, as per requirement of Shariah and Takaful Rules 2012.

- iv. during the year, an amount of Rs. 2,450,119/- has been realized as charity through dividend-income purification process, out of which Rs. 1,243,428/- has already been disbursed.
- v. the transactions and activities of Jubilee Life Insurance Window Takaful Operations are in accordance with the Shariah principles, while considering the accompanying financial statements of the Participants' Takaful Fund (Waqf Fund), Participants' Investment Fund, and the Operator's Sub Fund (OSF).

While concluding; I state that the Shariah principles were followed in every aspect of practical implementation of Jubilee Life-WTO during the year. I am grateful to the Board of Directors of Jubilee Life, Management and all relevant departments who cooperated with the Shariah Compliance function and provided every possible support to ensure Shari'ah Compliance in our Takaful practices.

"And Allah Knows Best"

Mufti Zeeshan Abdul Aziz

Shariah Advisor

Independent Auditors' Report to the members of **Jubilee Life Insurance Company Limited**

Qualified Opinion

We have audited the annexed financial statements of Jubilee Life Insurance Company Limited ("the Company"), which comprise the statement of financial position as at December 31, 2018, and the profit and loss account, the statement of comprehensive income, the cash flow statement and the statement of changes in equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, and to the best of our information and according to the explanations given to us, the statement of financial position, the profit and loss account, the statement of comprehensive income, the cash flow statement and the statement of changes in equity together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Insurance Ordinance, 2000 and the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of Company's affairs as at December 31, 2018 and of the profit, total comprehensive income, the changes in equity and its cash flows for the year then ended.

Basis for Qualified Opinion

As more fully explained in note 26.2 to the financial statements, exemption from provincial Sales Tax on Group Health insurance, Health insurance and Life insurance was discontinued / withdrawn on various dates. The Company, notwithstanding the principal stand that life and health insurance are not a service and therefore do not fall within the scope of taxability under the provincial sales tax laws of the provinces, along with Insurance Association of Pakistan is currently in negotiations with provincial tax authorities to seek an exemption and to agree the portion of

premium which should be subject to sales tax. The potential liability on Group Health (in Sindh) and Health insurance (in Punjab) is estimated at Rs. 739 million. The Company considers that it is premature to estimate the liability for sales tax on life insurance at this stage. We consider that the liability can be estimated based on the current law. Therefore, it was impracticable for us to quantify the full effect of provincial sales tax on the financial statements for the year ended December 31, 2018.

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to note 43.2 to the financial statements, which describes that the Company has approached the Securities and Exchange Commission of Pakistan for clarification on non-disclosure of the segment information by line of business with analysis by channel of businesses used. Our opinion is not qualified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Following are the Key audit matters:

S. No.	Key audit matters	How the matters were addressed in our audit
1.	Insurance liabilities	
	Refer to note 19 to financial statements relating to Insurance liabilities. The Company's insurance liabilities represent 95% of its total liabilities. Approximately 96% of these liabilities are for unit linked business. Valuation of insurance / takaful contract liabilities involve significant judgment, actuarial assumptions such as mortality, persistency, morbidity, investment returns, expense levels and inflation and the use of methods adopted for actuarial valuations. For certain lines of businesses reserve for claims incurred but not reported are calculated based on earned premiums due to lack of fully credible experience.	 Our procedures included: We obtained an understanding, assessed the design and tested the operating effectiveness of controls established for unit linked business for allocation and surrender of units and calculation of bid value per unit; We assessed the adequacy of the reserve for bid value of allocated units of unit linked business, by applying the bid value to the total number of units extracted from the system; We assessed the adequacy of reserving of various components of insurance liabilities, other than bid value reserves including reserves of non-linked businesses, by testing calculations on the relevant data obtained from system generated reports; We obtained an understanding, evaluated the design and tested the controls related to reinsurance arrangements; We obtained understanding of the work performed by the appointed actuary; We used an external actuarial specialist to assist us in challenging the general principles, actuarial assumptions and methods adopted for actuarial valuations by the appointed actuary of the Company; and We challenged the assumptions used for incurred but not reported claims of businesses where fully credible experience is not available with the Company's historical data of claims.

S. No.	Key audit matters	How the matters were addressed in our audit
2.	Insurance benefits	
	Refer to note 32 to financial statements for Insurance Benefits. The total claims expense net of reinsurances and related expenses for the year in respect of death, non-death, maturity, surrenders and partial surrender claims amounted to Rs. 16.32 billion. Claim expenses are recognized on intimation of the insured event except for individual life businesses where the same are recognized at the earlier of the maturity of contract and intimation of insured event. The recognition of insurance benefits involves judgment and a risk that claims may not be recognized in the appropriate period.	 Our procedures included: We obtained an understanding, evaluated the design and tested the controls over the process of capturing, processing and recording of information related to the claims; For a risk based sample of claims outstanding at the year-end other than for unit linked business, we compared the liability recorded with the terms of the policy; and For a risk based sample of claims reported near to year end and subsequent to year end, we evaluated that these are recorded in the appropriate period;
3. Classification, valuation and impairment of investments		
	Refer to note 9 to 12 to financial statements and the accounting policies in notes 3.11 for investments. The Company's investment portfolio comprises of government debt securities, equity securities, other fixed income securities and Term deposits. Investments carried at Fair Value through Profit or loss represent 77% of the total investments while investments classified as Available-for-sale and Held to Maturity represent 23% of total investments.	 Our audit procedures included: We obtained an understanding, evaluated the design and tested the operating effectiveness of controls designed for classifications and valuation of all investments and for impairment of investments classified as available for sale; We tested, on a sample basis, specific purchases and sale transactions recorded during the year with underlying documentation;

S. No.	Key audit matters	How the matters were addressed in our audit
	We identified the classification, valuation and impairment of investments as key audit matter because of the significance of investments and management's judgment involved in classification and impairment.	 We evaluated designation of securities, recording of investments purchased among the statutory funds and creation and settlement of the respective inter fund balances by testing the individual transactions on a sample basis; For a sample of investments we tested the valuation by agreeing the prices with quoted market yields obtained from Reuters for Government securities, prices quoted on Pakistan Stock Exchange for equity securities and prices quoted by Mutual Funds Association of Pakistan for other debt securities; and We assessed the appropriateness of impairment in the value of available for sale securities in accordance with the requirements of accounting and reporting standards.
4. Revenue recognition		
	Refer to note 26 to financial statements for Insurance Premiums / Contributions Revenue and 27 for investment income. The Company receives its revenue primarily from two main sources namely; premiums / contributions and investments income. We identified revenue recognition as a key audit matter as it is one of the key performance indicators of the Company and because of the potential risk that revenue transactions may not be recognized in the appropriate period.	 Our procedures included: We obtained an understanding, evaluated the design and tested the controls over the process of capturing, processing and recording of information related to premiums; For a risk based sample of policies of non-unit linked business where premium is outstanding at the year end, we compared receivable recorded with the terms of policy; For a risk based sample of policies of which premium / contribution was received / due near to period end and subsequent to period end, we evaluated that these were recorded in the appropriate period; and For a sample of investment income transactions, we tested that investment income is recorded based on the effective interest method or where right to receive the dividend is established.

S. No.	Key audit matters	How the matters were addressed in our audit	
5.	Changes in accounting policies due to introduction of Insurance Rules, 2017 and Insurance Accounting Regulations, 2017		
	Refer to note 2.5 and 5 that describe the changes in accounting policies due to introduction of Insurance Rules, 2017 and Insurance Accounting Regulations, 2017. Insurance rules, 2017 and Insurance Accounting Regulations, 2017 became effective for the year ended December 31, 2018. These regulations contained a new format of financial statements and changed the presentation basis. The changes also required changes in basis of valuation of various investments. Because of the significance of the change, this was identified as key audit matter.	 Our procedures included: We evaluated the adequacy and completeness of the disclosures relating to changes in accounting policies and adjustments required in accordance with accounting and reporting standards as applicable in Pakistan; and We evaluated the adequacy and completeness of additional disclosures as required under new accounting regulations. 	
6.	Processing through Information System		
	IT systems and controls over financial reporting were identified as a key audit matter because of the pervasive nature and complexity of the IT environment, the extensive volume of transactions and reliance of financial reporting process on IT system.	 Our procedures included the following: We obtained an understanding, evaluated the design and tested the operating effectiveness of access controls for applications and systems relevant to Company's financial reporting processes. This included controls over system access and system change management and computer operations; We obtained management's evaluation of the access rights granted to applications relevant to financial accounting and reporting systems and tested a resolution of sample of exceptions. We also assessed the operating effectiveness of controls over granting, removal and appropriateness of access rights. 	

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. Other information comprises the information included in the annual report for the year ended December 31, 2018, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Insurance Ordinance, 2000 and Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using

the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

 Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- · Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- · Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Company as required by the Insurance Ordinance, 2000 and the Companies Act, 2017 (XIX of 2017):
- b) the statement of financial position, the profit and loss account, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Insurance Ordinance, 2000, the Companies Act, 2017 (XIX of 2017), and are in agreement with the books of account:
- c) the apportionment of assets, liabilities, revenue and expenses between two or more funds has been performed in accordance with the advice of the appointed actuary;
- d) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the company's business; and

e) zakat deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980), was deducted by the Company and deposited in the Central Zakat Fund established under section 7 of that Ordinance.

The engagement partner on the audit resulting in this independent auditor's report is Syed Iftikhar Anjum.

Notes to and Forming Part of the Financial Statements

For the year ended December 31, 2018

LEGAL STATUS AND NATURE OF BUSINESS

1.1 Jubilee Life Insurance Company Limited (the Company) was incorporated in Pakistan on June 29, 1995 as a public limited Company under the Companies Ordinance, 1984 (now Companies Act, 2017). Its shares are quoted on the Pakistan Stock Exchange. The Company started its business on June 20, 1996. The addresses of its registered and principal office are 26 - D, 3rd Floor, Kashmir Plaza, Jinnah Avenue, Blue Area, Islamabad and Jubilee Life Insurance Building, 74/1-A, Lalazar, M.T. Khan Road, Karachi, respectively.

The Company is engaged in life insurance, carrying on non-participating business. In accordance with the requirements of the Insurance Ordinance, 2000 the Company has established a Shareholders' Fund and following statutory funds in respect of each class of its life insurance business:

- Individual Life Unit Linked
- Conventional Business
- Accident & Health Business
- Overseas Group Life and Health Business
- Individual Family Takaful (note 1.2)
- Group Family Takaful (note 1.2)
- Accident & Health Family Takaful (note 1.2)
- 1.2 The Company was issued the Certificate of authorization for commencement of Window Takaful Operations under Rule 6 of the Takaful Rules, 2012 by the Securities and Exchange Commission of Pakistan (SECP) vide Authorization Reference no. 7 dated June 17, 2015 and the Company launched the Window Takaful Operations on July 13, 2015.
- 1.3 The Company is a subsidiary of Aga Khan Fund For Economic Development, S.A., Switzerland,

BASIS OF PREPARATION AND STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards comprise of:

- International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB) as are notified under the Companies Act, 2017; and
- Provisions of and directives issued under the Companies Act, 2017 and Insurance Ordinance, 2000, Insurance Rules, 2017, Insurance Accounting Regulations, 2017 and the Takaful Rules, 2012.

Incase requirements differ, the provisions or directives of the Companies Act, 2017, the Insurance Ordinance, 2000, the Insurance Rules, 2017, the Insurance Accounting Regulations, 2017 and the Takaful Rules, 2012, shall prevail.

2.1 Basis of measurement

These financial statements have been prepared under the historical cost convention except for valuation of certain investments at their market value.

The preparation of financial statements in conformity with the accounting and reporting standards as applicable in Pakistan requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumption are reviewed on an ongoing basis.

Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

Judgements made by management in the application of accounting and reporting standards as applicable in Pakistan that have a significant effect on the financial statements and estimates with a significant risk of material adjustment in the next year are discussed in note 4 to the financial statements.

2.2 Functional and presentation currency

These financial statements have been presented in Pak Rupee, which is the Company's functional and presentation currency. Amounts presented have been rounded off to the nearest thousand.

2.3 Standards, interpretations and amendments to published accounting and reporting standards effective during the year

The standards, amendments and interpretations of accounting and reporting standards were effective for accounting periods beginning on or after January 1, 2018 and were applied for the first time during the year. These standards / amendments did not have any impact on the financial statements except the application of Insurance Accounting Regulations, 2017 and Insurance Rules, 2017.

The Insurance Accounting Regulations, 2017 and Insurance Rules, 2017 became effective from January 1, 2018. The following changes have been brought about by the application of the Insurance Accounting Regulations, 2017 and the Insurance Rules, 2017, the impacts of which are disclosed in note 5 to the financial statements:

- A new format of financial statements has been prescribed where statement of comprehensive income has been added and revenue account, statement of premiums / contributions, statement of claims, statement of expenses and statement of investment income have been done away with;

- Full premiums and claims of insurance business are now being recorded in profit and loss account. Previously only surplus as recommended by the appointed actuary was included in profit and loss account; and
- The accounting policies for investments have been brought in line with requirements of IAS 39 Financial Instruments: Recognition and Measurement. Previously these investments were valued at lower of cost or market value. The new policies are set out in note 3.11.

In addition, the Companies Act, 2017 also became effective for the financial statements for the year ended December 31, 2018. As the Company's financial statements are prepared in accordance with the format prescribed by Insurance Rules, 2017, it did not have a direct impact on the financial statements except that for disclosure of related parties transactions, as required by fourth schedule of the Companies Act, 2017 the definition of related parties as given in IAS 24 - Related parties has been followed.

2.4 Standards, interpretations and amendments to published accounting and reporting standards that are not yet effective

The following IFRS, amendments and interpretations will be effective for accounting periods beginning on or after January 1, 2019:

- IFRIC 23 'Uncertainty over Income Tax Treatments' (effective for annual periods beginning on or after January 1, 2019) clarifies the accounting for income tax when there is uncertainty over income tax treatments under IAS 12. The interpretation requires the uncertainty over tax treatment be reflected in the measurement of current and deferred tax. The application of interpretation is not likely to have an impact on Company's financial statements.
- IFRS 15 'Revenue from contracts with customers' (effective for annual periods beginning on or after July 1, 2018). IFRS 15 establishes a comprehensive framework for determining whether, how much and when revenue is recognized. It replaces existing revenue recognition guidance, including IAS 18 'Revenue', IAS 11 'Construction Contracts' and IFRIC 13 'Customer Loyalty Programmes'. The adoption of the standard is not likely to have an impact on Company's financial statements.
- IFRS 9 'Financial Instruments' and amendment Prepayment Features with Negative Compensation (effective for annual periods beginning on or after July 1, 2018 and January 1, 2019 respectively). IFRS 9 replaces the existing guidance in IAS 39 Financial Instruments: Recognition and Measurement. IFRS 9 includes revised guidance on the classification and measurement of financial instruments, a new expected credit loss model for calculating impairment on financial assets, and new general hedge accounting requirements. It also carries forward the guidance on recognition and derecognition of financial instruments from IAS 39. However the Company has opted for temporary exemption available from adoption of IFRS 9 under IFRS 4 as explained below. Therefore, IFRS 9 will be adopted together with adoption of IFRS 17.
- Amendment to IFRS 4 'Insurance Contracts'- Applying IFRS 9 'Financial Instruments' with IFRS 4 (effective for annual periods beginning on or after July 1, 2018). The amendment address issue arising from the different effective dates of IFRS 9 and the forthcoming new standard IFRS 17 'Insurance Contracts'. The amendments introduce two alternative options for entities issuing contracts within the scope of IFRS 4, notably a temporary exemption and an overlay approach. The temporary exemption enables eligible entities to defer the implementation date of IFRS 9. The overlay approach allows an entity applying IFRS 9 from July 1, 2018 onwards to remove from profit or loss the effects of some of the accounting mismatches that may occur from applying IFRS 9 before IFRS 17 is applied.

IFRS 16 'Leases' (effective for annual periods beginning on or after January 1, 2019), IFRS 16 replaces existing leasing guidance, including IAS 17 'Leases', IFRIC 4 'Determining whether an Arrangement contains a Lease', SIC-15 'Operating Leases- Incentives' and SIC-27 'Evaluating the Substance of Transactions Involving the Legal Form of a Lease'. IFRS 16 introduces a single, on-balance sheet lease accounting model for lessees. A lessee recognizes a right-of-use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. There are recognition exemptions for short-term leases and leases of low-value items. Lessor accounting remains similar to the current standard i.e. lessors continue to classify leases as finance or operating leases.

The Company has completed an initial assessment of the potential impact on its financial statements but has not yet completed its detailed assessment. The actual impact of applying IFRS 16 on the financial statements in the period of initial application will depend on future economic conditions, the development of the Company's leases portfolio, the Company's assessment of whether it will exercise any lease renewal options and the extent to which the Company chooses to use practical expedients and recognition exemptions. The nature of expenses related to these leases will now change because IFRS 16 replaces the straight line operating lease expense with a depreciation charge for right-of-use assets and profit expense on lease liabilities.

The Company plans to apply IFRS 16 initially on January 1, 2019, using a modified retrospective approach. Based on Company's initial assessment as at January 1, 2019, the Company is estimated to record a right-of-use assets and lease liability of around Rs. 900 million.

- Amendment to IAS 28 'Investments in Associates and Joint Ventures' Long Term Interests in Associates and Joint Ventures (effective for annual periods beginning on or after January 1, 2019). The amendment will affect companies that finance such entities with preference shares or with loans for which repayment is not expected in the foreseeable future (referred to as long-term interests or 'LTI'). The amendment and accompanying example state that LTI are in the scope of both IFRS 9 and IAS 28 and explain the annual sequence in which both standards are to be applied. The amendments are not likely to have an impact on Company's financial statements.
- Amendments to IAS 19 'Employee Benefits'- Plan Amendment, Curtailment or Settlement (effective for annual periods beginning on or after January 1, 2019). The amendments clarify that on amendment, curtailment or settlement of a defined benefit plan, a company now uses updated actuarial assumptions to determine its current service cost and net interest for the period; and the effect of the asset ceiling is disregarded when calculating the gain or loss on any settlement of the plan and is dealt with separately in other comprehensive income. The application of amendments is not likely to have an impact on Company's financial statements.
- Amendment to IFRS 3 'Business Combinations' Definition of a Business (effective for business combinations for which the acquisition date is on or after the beginning of annual periods beginning on or after January 1, 2020). The IASB has issued amendments aiming to resolve the difficulties that arise when an entity determines whether it has acquired a business or a group of assets. The amendments clarify that to be considered a business, an acquired set of activities and assets must include, at a minimum, an input and a substantive process that together significantly contribute to the ability to create outputs. The amendments include an election to use a concentration test. The standard is effective for transactions in the future and therefore would not have an impact on past financial statements.
- Amendments to IAS 1 Presentation of Financial Statements and IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors (effective for annual periods beginning on or after January 1, 2020). The amendments are intended to make the definition of material in

IAS 1 easier to understand and are not intended to alter the underlying concept of materiality in IFRS Standards. In addition, the IASB has also issued guidance on how to make materiality judgements when preparing their general purpose financial statements in accordance with IFRS.

Annual Improvements to IFRS 2015 - 2017 Cycle - the improvements address amendments to following accounting and reporting standards:

- IFRS 3 Business Combinations and IFRS 11 Joint Arrangement the amendment aims to clarify the accounting treatment when a company increases its interest in a joint operation that meets the definition of a business. A company remeasures its previously held interest in a joint operation when it obtains control of the business. A company does not remeasure its previously held interest in a joint operation when it obtains joint control of the business.
- IAS 12 Income Taxes the amendment clarifies that all income tax consequences of dividends (including payments on financial instruments classified as equity) are recognized consistently with the transaction that generates the distributable profits.
- IAS 23 Borrowing Costs the amendment clarifies that a company treats as part of general borrowings any borrowing originally made to develop an asset when the asset is ready for its intended use or sale.

The above amendments are effective from annual periods beginning on or after January 1, 2019 and are not likely to have an impact on the Company's financial statements.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

3.1 The significant accounting policies and methods of computation adopted in the preparation of these financial statements are consistent with those of the previous financial year, with the exception of the changes brought about by application of Insurance Accounting Regulations, 2017 and Insurance Rules, 2017, as explained in note 2.3 above.

3.2 Property and equipment

Tangible assets are stated at cost less accumulated depreciation and impairment losses, if any, except for capital work in progress which is stated at cost. Assets having cost exceeding the minimum threshold as determined by the management are capitalized. All other assets are charged in the year of acquisition. Cost includes expenditure that is directly attributable to the acquisition of the asset.

Subsequent costs

Subsequent costs are included in the assets' carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other expenses are charged to profit and loss account during the year in which they are incurred.

Borrowing costs

Borrowing costs which are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized as part of the cost of that asset. All other borrowing costs are charged to profit and loss account.

Depreciation

Depreciation is charged to profit and loss account using the straight line method at the rates specified in note 6 on all assets available for use at the end of each month. When parts of an item of asset have different useful lives, they are accounted for as separate property and equipment items.

Depreciation on additions is charged from the month in which the asset is available for use while no depreciation is charged in the month of disposal.

The assets' residual value and useful lives are reviewed at each balance sheet date and adjusted, if appropriate.

Gains and losses on disposal

An item of tangible assets is derecognised upon disposal or where no future economic benefits are expected to be realised from its use or disposal. Gains or losses on disposal of an item of tangible assets are recognised in the profit and loss account.

Capital work in progress

Capital work in progress is stated at cost and consists of expenditure incurred and advances made in respect of assets in the course of their construction and installation. Transfers are made to relevant asset category as and when assets are available for intended use.

3.3 Intangible assets

These represent assets with finite lives and are stated at cost less accumulated amortisation and impairment losses, if any. Amortisation is charged over the estimated useful life of the asset applying the straight line method at the rates specified in note 7 to the financial statements.

Software development costs are only capitalised to the extent that future economic benefits are expected to be derived by the Company.

3.4 Types of Insurance / Window Takaful Operations

a) Individual life unit linked

Individual life contracts are mainly regular premium unit linked policies, where policy value is determined as per the underlying assets' value. Various types of riders (Accidental Death, Family Income Benefit, etc.) are also sold along with the basic policies. Some of these riders are charged through deductions from policyholders' fund value, while others are conventional i.e. additional premium is charged there against. Polices are sold to a wide cross-section of population with different income levels. The risk underwritten is mainly death and sometimes disability and/or critical illness. This business is written through two distribution channels, namely, the direct sales force and bancassurance.

Individual life single premium policies are also issued and their value is determined as per underlying assets' value of the fund.

b) Conventional business

Individual life conventional business

Individual life conventional contracts are mainly protection policies sold to a wide cross-section of population with different income levels. The risk underwritten is mainly death and sometimes critical illness. This business is written through direct sales force.

ii) Group life business

Group life contracts are mainly issued to employers to insure their commitments to their employees as required under The West Pakistan Industrial and Commercial Employment (Standing Orders) Ordinance, 1968. The Company also writes business for consumer banking related schemes and micro-insurance schemes. The risk underwritten is mainly death and sometimes disability. This business is written through direct sales force and bancassurance.

c) Accident & health business

Individual accident & health business

Individual accident and health contracts are mainly protection policies sold to a wide cross-section of population with different income levels. The risk underwritten is medical expenses related to out patient services and hospitalisation. This business is written through direct sales force.

ii) Group health business

Group health contracts are mainly issued to employers to insure their commitments to their employees. The Company also writes business for micro-insurance schemes. The risk underwritten is medical expenses related to out patient services and hospitalisation. This business is written through direct sales force.

d) Overseas group life and health business

The Company has issued group life and health policies to a policyholder based in Afghanistan. The risk underwritten under life policy is mainly death and sometimes disability while the risk underwritten under health policy is medical expenses related to hospitalisation and out-patient.

Family Takaful Contracts

The Company offers Family Takaful Contracts. Family Takaful Contract is an arrangement which rests on key Shariah principles of mutual cooperation, solidarity and well being of a community, and is based on the principles of Wakala Wagf Model. Under a Takaful arrangement, individuals come together and contribute towards the common objective of protecting each other against financial losses by sharing the risk on the basis of mutual assistance.

The obligation of Wagf for Wagf participants' liabilities is limited to the amount available in the Wagf fund. In case there is a deficit in the Waqf Fund, the Window Takaful Operator shall grant an interest free loan (Qard-e-Hasna) to make good the deficit. The loan shall be repayable from the future surpluses generated in the Waqf Fund, without any excess of the actual amount given to it. Repayment of Qard-e-Hasna shall receive priority over surplus distribution to Participants from the Waqf Fund. The detailed disclosures of window takaful operations are presented in note 45.

Individual Family Takaful Contracts Unit - Linked

The Company offers Unit Linked Takaful Plans which provide Shariah Compliant financial protection and investment vehicle to individual participants. These plans carry cash value and offer investment choices to the participants to direct their investment related contributions based on their risk / return objectives. The investment risk is borne by the participants.

ii) Group Family Takaful

The Group Family Takaful contracts are issued typically on yearly renewable term basis. The Company offers group term life and group credit plans to its participants.

iii) Accident & Health Family Takaful

The Accident & Health Family Takaful contracts are mainly issued to employers to insure their commitments to employees. The Company offers medical expenses related to out patient services and hospitalisation to its participants.

3.5 Recognition of Policyholders' liabilities / Technical Reserves

a) Individual life unit linked

Policyholders' liabilities constitute the fund value of unit linked contracts as well as non-unit reserves of these linked contracts. Non-linked reserves constitute liability kept to account for risks such as death, disability, critical illness, etc. Incurred But Not Reported (IBNR) claims and non-linked riders (Accidental Death and Disability, Waiver of Premium, etc.).

Reserves for risks such as death, disability, etc. are kept on the basis of risk charges deducted for these risks.

Incurred But Not Reported (IBNR) claims

For IBNR, the Company uses statistical methods to incorporate assumptions made in order to estimate the ultimate cost of claims. The claims experience for this line of business has not developed sufficiently to attach full credibility to the experience. Hence, IBNR reserves are being kept as a percentage of risk charges. A lag study has been conducted at various points of time to attach greater credibility to the experience in order to determine the amount of IBNR claims.

The method involves the analysis of historical claims and the lags are estimated based on this historical pattern. Actual IBNR claims experience at various points of time is compared to the IBNR reserves kept at these time periods, to determine the adequacy of IBNR reserves. This validates the factor that is applied to risk charges in order to arrive at IBNR reserves. Adequate margins are also built-in to compensate for any adverse deviations in claims experience. In view of grossly insufficient claims experience, IBNR reserves for non-linked riders have been held in proportion to the premium earned in the valuation year.

Unearned premium and premium deficiency reserve

Unearned premium reserve is not applicable to main policies. The rider premium proportionate to the unexpired duration of the period for which the respective premiums have been received are held as unearned premium reserves. Liabilities for claims in course of payment for Family Income Benefit rider and Waiver of Premium rider are held in accordance with the advice of the appointed actuary.

The Premium Deficiency Reserve (PDR) is not applicable to these polices. For riders, there is no need to hold a PDR since these maintain very reasonable claim ratios.

b) Conventional business

Individual life conventional

Policyholders' liabilities constitute the reserves for base plans, riders attached to the base plans and reserves for IBNR claims.

For base plans, policyholders' liabilities are determined as per the minimum criteria given in Insurance Rules, 2017. Discount rate used in this calculation is 3.75% and the mortality rates assumed are those according to EFU (61-66) table. For critical illness policies, the future incidence of critical illness is according to a percentage of reinsurer's risk premium rates for this coverage.

- Incurred But Not Reported (IBNR) claims
- IBNR reserves for riders are held as a percentage of rider premium earned in the valuation year in view of grossly insufficient claims experience.

- Unearned premium and premium deficiency reserve
- Unearned Premium Reserves (UPR) methodology is applied to rider premium to arrive at riders' reserves. The rider premium proportionate to the unexpired duration of the period for which the respective premiums have been received are held as unearned premium reserves.
- Tests are conducted periodically on the basis of gross premium valuation to confirm the adequacy of reserves kept on modified net premium basis. For riders, there is no requirement to hold premium deficiency reserves since these maintain very reasonable claims ratios.

Group life business

Policyholders' liabilities comprise of Unearned Premium Reserves (UPR), reserves for Incurred But Not Reported (IBNR) claims and pay-continuation reserves.

Incurred But Not Reported (IBNR) claims

For purposes of estimation, the business has been split into two categories, namely, normal and other than normal schemes (including consumer banking schemes and micro-insurance). IBNR reserves are calculated on separate basis for these two categories. IBNR is based upon reported claims for normal schemes and on earned premium for other than normal schemes due to lack of fully credible experience. For IBNR reserves based on reported claims, the Company uses the chain-ladder method (a statistical technique) to estimate the ultimate cost of claims.

Unearned premium and premium deficiency reserve

Gross premium proportionate to the unexpired duration of the period for which the respective premiums have been billed are held as unearned premium reserves.

The unearned premium reserve can deem to become insufficient if either there is gross deterioration in mortality, there is an occurrence of a catastrophic event, or there is a reduction in asset value on potential encashment of assets. No requirement for holding premium deficiency reserve was found since the Company has a good combined ratio and it is unlikely that there will be a sudden, significant worsening of mortality due to good dispersion of risk across various geographical and income stratas. Also, the Company holds a catastrophe reinsurance cover which reduces its exposure to large number of claims arising from any one incident.

Liabilities for claims in course of payment (pay continuation reserves) are held in accordance with the advice of the appointed actuary.

Accident & health business

Policy holder liability comprises of Unearned Premium Reserves (UPR) and reserves for Incurred But Not Reported (IBNR) claims.

Incurred But Not Reported (IBNR) claims

For purposes of estimation, the business has been split into two categories, namely, non-micro non-outpatient and other (includes non-micro-insurance schemes' outpatient components and micro-insurance schemes). IBNR reserve is calculated on separate basis for these two categories. IBNR is based upon reported claims for the non-micro-insurance non-outpatient category and on earned premium for the other category due to lack of fully credible experience.

For IBNR reserves based on reported claims, the Company uses the chain-ladder method (a statistical technique) to estimate the ultimate cost of claims.

Unearned premium and premium deficiency reserve

Gross premium proportionate to the unexpired duration of the period for which the respective premiums have been billed are held as unearned premium reserves.

The unearned premium reserve can deem to become insufficient if either there is sudden worsening of morbidity or inflationary increase in claims. No requirement for holding premium deficiency reserve was found at present since the portfolio has a combined ratio of less than 100% and the average claims have been low in spite of overall inflation.

d) Overseas group life and health fund

Policy holder liability comprises of Unearned Premium Reserves (UPR) and reserves for Incurred But Not Reported (IBNR) claims.

Incurred But Not Reported (IBNR) claims

This reserve has been set as Nil as at the valuation date in view of the reinsurance arrangements in place.

Unearned premium and premium deficiency reserve

Gross premium proportionate to the unexpired duration of the period for which the respective premiums have been billed are held as unearned premium reserves.

The unearned premium reserve can deem to become insufficient if either there is gross deterioration in mortality, sudden worsening of morbidity, occurrence of a catastrophic event, reduction in asset value on potential encashment of assets or inflationary increase in claims. No requirement for holding premium deficiency reserve was found at present since the portfolio has a good combined ratio and the average claims have been low in spite of overall inflation.

e) Reserve for claims - Incurred but not reported (IBNR) - Takaful Contracts

The liability for claims - IBNR, is determined by the Appointed Actuary and is included in the technical reserves. The IBNR is expressed on the basis of past claims reporting pattern as a percentage of earned contribution.

f) Reserve for unearned contribution - Takaful Contracts

The unearned portion of gross contribution, net off wakala fee, is set aside as a reserve and included in the technical reserves. Such reserve is calculated as a portion of the gross contribution of each policy, determined according to the ratio of the unexpired period of the policy and the total period, both measured to the nearest day.

g) Contribution Deficiency Reserve - Takaful Contracts

The Company maintains a provision in respect of contribution deficiency for the class of business where the unearned contribution reserve is not adequate to meet the expected future liability, after retakaful claims and other supplementary expenses expected to be incurred after the balance sheet date in respect of the unexpired policies in that class of business at the balance sheet date. Provision for contribution deficiency reserve is made as per the advice of the appointed actuary.

h) Technical Reserves

Technical reserves are stated at a value determined by the appointed actuary through an actuarial valuation carried out as at each balance sheet date, in accordance with Section 50 of the Insurance Ordinance, 2000.

3.6 Reinsurance / Retakaful contracts held

3.6.1 Conventional

Reinsurance premiums

Reinsurance premium is recognised at the same time when the premium income is recognised. It is measured in line with the terms and conditions of the reinsurance treaties.

Claim recoveries

Claim recoveries from reinsurers are recognised at the same time as the claims are intimated in line with the terms and conditions of the reinsurance arrangements.

Experience refund of premium

Experience refund receivable from reinsurers is included in the reinsurance recoveries of claims.

Individual life unit linked and conventional policies are reinsured under an individual life reinsurance agreement whereas group life policies are reinsured under a group life reinsurance agreement.

All receivables (reinsurer's share in claims, inward commission and experience refund) and payables (reinsurance premium) under reinsurance agreements are recognised net in the Company's financial statements, under the circumstances only that there is a clear legal right of off-set of the amounts. Furthermore, credit is taken on account of reinsurer's share in policyholders' liabilities as advised by the appointed actuary.

3.6.2 Takaful

Retakaful Contribution

These contracts are entered into by the Company with the retakaful operator under which the retakaful operator cedes the Takaful risk assumed during normal course of its business, and according to which the Wagf is compensated for losses on contracts issued by it.

Retakaful contribution is recorded at the time the retakaful is ceded.

Retakaful liabilities represent balances due to retakaful companies. Amounts payable are calculated in a manner consistent with the associated retakaful treaties.

Retakaful Expenses

Retakaful expenses are recognized as a liability.

Retakaful assets represent balances due from retakaful operator. Recoverable amounts are estimated in a manner consistent with the associated retakaful treaties.

Retakaful assets are not offset against related Retakaful liabilities. Income or expenses from retakaful contract are not offset against expenses or income from related Retakaful contracts as required by the Insurance Ordinance, 2000. Retakaful assets and liabilities are derecognized when the contractual rights are extinguished or expired.

3.7 Receivables and payables related to insurance contracts

Receivables and payables are recognised when due. These include amounts due to and from agents and policyholders.

3.8 Operating Segments

Operating segments are reported in a manner consistent with that provided to the chief operating decision-maker. The chief operating decision-maker, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Chief Executive Officer.

The Company has five operating segments for reporting purposes namely; Individual life unit linked, Conventional business, Accident & Health, Overseas Group Life & Health and the Window Takaful Operations. The details of all operating segments are described in note 43 to these financial statements.

The Window Takaful has three primary business segments for reporting purposes - the Individual Family Takaful, Group Family Takaful, and Accident & Health Family Takaful.

- The Individual Family Takaful segment provides family takaful coverage to individuals under unit based policies issued by the PTF.
- The Group Family Takaful segment provides family takaful coverage to members of business enterprises, corporate entities, and common interest groups under Group Family Takaful schemes issued by the PTF.
- The Accident & Health Family Takaful segment provides accident coverage and inpatient / outpatient health coverage to members of business enterprises and corporate entities under Accident & Health Family Takaful schemes issued by the PTF.

3.9 Cash and cash equivalents

For the purpose of cash flow statement, cash and cash equivalents include the following:

- Cash at bank in current and saving accounts
- Cash and stamps in hand
- Term deposits receipts with original maturity upto three months
- Certificate of Islamic Investment with original maturity upto three months

3.10 Revenue recognition

3.10.1 Premiums

First year, renewal and single premium are recognised once resulted policies are issued / renewed against receipt and realisation of premium except for Group life, Accident & Health and Overseas group life and health business.

Premium for group life, accident & health and overseas group life and health business are recognised as and when due. The Company continues to provide the cover even if the premium is received after the grace period.

3.10.2 Contributions

i) Individual Life Family Takaful

First year, renewal and single contributions are recognized once the related policies are issued / renewed against receipt of contribution.

ii) Group Family Takaful

Group Family contributions are recognized as and when due. In respect of these policies, the Company will continue to provide cover even if the contribution is received after grace period.

ii) Accident & Health Family Takaful

Accident & Health Family Takaful contributions are recognized as and when due. In respect of these policies, the Company will continue to provide cover even if the contribution is received after grace period.

3.10.3 Reinsurance commission

Commission from reinsurers is recognized as revenue in accordance with the pattern of recognition of the reinsurance premium to which it relates. Commission, if any, under the terms of reinsurance arrangements is recognised when the Company's right to receive the same is established.

3.10.4 Experience refund of premium

Experience refund of premium payable to policyholders except for individual life unit linked is included in insurance liabilities.

3.10.5 Other revenue recognition

Mark-up / Interest

- Mark-up / interest income on bank deposits and government securities is recognised on time proportion basis, using effective yield method.
- Interest / mark-up on fixed income securities is recognised on time proportion basis using effective yield method.

Dividends

Dividend income is recognised when Company's right to receive dividend is established.

3.11 Investments

Classification

The Company has classified its investment portfolio except for investment in associate into 'held-to-maturity', 'held for trading', 'at fair value through profit or loss', and 'available-for-sale' categories as follows:

- Held-to-maturity These are securities with fixed or determinable payments and fixed maturity that are held with the intention and ability to hold till maturity.
- Held for trading This category represents investment acquired principally for the purpose of selling or repurchasing in the near term. The Company does not hold any portfolio which is held for trading.
- At fair value through profit or loss this category relates to all investments of unit linked funds of the Individual Life Unit Linked and Individual Family Takaful Fund which have been reclassified by the Company under this category, to eliminate the accounting mismatch arising from the measurement of assets and liabilities.
- Available-for-sale These are investments that do not fall under the Held-to-maturity, Held-for-Trading, and At fair value through profit or loss categories.

Initial recognition

All investments are initially recognised at cost, being the fair value of the consideration given, including transaction costs associated with the investments, except for held for trading investments and at Fair Value through Profit or Loss categories, wherein the transaction costs are charged to the profit and loss account.

All regular way purchases / sales of investment are recognised on the trade date, i.e., the date the Company commits to purchase / sell the investments. Regular way purchases or sales of investment require delivery of securities within the time frame generally established by regulation or convention in the market place.

Subsequent measurement

Investments classified as held-to-maturity are subsequently measured at amortised cost, taking into account any discount or premium on acquisition, using the effective interest rate method.

Investments classified as 'at fair value through profit or loss' are subsequently measured at their market values, with any gain or loss being recorded in the Profit and Loss Account.

Investments classified as 'available-for-sale' are subsequently measured at their market values, with any gain or loss recorded in the Statement of Comprehensive Income. Cumulative gains and losses on mark to market of available-for-sale investments are reclassified to profit and loss account on disposal of investments. When the decline in value of an equity security is significant or prolonged, the cumulative loss (measured as the difference between the acquisition cost and current fair value, less any impairment loss on that financial asset previously recognised in the profit and loss account) that had been recognised in other comprehensive income shall be reclassified from equity to the profit and loss account even though the financial asset has not been derecognised.

Investment in an associate - equity method

Associates are those entities in which the company has significant influence, but does not have control, over the financial and operating policies. These financial statements include the company's share of total recognized gains and losses of associates on the equity accounting basis, from the date significant influence commences until the date that significant influence ceases. When the company's share of losses exceeds its interest in an associate, the investment's carrying amount is reduced to nil and recognition of further losses is discontinued except to the extent that the company has incurred legal or constructive obligation.

Fair / market value measurements

For investments in Government securities, fair / market value is determined by reference to quotations obtained from Reuters page (PKRV) / (PKISRV) where applicable. For investments in quoted marketable securities, other than Term Finance Certificates / Corporate Sukuks, fair / market value is determined by reference to Stock Exchange quoted market price at the close of business on balance sheet date. The fair market value of Term Finance Certificates / Corporate Sukuks is as per the rates issued by the Mutual Funds Association of Pakistan (MUFAP).

3.12 Reclassification of Available-for-sale portfolio of unit linked funds

The investment portfolios of the unit linked funds of the Individual Life Unit Linked Fund and the Individual Family Takaful Fund were earlier classified by the Company under the "Available-for-sale" (AFS) category. As per the requirements of International Accounting Standard IAS-39 "Financial Instruments - Recognition and Measurement" which was revised effective from January 1, 2005, the option of taking the revaluation gains / (losses) on the available-for-sale securities to income / revenue account was deleted and all such gains / (losses) were to be taken directly into the Other Comprehensive Income Statement. However, the Securities and Exchange Commission of Pakistan (SECP) through the Insurance Rules, 2002, now repealed through the Insurance Rules, 2017, had prescribed the format of presentation and disclosure of financial statements, according to which the Statutory Funds had no equity accounts and resultantly, the valuation gains / (losses) on the AFS portfolios were recorded in the Revenue Account, through Statement of Investment Income of the Statutory Funds.

However, following the implementation of the Insurance Accounting Regulations, 2017, Regulation 11 requires that investments in statutory funds shall be classified in accordance with the requirements of the IFRS, ensuring that there is no accounting mismatch arising as a result of inconsistency in valuation of investments and liabilities of the statutory funds. Hence, the investment portfolio of the unit linked funds of the Individual Life Unit Linked Fund and the Individual Family Takaful Fund classified under the AFS category has been reclassified as fair value through profit or loss to avoid inconsistency in value of investments and liabilities of these businesses.

3.13 Off-setting of financial assets and financial liabilities

Financial assets and liabilities are offset and the net amount is reported in the financial statements only when there is a legally enforceable right to set-off the recognised amount and the Company intends either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

3.14 Provisions

Provisions are recognised when the Company has a legal or constructive obligation as a result of a past event, and it is probable that outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation.

3.15 Taxation

Income tax expense comprises current and deferred tax. Income tax expense is recognised in the profit and loss account, except to the extent that it relates to the items recognised directly in equity or other comprehensive income, in which case it is recognised in equity or other comprehensive income.

Current

Provision for current taxation is based on taxable income for the year determined in accordance with the prevailing laws for taxation on income. Charge for the current tax includes adjustments, where considered necessary, relating to prior years.

Deferred

Deferred tax is recognised using the balance sheet liability method on all temporary differences arising between the carrying amounts of assets and liabilities for financial reporting purposes and amounts used for taxation purposes. The amount of deferred tax provided is based on the expected manner of realisation or settlement of the carrying amounts of assets and liabilities using the tax rates enacted or substantively enacted at the balance sheet date. A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available and the credits can be utilised. Deferred tax asset is reduced to the extent that it is no longer probable that the related tax benefits will be realised.

Staff retirement benefits 3.16

3.16.1 Defined benefit plan

The Company operates an approved funded gratuity scheme for all permanent employees who have completed minimum qualifying eligible service of 5 years. Contribution to the fund is made and expense is recognised on the basis of actuarial valuation carried out as at each year end using the projected unit credit method.

The measurement differences representing actuarial gains and losses, the difference between actual investment returns and the return implied by the net interest cost / income are recognised immediately with a charge or credit to Other Comprehensive Income (OCI).

3.16.2 Defined contribution plan

The Company operates an approved contributory provident fund for all its permanent employees. Equal monthly contributions are made by both the Company and the employees to the fund at the rate of 10% of basic salary. Contributions made by the Company are recognised as expense.

3.16.3 Accumulated compensated absences

The Company makes provision in the financial statements for its liabilities towards vested and non vested compensated absences accumulated by its employees on the basis of anticipated utilisation of such leaves based on past trends.

3.17 Impairment of Assets

The carrying amount of assets are reviewed at each balance sheet date to determine whether there is any indication of impairment of any asset or group of assets. If such indication exists, the recoverable amount of the asset is estimated. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. Impairment losses are recognised in profit and loss account.

3.18 Others

3.18.1 Acquisition cost

These are costs incurred in acquiring insurance policies / takaful contracts, maintaining such policies / takaful contracts, and include without limitation, all forms of remuneration paid to insurance / takaful agents.

Commission and other expenses are recognised as expense in the earlier of the financial year in which they are paid and financial year in which they become due and payable, except that commission and other expenses which are directly referable to the acquisition or renewal of specific contracts are recognised not later than the period in which the premium to which they refer is recognised as revenue.

3.18.2 Claim expenses

Claim expenses are recognised on the date the insured event is intimated except for individual life unit linked where claim expenses are recognised earlier of the date the policy cease to participate in the earnings of the fund and the date insured event is intimated.

Surrenders of individual life unit linked are recognised after these have been approved in accordance with the Company's policy.

Liability for outstanding claims is recognised in respect of all claims intimated up to the balance sheet date. Claims liability includes amounts in relation to unpaid reported claims.

Liability for claims "Incurred But Not Reported" (IBNR) is included in policyholders' liabilities.

3.18.3 Statutory funds

The Company maintains statutory funds in respect of each class of life insurance business. Assets, liabilities, revenues and expenses of the Company are referable to respective statutory funds, however, where these are not referable to statutory funds, these are allocated to the shareholders' fund.

Apportionment of assets, liabilities, revenues and expenses, wherever required, between funds are made on a fair and equitable basis in accordance with the written advice of the appointed actuary.

3.18.4 Takaful Operator's Fee

The shareholders of the Company manage the Window Takaful operations for the participants. Accordingly, the Company is entitled to Takaful Operator's Fee for the management of Window Takaful Operations under the Waqf Fund, to meet its general and administrative expenses. The Takaful Operator's fee, termed Wakala Fee, is recognised upfront.

3.18.5 Foreign currencies

Monetary assets and liabilities in foreign currencies are translated at the rates of exchange prevailing at the balance sheet date. Foreign currency transactions are recorded using the rates of exchange prevailing at the date of transaction. Exchange gains and losses on translation are included in profit and loss account.

The assets and liabilities of foreign operations are translated into Pakistani rupees at exchange rates prevailing at the reporting date. The income and expense of foreign operations (associate) are translated at average rate of exchange for the year. Translation gains and losses arising on the translation of net investment in foreign associate are now recognised in Other Comprehensive Income under "Exchange Translation Reserve". The accumulated translation gains recognised in other comprehensive income are transferred to profit and loss account on disposal of investment.

3.18.6 Financial assets and liabilities

All financial assets and liabilities are initially measured at fair value. These financial assets and liabilities are subsequently measured at fair / market value or amortised cost as the case may be.

3.18.7 Borrowings

Borrowings are recognized initially at fair value, net of transaction costs incurred. Borrowings are subsequently carried at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised in the profit and loss account over the period of the borrowings using the effective interest method.

3.18.8 Derivative Financial Instruments

Derivatives that do not qualify for hedge accounting are recognized in the statement of financial position at estimated fair value with corresponding effect in the profit and loss account. Derivative financial instruments are carried as assets when fair value is positive, and as liabilities when fair value is negative.

3.18.9 Dividend and appropriation to reserves

Dividend and appropriation to reserves except appropriations required by the law are recognised in the year in which these are approved.

ACCOUNTING ESTIMATES AND JUDGMENTS

The Company makes estimates and assumptions that affect the reported amounts of assets and liabilities within the next financial year. Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Estimates relating to insurance contracts are based on the advice of the appointed actuary. Some of the critical accounting estimates and judgments are as follows:

Policyholders' liabilities / technical reserves 4.1

Valuation discount rate 4.1.1

The valuation of policyholders' liabilities has been based on a discount rate of 3.75%, which is in line with the requirements under the repealed Insurance Act, 1938 and is considerably lower than the actual investment return the Company is managing on its conventional portfolio. The difference each year between the above and the actual investment return is intended to be available to the Company for meeting administration expenses and provide margins for adverse deviation.

4.1.2 Mortality assumption

For the purpose of valuing the insurance contracts, the mortality assumption used is based on EFU (61-66) table. This table is constructed on the basis of EFU (61-66) table, adjusted to reflect the mortality expectation in Pakistan. In the opinion of appointed actuary the adjusted table gives the closest match to the underlying mortality of the covered population. SECP vide its circular 17/2013 dated September 13, 2013 has stipulated that SLIC (2001 - 05) Individual Life Ultimate Mortality Table published by Pakistan Society of Actuaries (PSOA) be used as the minimum valuation basis prescribed under SECP's notification S.R.O 16(1)/2012. However, existing valuation basis is considered to be more prudent than the minimum.

4.1.3 Claims

The calculation of Incurred But Not Reported Claims Reserve for both Group Life under Conventional Business and Accident and Health lines has been based on the assumption that the claims lag pattern would follow the trend experienced over the past 3 years.

The reserving basis has been formulated on the recent claims lag pattern and experience of the Company for each line of business separately. Appropriate margins have been added to ensure that the reserve set aside is resilient to changes in the experience.

4.1.4 Surrenders

For the purpose of valuation of conventional business, no provision has been made for lapses and surrenders. This gives prudence to the value placed on the liability by not taking any credits for the profits made on surrenders.

4.2 Income taxes

In making the estimates for income taxes currently payable by the Company, the management looks at the current income tax law and the decisions of appellate authorities on disputed issues in the past.

4.3 Impairment in respect of listed securities

The Company determines that listed available-for-sale securities are impaired when there has been a significant or prolonged decline in fair value below its cost. In making this judgment, the Company evaluates, among other factors, volatility in the share prices in normal course. In addition, impairment may be appropriate when there is evidence of deterioration in financial health of the investee, industry or sector performance.

CHANGE IN ACCOUNTING POLICY - ADOPTION OF INSURANCE ACCOUNTING REGULATIONS, 2017

The changes in accounting policies have been applied retrospectively. The effect of the significant changes in accounting policies on the current and prior period financial statements are summarized below:

Impact on Statement of Financial Position		2017
impact on Statement of Financial Position	(Rupee	s in '000)
(Decrease) / increase in Investments	(51,827)	69,519
Increase in deferred tax liability	1,083,114	1,067,131
Increase in Equity - Ledger Account D balance	3,152,755	2,500,955
Impact on Profit and Loss Account		
Increase in Profit before tax	631,402	965,134
(Decrease) / increase on current taxation	(20,398)	289,540
Increase in profit after tax	651,800	675,594
(Decrease) in Other Comprehensive Income	(17,097)	(542,953)
Increase in EPS - Rupees per share	8.22	8.52

- 5.1 As explained in note 3.2, under the Insurance Accounting Regulations, 2017, the concept of Statutory Fund has been done away with for the purpose of published financial statements and accordingly, full surplus arising on the insurance business is taken to the profit and loss account. There is no change however, in the Fourth Schedule to Income Tax Ordinance, 2001 (ITO, 2001), and accordingly, the amount subject to tax will be restricted to surplus appropriated to shareholders fund from ledger account 'D' as recommended by the appointed actuary. As advised by the Securities and Exchange Commission of Pakistan, vide letter no. ID/PRDD/IAP/2018/17030 dated November 2, 2018, the Company has made a provision for deferred taxation on the retained surplus in the statutory funds, including solvency margins, as required under IAS 12 - Income Taxes.
- 5.2 There is a reversal of deferred tax in 2018 due to reduction in tax rate for current and future years. The corporate tax rates according to First Schedule to the Income Tax Ordinance, 2001 notified by Finance Act, 2018 are scheduled to reduced by 1% each year to reach 25% for tax year 2023 and onwards. Super Tax enacted for rehabilitation of IDPs u/s 4B of the ITO, 2001 would also be reduce to NIL by that time.

7.2 The intangible assets include items costing Rs.169.46 million (2017: Rs. 55.151 million) which are fully amortised as of December 31, 2018 but are still in active use.

8 **INVESTMENT IN AN ASSOCIATE**

Particulars of investment in an associate - unquoted 8.1

Name of associate	2018	2017	Face value	Percentage	Main area	Nature of	2018	2017
	Number of shares		per share	of holding	of Operations	Activities	(Rupees in '000)	
Jubilee Kyrgyzstan Insurance Company - CJSC			(KGS)					
(Incorporated outside Pakistan)	29,250,000	29,250,000	1	19.5	Kyrgyzstan	Insurance	129,502	97,627

In 2014, the Company invested Rs. 43.88 million to acquire a 19.5% holding in Jubilee Kyrgyzstan Insurance Company (JKIC), a Closed Joint Stock Company (CJSC), incorporated in the Republic of Kyrgyzstan. In 2016, the Company made additional investment of Rs. 29.187 million to subscribe to 19,143,309 right shares after obtaining necessary approvals from the members of the Company, and the State Bank of Pakistan. The total holding of the Company, in terms of no. of shares of JKIC, is 29.25 million shares.

JKIC is considered as an associate because of the significant influence the Company is able to exercise over its management and its financial and operating policies. Significant influence is evidenced largely through the representation on the board of directors of the company and participation in the decisions over its financial and operating policies.

8.2 Movement of investment in associate

UNCLAIMED INSURANCE BENEFIT 20

Circular 11 of 2014 dated May 19, 2014 issued by the Securities and Exchange Commission of Pakistan (SECP) has established requirement for all insurers to disclose age wise break up of unclaimed insurance benefits in accordance with format prescribed in the annexure to the said circular.

The unclaimed benefits are described in the circular as the amounts which have become payable in accordance with the terms and conditions of an insurance policy but have not been claimed by the policyholders or their beneficiaries. Such unclaimed amounts may fall into the following categories:

Unclaimed maturity benefi	ts
Unclaimed death benefits	
Unclaimed disability benef	its
Claims not encashed	
Other unclaimed benefits

RETIREMENT BENEFIT OBLIGATIONS 21

As stated in note 3.16, the Company operates an approved funded gratuity scheme for all permanent employees who have completed minimum qualifying eligible service of 5 years.

Plan assets held in trust are governed by local regulations which mainly include Trust Act, 1882; the Companies Act, 2017, Income Tax Rules, 2002 and Rules under the Trust Deed of the plan. Responsibility for governance of the plans, including investment decisions and contribution schedules, lies with the Board of Trustees. The Company appoints the trustees and all trustees are employees of the Company.

The latest actuarial valuation of the scheme as at December 31, 2018 was carried out using the Projected Unit Credit Method. The results of actuarial valuation are as follows:

Balance Sheet Reconciliation

Fair value of plan assets Present value of defined benefit obligations Recognized asset / (liability)

•		
2018	2017	
(Rupees in '000)		
436,424 (437,266)	350,720 (380,127)

	Change in assumption	Increase in assumption	Decrease in assumption	
		····· (Rupees i	n '000)	
Discount rate at December 31	1%	(396,743)	484,280	
Future salary increases	1%	484,532	(395,802)	

If longevity increases by 1 year, the resultant increase in obligation is insignificant.

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the gratuity liability recognised within the statement of financial position.

The expected return on plan assets was determined by considering the expected returns available on the assets underlying the current investment policy. Expected yields on fixed interest investments are based on gross redemption yields as at the balance sheet date.

The actuary conducts valuations for calculating contribution rates and the Company contributes to the fund according to the actuary's advice. Expense of the defined benefit plan is calculated by the actuary.

21.1 Defined Contribution Plan

The Company's contributions towards the provident fund for the year ended December 31, 2018 amounted to Rs. 61.96 million (2017: Rs. 53.02 million).

22	BORROWINGS	Note	2018	2017
			(Rupee	s in '000)

	Non-current portion		1.375.000	1.500.000

22.1 In 2017, the Company obtained a long term finance from Habib Bank Limited (HBL), a related party, against a Term Finance Agreement on mark-up basis, to finance the acquisition of immovable property for the purpose of construction of the Company's Head Office building thereon. The Term Finance agreement is for a period of 8 years maturing on May 9, 2025, with a 2 years' grace period for repayment of principal, payable in 12 equal semi-annual instalments commencing after the expiry of grace period. The first instalment is due on November 11, 2019. The Term Finance carries mark-up at the rate of 3 Months KIBOR + 0.9% and is payable quarterly from the effective date of the drawdown, i.e. May 11, 2017. The facility is secured by way of first equitable mortgage in favour of HBL, by deposit of title deeds in respect of the property in favour of the Bank, up to the amount of Rs.2,000 million. The Company has also executed an interest rate swap with HBL, to hedge the Company's PKR floating rate liability on the notional amount of Rs.1,500 million.

26 **CONTINGENCIES AND COMMITMENTS**

26.1 Income tax assessments

In 2017, the tax authorities passed assessment orders u/s 122(5A) of the Income Tax Ordinance, 2001 (the Ordinance) for the Tax Years 2011, 2012, 2013, 2014, 2015 and 2016, raising tax demands of Rs. 2 million, Rs. 39 million, Rs. 27 million, Rs. 108.72 million, Rs. 112.74 million, and Rs. 79.8 million respectively. The main issue in all the above years, largely creating such demand, was taxing the dividend income at corporate tax rates on account of one basket income rule. It is pertinent to mention that by virtue of an amendment through the Finance Act, 2016, Rule 6B of the Fourth Schedule to the Income Tax Ordinance, 2001, was amended, whereby in determining the income under the Fourth Schedule, dividend income and capital gains in the profit and loss account of the insurer have been made taxable at the corporate tax rates. The subsequent amendment in the law substantiated the Company's contention that prior to July 1, 2016, these heads of income were taxable at the lower rates prescribed for them. In addition, the Additional Commissioner Inland Revenue (ACIR) also made certain arbitrary add backs to income on account of difference between assumed market value of motor vehicles and the sale value recovered from employees in respect of motor vehicles sold to them under the Company car policy, disallowances of provision for doubtful debts in the Statutory Funds, disallowance of provision for impairment in investments held by the Statutory Funds and write off of certain uncollectible receivables in the Statutory Funds, erred in the non-adjustment of determined refund of TY 2004 & TY 2013 against the tax liability of TY 2015 and 2016 respectively, and other such arbitrary add backs / disallowances, including disallowance of money ceded to Wagf Fund upon the launch of Window Takaful Operations in TY 2016. The Company filed an appeal with the Commissioner Inland Revenue - Appeals (CIRA) against all the above add backs / disallowances, and also obtained stay against the demands for TY 2014 through TY 2016 from the Hon'ble Sindh High Court, and by payment of 25% of the demand for the TY 2011 to 2013.

The CIRA has passed orders for all the above tax years from 2011 to 2016. The decisions on the main issue of dividend income were in favour of the Company and Tax department has challenged the same in the Appellate Tribunal Inland Revenue (ATIR). Some of the other issues were remanded back by the CIR Appeals for re-examination. CIRA has remanded back for re-examination the issue of unrealized loss on investments, fair market value of vehicles sold to employees under the Company car policy, provision of doubtful debts and disallowing the adjustment of determined refund. CIRA decided in favour of the Tax authorities, the disallowances of write off of certain uncollectible receivable in the Statutory Funds. Company has filed appeal in the Appellate Tribunal Inland Revenue (ATIR) on the decisions in favour of Tax department. The Additional Commissioner Inland Revenue (ADCIR) has passed set aside order dated August 30, 2018 in favour of the Company, regarding taxation of dividend income and provision for impairment in values of shares. ADCIR decided in favour of the tax authorities, the disallowance of provision of doubtful debts and fair market value of vehicles sold to employees under the Company car policy. The company has filed appeal on the decisions in favour of tax department.

No provision has been made in these financial statements, as Company is confident that the final outcome will be in its favour.

During the year, the Tax authorities have passed an assessment order u/s 161 of the Ordinance for TY 2015 and 2016, raising a tax demand of Rs. 27.97 million and 16.05 million respectively, on account of alleged non-deduction of withholding tax from certain payments. The company filed appeal before Commissioner Inland Revenue Appeal (CIRA) who have adjudicated in favour of tax department. The alleged non-deductions are disputed and the management has filed appeal for the TY 2015 before the Appellate Tribunal Inland Revenue (ATIR) against aforementioned order which is currently pending adjudication and intend to file appeal in the tribunal for TY 2016. The company has obtained automatic stay against the coercive recovery by virtue of section 140(1) of the Ordinance by paying minimum 10% of the demand.

26.2 Contingent liability - provincial sales tax on life and health insurance

During 2018, the provincial revenue authorities of Sindh and Punjab made a significant change in the provincial sales tax regimes applicable to the insurance industry. In respect of life insurance, the exemption allowed to life insurance in the province of Sindh expired after June 30, 2018, as the Sindh Revenue Board (SRB) did not renew the same, making life insurance subject to Sindh Sales Tax on services (SST) with effect from July 1, 2018. On the other hand, the Punjab Revenue Authority (PRA), withdrew the exemption on both, life and health insurance, with effect from November 1, 2018. In respect of health insurance in the province of Sindh, the exemption to health insurance from the scope and applicability of SST earlier granted by the SRB vide notification no. SRB 3-4/7/2013 dated June 13, 2013, and thereafter renewed on annual basis, had lapsed on July 1, 2016, and remains under discussion with the SRB since thereafter, which was taken up at the collective level of the Insurance Association of Pakistan (IAP) with the SRB through its tax consultants. The SRB, vide notification no. 3-4/3/2017 dated January 12, 2017, had restored the exemption to cover individual health insurance with effect from July 1, 2016, but made corporate health insurance taxable. The renewal of exemption for corporate health insurance has since remained under discussion with the SRB, both, at the collective level of the IAP as well as the Company level. There has been no change in the Balochistan Revenue Authority Act, 2015, wherein sales tax has been imposed on life insurance.

This being a collective issue of the industry, the Insurance Association of Pakistan (IAP) has actively taken up the matter with both the provincial revenue authorities for restoration of the exemptions that lapsed, or, were withdrawn, as applicable. The industry's main contention is that life and health insurance is not a service, but infact, an underwriter's promise to pay to the policyholder in the future, a specified sum of money, either on occurrence of an identified event causing loss, or upon maturity of the policy, as is also clearly defined in the definition of the term "insurance" under the Insurance Ordinance, 2000. On the basis of this definition, "Insurance" is actually a contract of indemnification from loss, dependent on a contingent event, and does not constitute a "service". Such contention of the insurance industry has also been upheld in the superior courts of foreign jurisdiction.

The management of the Company sought a legal opinion from the Company's legal advisors on the alleged applicability of sales tax on life and health insurance. The legal advisors, in their opinion, have expressed the view that an insurance contract is not a service as it is an underwriter's promise to pay to the policyholder in the future, a specified sum of money, either on occurrence of an identified event or upon maturity of the policy. An insurance contract is essentially a financial transaction, which is unrelated to the sale of any identifiable consumer good or service, and as such, in leading jurisdictions, it has been widely held that insurance is not a service, hence, it does not fall within the scope of taxability under the provincial sales tax laws.

The legal advisors have opined that the applicability of sales tax on the provision of life and health insurance would be in contravention of global norms where insurance is held to be not a service, but rather, a financial transaction, and further, any such applicability of tax will greatly inhibit the ability of the Company and the country's other insurance providers to allow for access to life and health insurance as a basic personal right of a citizen to enjoy life according to the law. In other foreign jurisdictions including UK and Malaysia, life and permanent health insurance are either exempt, or, excluded from taxable services.

Based on the above, the legal advisors of the Company have expressed the opinion that there are sufficient grounds available to the Company for filing a Constitutional Petition to challenge the levy of provincial sales tax on life and health insurance, and in their opinion, it is likely that the Court may allow the same accordingly. However, in view of the ongoing discussions with the provincial tax authorities to resolve this matter administratively, the Company has not yet exercised its right to legal recourse, as the management is hopeful of a successful conclusion of discussions with both, the SRB and the PRA.

Subsequent to the year end, on January 2, 2019, the Company received a show cause notice no. SRB.COM - I/AC - 10/JLI/2018/000324 dated December 31, 2018 from the SRB, requiring the Company to show cause as to why SST should not be imposed amounting to Rs. 422.33 million in respect of corporate health insurance pertaining to the period July 1, 2016 to December 31, 2017 as disclosed in its annual audited financial statements for the year ended December 31, 2017. The assessment proceedings for the same are currently in progress, and the Company has sought extensions of time, which have been granted by the SRB from time to time, in view of the ongoing discussions and dialogue. The next hearing is scheduled for April 8, 2019.

In a recent development in respect of SST, the SRB has taken up the matter with the Government of Sindh in the light of representations made by the insurance industry through IAP, and based on discussions held with the SRB, the management understands that the matter will be resolved positively.

Without prejudice to the contention that life and health insurance is not a service, and hence, sales tax on services cannot be applied thereto, even otherwise, the Company's legal advisors have expressed the view that there are two distinct elements forming part of the Gross Written Premium (GWP) charged for a life insurance policy: (i) the amount allocated for investments / savings on behalf of the policy holders and (ii) the difference between the GWP charged and the investment amount allocated. The investment amount is reserved for the policy holder and does not belong to the insurer. Even in other jurisdictions in the region where sales tax has been imposed on life insurance, the applicable laws there clearly provide that the GWP would be reduced by the amount allocated for investment or saving, on behalf of the policy holder, if such amount is intimated to the policy holder. In respect of Individual Life insurance, the Company is engaged in non-participating life insurance business, and offers unit linked products to the customers, where investment component is a significant portion of the gross premium. Thus, even in the otherwise scenario, if at all any provincial sales taxes were to be levied, these cannot be levied on the investment component of the premium. Hence, the basis of valuation of sales tax, if at all any, has also been taken up with both, the SRB and the PRA at the collective level of the IAP, who have taken cognizance of the same for further discussion.

Given the ongoing discussions with the provincial revenue authorities as explained above, the Company and other life / health insurance companies have not vet billed their customers for provincial sales tax on life and health insurance since the lapse / withdrawal of the exemptions on their respective dates as mentioned above. The IAP has also sought the support of the Securities & Exchange Commission of Pakistan (SECP) in this regard, and the SECP has endorsed the insurance industry's requests to the SRB and the PRA to restore the earlier exemptions. The management is hopeful that the recommendations of the SECP will be considered positively.

In view of the legal opinion obtained by the Company, the ongoing administrative efforts with the provincial revenue authorities at the collective level of the IAP as well as the individual level, and the endorsement of the SECP, as the matter is still under the process of review of and discussions with the relevant provincial revenue authorities, including the basis of charging of such tax, if at all, any, and the fact that acknowledging the ongoing discussions, the provincial revenue authorities have not enforced the levy despite lapse of the exemption notifications, the Company considers that it is premature to estimate any amount of liability on account of life insurance, nor has made any provision for provincial sales tax theron in these financial statements. The aggregate contingent sales tax liability on health insurance for all provinces, uptil December 31, 2018 works out to Rs. 738.85 million, however, for reasons cited in the foregoing paragraphs, no provision has been made in these financial statements.

Estimate of ultimate claims costs: At end of accident year One year later Two years later Three years later	748,070 835,271 836,182 837,189 837,189	863,750 958,546 961,358 961,469	1,078,959 1,241,127 1,248,360	1,256,281 1,396,588	1,339,724
Four years later Current estimate of cumulative claims	837,189 (836,134)	961,469 (950,486)	1,248,360 (1,238,872)	1,396,588 (1,367,622)	1,339,724 (1,064,681)
Less: Cumulative payments to date	1,055	10,983	9,488	28,966	275,043
Sum of 2014 to 2018 outstanding claims Claims prior to 2014 Liability recognised in the statement of financial position					325,536 4,701 330,237

- 33.1.3 For Accident and Health business, claims experience over the past 5 years indicates that claims reported after the end of the year in which the claim event occurred were less than 10% threshold therefore, the claim development table for Accident & Health business is not disclosed.
- 33.1.4 In Overseas business, as the policy is issued to a single policy holder group which does not reflects claim development as a whole, nor would it reflect a purposeful analysis, hence the same has not been disclosed.
- 33.1.5 For the Window Takaful Operations launched in July 2015, as there have been only three and a half year of operations therefore, the Company has not yet developed sufficient credible experience to generate claim development table.

ACQUISITION EXPENSES 34

Under section 5A of the Income Tax Ordinance, 2001 (the Ordinance), as per an amendment introduced through the Finance Act, 2018, for tax vear 2019 and onwards, tax u/s 5A of the Ordinance has been revised to 5% of the accounting profit of every public company (excluding a banking company and a modaraba), that derives profits for a tax year but does not distribute at least 20% of its after tax profits within six months of the end of the tax year, through cash dividend.

However, no provision has been made for this tax as the Company intends to distribute sufficient cash dividend for the vear ended December 31, 2018, so that such tax is not required to be paid.

Relationship between tax expense and accounting profit

Profit before tax

Tax at the applicable rate of 29% (2017: 30%)

Tax on dividends under Final Tax Regime

Super Tax @ 2% (2017: 3%)

43.2 The format of the financial statements prescribed under the Insurance Accounting Regulations, 2017 for life insurance companies contains a requirement, where the gross premium revenue of a particular business segment is 10% or more of the gross premium revenue of the Company, for an analysis between the distribution by channels of business, such as individual life distributed through a direct sales force, individual life sold through banks, and other channels. The management of the Company is of the view that disclosure relating to segmental information is already adequately disclosed in terms of segmental results by lines of business, i.e. Statutory Fund wise, further, distribution by channels of business is not really relevant to segmental information and hence, sought the clarification of the Securities and Exchange Commission of Pakistan (SECP), through letter numbers JLICL/F&A/CFO/SECP/2018/533 dated November 27, 2018 and JLICL/F&A/CFO/SECP/2019/109 dated January 7, 2019. The SECP, vide email dated January 29, 2019, has informed the Company that the matter has been referred to the Institute of Chartered Accountants of Pakistan (ICAP) for their opinion thereon. Given that the request for clarification made by the Company is currently under the review and examination of the SECP / ICAP, such disclosure has not currently been made in these financial statements.

WINDOW TAKAFUL OPERATIONS

As explained in note 2, the Securities and Exchange Commission of Pakistan (SECP) vide S.R.O 88(1)/2017 and S.R.O 89(1)/2017 dated February 9, 2017, had issued the Insurance Accounting Regulations, 2017 and Insurance Rules, 2017 (the new Rules and Regulations), which specified the new format for the published financial statements of life insurance companies. The new Rules and Regulations do not specify the presentation of the financial position and the financial performance of the Window Family Takaful Operations, for life insurance companies undertaking this line of business. Under the Takaful Rules, 2012, the form of statements to be prescribed under sections 46(1) and 46(2) of the Insurance Ordinance, 2000 is also currently under active consideration of the SECP and the Institute of Chartered Accountants of Pakistan (ICAP), and the life insurance companies undertaking Window Takaful Operations are currently following an agreed basis on statutory fund wise presentation, adapted in line with the format of financial statements issued by the SECP through the repealed SEC (Insurance) Rules, 2012 vide SRO 938(I)/2002 dated December 12, 2002. The management of the Company sought the guidance of the SECP in this regard, who, through their letter no. ID/OSM/Jubilee Life/2018/17330 dated November 29, 2018, advised the Company that in view of the fact that the matter of reporting of Window Family Takaful Operations of life insurers is currently under the active consideration of the SECP and the ICAP, the Company may follow the industry practice if considered appropriate, till specific guidance is provided by the SECP in this regard. Accordingly, in line with the clarification received from the SECP, the management has decided to follow the currently prevalent industry practice for the presentation of the financial statements of the Window Family Takaful Operations, until specific guidance from the SECP becomes available.

The Statement of financial position of Window Takaful Operations as at December 31, 2018 and its financial performance for the year ended December 31, 2018 are as follows:

MANAGEMENT OF INSURANCE RISK AND FINANCIAL RISK 46

46.1 **Insurance Risk**

46.1.1 Individual life unit linked

The risk underwritten is mainly death and sometimes disability and / or critical illness. The risk of death and disability will vary from region to region. The Company may get exposed to poor risks due to unexpected experience in terms of claim severity or frequency. This can be a result of anti-selection, fraudulent claims, a catastrophe or poor persistency. The Company may also face the risk of poor investment return, inflation of business expenses and liquidity issues on monies invested in the fund. The Company faces the risk of under-pricing particularly due to the fact that these contracts are long term. Additionally, the risk of poor persistency may result in the Company being unable to recover expenses incurred at policy acquisition.

The Company manages these risks through its underwriting, reinsurance, claims handling policy and other related controls. The Company has a well defined medical under-writing policy and avoids selling policies to high risk individuals. This puts a check on anti-selection. Profit testing is conducted on an annual basis to ensure reasonableness of premiums charged. Reinsurance contracts have been purchased by the Company to limit the maximum exposure on any one policyholder. The Company has a good spread of business throughout the country thereby ensuring diversification of geographical risks. To avoid poor persistency the Company applies quality controls on the standard of service provided to policyholders and has placed checks to curb mis-selling and improvement in standard of service provided to the policyholders. For this, a regular branch wise monitoring of lapsation rates is conducted. On the claims handling side, the Company has procedures in place to ensure that payment of any fraudulent claims is avoided. For this, Claims Committee with variable materiality limits review all claims for verification and specific and detailed investigation of all apparently doubtful claims (particularly of high amounts) is conducted. The Company maintains adequate liquidity in each unit fund to cater for potentially sudden and high cash requirement. The Company reserves the right to review the charges deductible under the contracts, thus limiting the risk of under-pricing.

a) Frequency and severity of claims

Concentration of risk is not a factor of concern due to spread of risks across various parts of the country.

However, undue concentration by amounts could have an impact on the severity of benefit payments on a portfolio basis.

The Company charges for mortality risk on a monthly basis for all insurance contracts without a fixed term. It has the right to alter these charges based on its mortality experience and hence minimises its exposure to mortality risk. Delays in implementing increases in charges and market or regulatory restraints over the extent of the increases may reduce its mitigating effect. The Company manages these risks through its underwriting strategy and reinsurance arrangements.

The table below presents the concentration of insured benefits across five bands of insured benefits per individual life assured. The benefit insured figures are shown gross and net of the reinsurance contracts described above. At year-end, none of these insurance contracts had triggered a recovery under the reinsurance held by the Company.

The amounts presented are showing total exposure of the Company including exposure in respect of riders attached to the main policies.

Source of uncertainty in the estimate of future benefits payments and premium receipts

Uncertainty in the estimation of future benefit payments and premium receipts for long-term unit linked insurance contracts arises from the unpredictability of long-term changes in overall levels of mortality and variability in policyholder's behaviour.

Factors impacting future benefit payments and premium receipts are as follows:

- Mortality: The Company assumes the expected mortality at 80% of LIC (94-96) since the current experience for this line of business is not credible.
- Persistency: The Company conducts a periodic analysis on recent and historic experience and persistency is calculated by applying statistical methods. Persistency rates vary by products and more importantly the sales distribution channel. An allowance is then made for any trend in the data to arrive at best estimate of future persistency rates for each sales distribution channel.

c) Process used to decide on assumptions

For long-term unit linked insurance contracts, assumptions are made in two stages. At inception of the contract, the Company determines assumptions on future mortality, persistency, administrative expenses and investment returns. At regular intervals, profit testing is conducted on main policies. Assumptions used for profit testing of the main policies are as follows:

- Mortality: The expected mortality is assumed at 80% of LIC (94-96) since the current experience for this line of business is not credible.
- Persistency: A periodic analysis of the Company's recent and historic experience is performed and persistency is calculated by applying statistical methods. Persistency rates vary by products and more importantly the sales distribution channel. An allowance is then made for any trend in the data to arrive at best estimate of future persistency rates for each sales distribution channel.
- Expense levels and inflation: A periodic study is conducted on the Company's current business expenses and future projections to calculate per policy expenses. Expense inflation is assumed in line with assumed investment return.
- Investment returns: The investment returns are based on the historic performance of the fund.

Changes in assumptions d)

There have been no change in assumptions.

Sensitivity analysis e)

The table below indicates the level of the respective variable that will trigger an adjustment and then indicates the liability adjustment required as a result of a further deterioration in the variable:

	Trigger level	Change in variable	Increase in liability 2018	Increase in liability 2017
			····· (Rupees	in '000)
Worsening of mortality rates for risk policies Worsening of persistency rates for long term individual policies *	300%	10% p.a	148,800	93,419 -
Increase in expense levels and inflation Decrease in investment returns *	206%	10% p.a -	140,100	131,110 -

^{*} Due to sufficient margins, liability adequacy test does not trigger at any value.

The above analysis are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated - for example, change in interest rate and change in market values; and change in lapses and future mortality.

46.1.2 Conventional business

46.1.2.1 Individual life conventional business

The risk underwritten, i.e. the risk of death and critical illness will vary from region to region. The Company may be exposed to the risk of unexpected claim severity or frequency. This can be as a result of anti-selection and fraudulent claims. The Company also faces a risk of under-pricing due to long-term nature of the contract.

The Company manages these risks through its underwriting, reinsurance, claims handling policy and other related controls. The Company has a well defined medical under-writing policy and avoids selling policies to high risk individuals, while critical illness policies are rarely offered with effective screening of pre-existing conditions. This puts a check on anti-selection. Profit testing is conducted on an annual basis to ensure adequacy of premiums charged. Reinsurance contracts have been purchased by the Company to limit the maximum exposure of any policyholder. The Company has a good spread of business throughout the country thereby ensuring diversification of geographical risks. On the claims handling side, the Company ensures that payment of any fraudulent claims is avoided. For this, a claims committee reviews all large claims for verification and conducts detailed investigation of all apparently doubtful claims.

Frequency and severity of claims

The Company measures concentration of risk in terms of exposure by geographical area and by its exposure to catastrophic events. Concentration of risk arising from geographical area is not a factor of concern due to spread of risks across various parts of the country. To mitigate risk accumulation resulting from catastrophic events, the Company maintains a catastrophe excess of loss reinsurance cover which ensures that the Company's liability in respect of catastrophic events remains within reasonable limits.

The table below presents the concentration of insured benefits across five bands of insured benefits per individual life assured. The benefit insured figures are shown gross and net of the reinsurance contracts described above. At year-end, none of these insurance contracts had triggered a recovery under the reinsurance held by the Company.

The amounts presented are showing total exposure of the Company including exposure in respect of riders attached to the main policies.

Sources of uncertainty in the estimation of future benefit payments and premium receipts

Uncertainty in the estimation of future benefit payments and premium receipts for long-term conventional insurance contracts arises from the unpredictability of long-term changes in overall levels of mortality and critical illness incidence rates.

Mortality rates are assumed as EFU (61-66). Critical Illness (CI) incidence rates are taken as a percentage of reinsurer's risk premium rate.

Process used to decide on assumptions

For long-term conventional insurance contracts, the Company determines assumptions on future mortality and morbidity. At regular intervals, tests are conducted on main policies. Assumptions used to profit test the main policies are as follows:

Mortality rates are assumed as EFU (61-66). Critical Illness (CI) incidence rates are taken as a percentage of reinsurer's risk premium rate.

Changes in assumptions

There have been no change in assumptions.

Sensitivity analysis

The overall liability for this business stands at less than 2% of the total policyholder liability held in the fund. Due to its immateriality, sensitivity analysis has not been conducted.

46.1.2.2 Group life

The main risk written by the Company is mortality. The Company may be exposed to the risk of unexpected claim severity or frequency. This can be a result of writing business with higher than expected mortality (such as mining or other hazardous industries), writing high cover amounts without adequate underwriting, difficulty of verification of claims, fraudulent claims or a catastrophe. The Company also faces risk such as that of under-pricing to acquire business in a competitive environment and of non-receipt of premium in due time. There also exists a potential risk of asset liability term mismatch due to liabilities being very short term in nature.

The Company manages these risks through underwriting, reinsurance, effective claims handling and other related controls. The Company has a well defined medical under-writing policy and avoids writing business for groups with overly hazardous exposure. Pricing is done in line with the actual experience of the Company. The premium charged takes into account the actual experience of the client and the nature of mortality exposure the group faces. The rates are certified by the appointed actuary for large groups. The Company also maintains an MIS to track the adequacy of the premium charged. Reinsurance contracts have been purchased by the Company to limit the maximum exposure of any life. The Company also has a catastrophe excess of loss cover with respect to group life. The intent of the cover is to limit the liability of the Company in a single happening that results in multiple claims. At the same time, due caution is applied in writing business in areas of high probability of terrorism. The Company ensures writing business with good geographical spread and tries to maintain a controlled exposure to large groups which generally have poor exposure. Writing business of known hazardous groups is also avoided. On the claims handling side, the Company ensures that payment of any fraudulent claims is avoided. For this, a claims committee reviews all large claims for verification. Strict monitoring is in place at the Board of Directors level in order to keep the outstanding balances of premium at a minimum. especially the ones that are due for more than 90 days. The bulk of the assets held against liabilities of this line of business have a short duration, thus mitigating the risk of asset value deterioration.

Frequency and severity of claims

The Company measures concentration of risk by its exposure to catastrophic events. Concentration of risk arising from geographical area is not a factor of concern due to spread of risks across various parts of the country. To mitigate risk accumulation resulting from catastrophic events, the Company maintains a catastrophe excess of loss reinsurance cover which ensures that the Company's liability in respect of catastrophic events remains within reasonable limits.

The following table presents the concentration of insured benefits across five bands of insured benefits per individual life assured. The benefit insured figures are shown gross and net of the reinsurance contracts described above. At year-end, none of these insurance contracts had triggered a recovery under the reinsurance held by the Company.

The amounts presented are showing total exposure of the Company including exposure in respect of riders attached to the main policies.

b) Sources of uncertainty in the estimation of future benefits payments and premium receipts

Other than conducting a liability adequacy for Unexpired Risk Reserves (URR), there is no need to estimate mortality for future years because of the short duration of the contracts.

Process used to decide on assumptions

An investigation into group's experience over the last ten years was performed, and statistical methods are used to adjust the rates to a best estimate of mortality. For this purpose, the crude rates were adjusted to reflect the slope in mortality as per India's mortality table of LIC (94-96). Where data is sufficient to be statistically credible, the statistics generated by the data is assigned appropriate credibility factors to account for the group's experience.

Changes in assumptions

The valuation as at December 31, 2018 contains changes in reserving basis. The reserving basis has been changed for Employer / Employee Schemes to maintain the adequacy of IBNR within the target range based on claim development factor. Reserving basis has been changed for Depositor / Micro Finance Schemes to maintain the adequacy within the target range based on earned premium. The change in valuation basis has resulted in increase in policyholders' liability by Rs. 10.8 million with corresponding impact on the profit or loss.

Sensitivity analysis

The table below shows the level of respective variation in liabilities for change in each assumption while holding all other assumptions constant.

Variables	Change in variable	Increase in liability 2018	Increase in liability 2017
		(Rupees	in '000)
Worsening of mortality rates for risk policies Increase in reporting lag	+10% p.a +10% p.a	4,568 4,568	3,988 3,988

46.1.2.3 Accident & Health

The main risk written by the Company is morbidity. The Company may be exposed to the risk of unexpected claim severity or frequency. This can be a result of high exposure in a particular geographical area (Micro-Insurance in Northern Areas), medical expense inflation, fraudulent claims and catastrophic event. The Company potentially faces the risk of lack of adequate claims control (such as for very large groups). The Company also faces a risk of under-pricing to acquire business in a competitive environment and of non-receipt of premium in due time.

The Company manages these risks through its underwriting, reinsurance, claims handling policy and other related controls. The Company has a well defined medical under-writing policy and avoids writing business for groups with potentially high health related risk exposure such as Government Schemes. Any pre-existing conditions are screened at this stage. Pricing is done as per actual experience of the Company's portfolio. The premium charged takes into account the actual experience of the client and an MIS is maintained to track the adequacy of the premium charged. The Company has pre-determined charges for certain illnesses with its panel hospitals, and to keep a check on medical inflation, it continues to negotiate these rates. The portfolio has a spread across various geographical regions. On the claims handling side, the Company ensures that payment of any fraudulent claims is avoided. For this, the claims are reviewed and managed by technical staff and doctors while an on-site monitoring and checking is performed. Strict monitoring is in place at the Board of Directors level in order to keep the outstanding balances of premium at a minimum, especially the ones that are due for more than 90 days.

Frequency and severity of claims

Company measures risk accumulation in terms of potentially high exposure concentration in a particular geographical area (such as micro insurance policy in Northern Areas).

The table below presents the concentration of insured benefits across five bands of insured benefits per individual life assured. The benefit insured figures are shown gross and net of the reinsurance contracts described above.

The amounts presented are showing total exposure of the Company including exposure in respect of riders attached to the main policies.

46.1.2.4 Overseas group life and health business

The risk underwritten by the Company is mainly mortality and morbidity. The Company may be exposed to the risk of unexpected claim severity and / or frequency. With regards to mortality, the risk can be a result of writing business with higher than expected mortality (such as terrorism in the region), writing high cover amounts without adequate underwriting, difficulty of verification of claims, fraudulent claims or a catastrophe. As for the morbidity, the risk may stem from higher than assumed medical expenses, fraudulent claims, inadequate claims control or catastrophic events (including terrorism). The Company also faces risk such as that of under-pricing to acquire business in a competitive environment and of non-receipt of premium in due time.

The Company manages these risks through underwriting, reinsurance, effective claims handling and other related controls. As part of its risk management, the Company has in place reinsurance arrangement to fully cover the mortality and morbidity risks underwritten. At the same time, the Company has a well defined medical under-writing policy and avoids writing business for groups with overly hazardous exposure. Pricing is done in line with the actual experience of the Company. The premium charged takes into account the actual experience of the client and the nature of mortality and morbidity exposure the group faces. The rates are certified by the appointed actuary for large groups. The Company also maintains an MIS to track the adequacy of the premium charged. On the claims handling side, the Company ensures that payment of any fraudulent claims is avoided. For this, a claims committee reviews all large claims for verification. Strict monitoring is in place at the Board of Directors level in order to keep the outstanding balances of premium at a minimum, especially the ones that are due for more than 90 days.

As part of the risk management process, the Company has fully reinsured the underwritten risks and hence the primary risk to which the Company may be exposed to is that of reinsurer defaulting on its obligations. Presently as per the requirements of the State Bank of Pakistan, the Company is required to settle all claims under this business from its reinsurance recoveries.

a) Frequency and severity of claims

The Company measures concentration of risk in terms of its exposure to catastrophic events. As the portfolio for this line of business is relatively small, concentration of risk arising from geographical area is a source of concern. To mitigate this risk Company maintains reinsurance which ensures that the Company's liability in respect of concentration of risk remains within reasonable limits.

The following table presents the concentration of insured benefits across five bands of insured benefits per individual life assured. The benefit insured figures are shown gross of the reinsurance contracts described above. Since the Company maintains a 100% reinsurance, benefits insured net of the reinsurance contracts are practically Nil.

The amounts presented are showing total exposure of the Company including exposure in respect of riders attached to the main policies.

Sources of uncertainty in the estimation of future benefit payments and premium receipts

There is no need to estimate mortality and morbidity for future years because of the short duration of the contracts.

Process used to decide on assumptions

An investigation into group's experience is performed periodically and statistical methods are used to adjust the rates to a best estimate of mortality and morbidity. For this purpose, the crude rates for mortality were adjusted to reflect the slope in mortality as per India's mortality table of LIC (94-96) while for morbidity, international experience studies such as HIPE are used. Reinsurance rates provided by the reinsurer are also kept under consideration.

Changes in assumption

There have been no change in assumptions.

Sensitivity analysis

The Company has fully reinsured its underwritten risks and therefore a sensitivity analysis has not been conducted.

46.1.3 MANAGEMENT OF TAKAFUL RISK AND FINANCIAL RISK

The Company is responsible for managing contracts that result in the transfer of Takaful and Financial Risk from the Participant to the respective PTF. This section summarizes the risks and the way the Company manages them, as part of the Company's Window Takaful Operations

Takaful Risk

The PTF issues Takaful contracts that are classified in the following segments:

Individual Family Takaful Group Family Takaful Accident and Health Family Takaful

Individual Family Takaful

The risk covered is mainly death and sometimes disability and / or critical illness. The risk of death and disability will vary from region to region. The PTF may get exposed to poor risks due to unexpected experience in terms of claim severity or frequency. This can be a result of anti-selection, fraudulent claims, a catastrophe or poor persistency. The PTF may also face the risk of poor investment return, and liquidity issues on monies invested in the fund.

The PTF faces the risk of inadequacy of the Mortality Charge (Takaful Contribution) particularly due to the fact that these contracts are long term. Additionally, the risk of poor persistency can lead to an impact on the size of the PTF. A larger PTF may allow for a greater degree of cross subsidization of Mortality Risk, increasing the probability of convergence between actual and expected Mortality experience.

The Company manages these risks through its underwriting, retakaful, claims handling policy and other related controls. The Company has a well defined medical under-writing policy and avoids issuing cover to high risk individuals. This puts a check on anti-selection. Profit testing is conducted on an annual basis to ensure reasonableness of Takaful Contributions charged for risk underwritten by the PTF. Retakaful contracts have been purchased by the Company to limit the maximum exposure on any one participant. The Company has a good spread of business throughout the country thereby ensuring diversification of geographical risks. To avoid poor persistency, the Company applies quality controls on the standard of service provided to Participants of the PTF and has placed checks to curb mis-selling and improvement in the standard of customer service. For this, a regular branch wise monitoring of lapsation rates is conducted. On the claims handling side, the Company has procedures in place to ensure that payment of any fraudulent claims is avoided. For this, a Claims Committee with variable materiality limits review all claims for verification and specific and detailed investigation of all apparently doubtful claims (particularly of high amounts) is conducted. The Company maintains adequate liquidity in assets underlying the PTF to accommodate claims from Participants. The Company reserves the right to review the Takaful Contributions deductible under the contracts, thus limiting the risk of under-pricing.

Frequency and severity of claims

The Company has not had a concern from the concentration of risk because of the ability to spread risks across various parts of the country. The Company issues Takaful Contracts through a large network of its own branches and branches belonging to partner banks in Bancassurance. This ascertains a spread of geographical risk. However, a risk of concentration of risk on any one Participant of the PTF still exists. The Company caters to this risk by entering into suitable Retakaful arrangements.

The Company charges for mortality risk (credited to the PTF) on a monthly basis for all Takaful contracts without a fixed term. It has the right to alter these charges (on behalf of the PTF) based on the PTF's mortality experience. This minimises the PTF's exposure to mortality risk. Delays in implementing increases in charges and market or regulatory restraints over the extent of the increases may reduce this mitigating effect. The Company manages these risks through the underwriting strategy and retakaful arrangements used for the PTF.

The table below presents the concentration of covered benefits across five bands of benefits covered per Participant. The benefit covered figures are shown gross and net of the retakaful contracts described above.

The amounts presented are showing total exposure of the PTF including exposure in respect of riders attached to the main policies.

b) Source of uncertainty in the estimate of future benefits payments and contributions receipts

Uncertainty in the estimation of future benefit payments and contribution receipts for long-term unit linked takaful contracts arises from the unpredictability of long-term changes in overall levels of mortality and variability in participant's behaviour.

Factors impacting future benefit payments and contribution receipts are as follows:

- Mortality: The Company assumes the expected mortality at 80% of LIC (94-96) since the current claims experience for this line of business is too limited to be credible.
- Persistency: The Company conducts a periodic analysis on recent and historic experience and persistency is calculated by applying statistical methods. Persistency rates vary by products and more importantly the sales distribution channel. An allowance is then made for any trend in the data to arrive at best estimate of future persistency rates for each sales distribution channel.

c) Process used to decide on assumptions

For long-term unit linked takaful contracts, assumptions are made in two stages. At inception of the contract, the Company determines assumptions on future mortality, persistency, administrative expenses and investment returns. At regular intervals, profit testing is conducted on flagship products. Assumptions used for profit testing of the flagship products are as follows:

- Mortality: The expected mortality is assumed at 80% of LIC (94-96) since the current claims experience for this line of business is too limited to be credible.
- Persistency: A periodic analysis of the Company's recent and historic experience is performed and persistency is calculated by applying statistical methods. Persistency rates vary by products and more importantly the sales distribution channel. An allowance is then made for any trend in the data to arrive at best estimate of future persistency rates for each sales distribution channel.
- Expense levels and inflation: A periodic study is conducted on the Company's current business expenses and future projections to calculate per policy expenses. Expense inflation is assumed in line with assumed investment return.
- Investment returns: The investment returns are based on anticipated future performance of the fund.

d) Sensitivity analysis

The experience of the fund is not adequate enough to perform sensitivity analysis.

Group Life Family Takaful

The main exposure of the PTF is to mortality risk. The PTF may be exposed to the risk of unexpected claim severity or frequency. This can be a result of writing business with higher than expected mortality (such as mining or other hazardous industries), writing high cover amounts without adequate underwriting, difficulty of verification of claims, fraudulent claims or a catastrophe. The PTF also faces risk such as that of under-pricing to acquire business in a competitive environment and of non-receipt of takaful contributions due to policy lapsations. There also exists a potential risk of asset liability term mismatch due to liabilities being very short term in nature.

The Company manages these risks through underwriting, retakaful, effective claims handling and other related controls. The Company has a well defined medical under-writing policy and avoids writing business for groups with overly hazardous exposure. Pricing is done in line with the actual experience of the PTF. The premium charged takes into account the actual experience of the client and the nature of mortality exposure the group faces. The rates are certified by the appointed actuary for large groups. The Company also maintains an MIS to track the adequacy of the takaful contribution charged. Retakaful contracts have been purchased by the Company to limit the maximum mortality exposure of the PTF. The Company is also contemplating a catastrophe excess of loss cover for the Group Family Takaful Business. The intent of the cover is to limit the liability of the PTF in a single happening that results in multiple claims. At the same time, due caution is applied in writing business in areas of high probability of terrorism. The Company ensures writing business with good geographical spread and tries to maintain a controlled exposure to large groups which generally have poor exposure. Writing business of known hazardous groups is also avoided. On the claims handling side, the Company ensures that payment of any fraudulent claims is avoided. For this, a claims committee reviews all large claims for verification. Strict monitoring is in place at the Board of Directors level in order to keep the outstanding balances of premium at a minimum, especially the ones that are due for more than 90 days.

a) Frequency and severity of claims

The Company measures concentration of risk by the PTF's exposure to catastrophic events. Concentration of risk arising from geographical area is not a factor of concern due to spread of risks across various parts of the country. To mitigate risk accumulation resulting from catastrophic events, the Company is considering a catastrophe excess of loss retakaful cover which ensures that the PTF's liability in respect of catastrophic events remains within reasonable limits.

The following table presents the concentration of covered benefits across five bands of covered benefits per individual life covered. The benefit covered figures are shown gross and net of the retakaful contracts described above.

The amounts presented are showing total exposure of the PTF including exposure in respect of riders attached to the main policies.

Accident & Health Family Takaful

The main risk exposure of the PTF is morbidity. The PTF may be exposed to the risk of unexpected claim severity or frequency. This can be a result of high exposure in a particular geographical area, medical expense inflation, fraudulent claims and catastrophic event. The PTF potentially faces the risk of lack of adequate claims control (such as for very large groups). The PTF also faces a risk from under-pricing to acquire business in a competitive environment and of non-receipt of contribution in due time.

The Company manages these risks through its underwriting, retakaful, claims handling policy and other related controls. The Company has a well defined medical under-writing policy and avoids writing business for groups with potentially high health related risk exposure such as Government Schemes. Any pre-existing conditions are screened at this stage. Pricing is done as per actual experience of the risks already covered by the PTF. The takaful contribution charged takes into account the actual experience of the client and an MIS is maintained to track the adequacy of the takaful contribution charged. The Company has pre-determined charges for certain illnesses with its panel hospitals, and to keep a check on medical inflation, it continues to negotiate these rates. The portfolio will be diversified to spread across various geographical regions. On the claims handling side, the Company ensures that payment of any fraudulent claims is avoided. For this, the claims are reviewed and managed by technical staff and doctors while an on-site monitoring and checking is performed. Strict monitoring is in place at the Board of Directors level in order to keep the outstanding balances of premium at a minimum, especially the ones that are due for more than 90 days.

Frequency and severity of claims

Company measures risk accumulation in the PTF in terms of potentially high exposure concentration in a particular geographical area.

The table below presents the concentration of covered benefits across five bands of benefits covered per individual life covered. The benefit covered figures are shown gross and net of the retakaful contracts described above.

The amounts presented are showing total exposure of the PTF including exposure in respect of riders attached to the main policies.

Sources of uncertainty in the estimation of future benefits payments and contribution receipts

Other than conducting a liability adequacy for Unexpired Risk Reserves (URR), there is no need to estimate morbidity for future years because of the short duration of the contracts.

Process used to decide on assumptions

An investigation into group's experience is performed periodically, and statistical methods are used to adjust the rates to a best estimate of morbidity. For this purpose, the experience is adjusted as per the international experience studies such as HIPE. Where data is sufficient to be statistically credible, the statistics generated by the data are assigned appropriate credibility factors to account for the group's experience.

Sensitivity analysis

The table below shows the level of respective variation in liabilities for change in each assumption while holding all other assumptions constant.

Variables	Change in variable	Increase in liability 2018	Increase in liability 2017
		(Rupees	in '000)
Worsening of morbidity rates for risk policies	+10% p.a	1,078	615
Increase in reporting lag	+10% p.a	1,078	615
Increase in average claim amount	+10% p.a	1,078	615

46.2 Financial risk

Liquidity risk

Liquidity risk is the risk that the Company will be unable to meet its funding requirements. To guard against the risk, the Company has diversified funding sources and assets are managed with liquidity in mind, maintaining a healthy balance of cash and cash equivalents and readily marketable securities. The maturity profile is monitored to ensure that adequate liquidity is maintained.

Interest rate risk

The Company invests in securities and has deposits that are subject to interest rate risk. Interest rate risk to the Company is the risk of changes in market interest rates reducing the overall return on its interest bearing securities. The Company limits interest rate risk by monitoring changes in interest rates in the currencies in which its cash and investments are denominated. The Company's interest rate sensitivity and liquidity positions based on maturities is given in note 46.2.1.

46.2.1 MATURITY PROFILE

Maturity profile of financial assets and liabilities for 2018 is given below:

	Interest / Mark up bearing			Non-interes

Sensitivity analysis - interest rate risk

The sensitivity analysis for interest rate risk illustrates how changes in the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates at the reporting date.

Debt securities held to maturity are accounted for at amortised cost and their carrying amounts are not sensitive to changes in the level of interest rates.

Management monitors the sensitivity of reported interest rate movements periodically by assessing the expected changes in the different portfolios due to parallel movements of 100 basis points in all yield curves.

An increase in 100 basis points in interest yields would result in a loss of Rs.281.53 million (2017: Rs.220.65 million).

A decrease in 100 basis points in interest yields would result in a gain of Rs.299.24 million (2017: Rs.230.28 million).

Sensitivity analysis - currency risk

Except for business underwritten in Overseas group life and health fund, the Company primarily underwrites insurance contracts in Pak Rupees and invests in assets denominated in the same currency, which eliminates the foreign currency exchange rate risk for these operations.

46.3 **Foreign Currency Risk**

As at balance sheet date, there are no material financial instruments denominated in foreign currency. Therefore, the Company is not materially exposed to risk from foreign currency exchange rate fluctuation.

46.4 Market Risk

Market risk is the risk that the value of a financial instrument will fluctuate as a result of changes in market prices, whether those changes are caused by factors specific to the individual security, or its issuer, or factors affecting all securities traded in the market.

The Company is exposed to market risk with respect to its investments.

The Company limits market risk by maintaining a diversified portfolio and by continuous monitoring of developments in Government securities, equity and term finance certificates in the market. In addition, the Company actively monitors the key factors that affect the underlying value of these securities.

Sensitivity analysis - equity risk

Equity risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instrument traded in the market.

In case of 5% increase / decrease in PSX 100 index on December 31, 2018, with all other variables held constant, net assets for the year would increase / (decrease) by Rs. 2,428 million (2017: Rs. 2,072 million) as a result of gains / (losses) on equity securities.

The analysis is based on the assumption that equity index had increased / decreased by 5% with all other variables held constant and all the Fund's equity instruments moved according to the historical correlation with the index. This represents management's best estimate of a reasonable possible shift in the PSX 100 index, having regard to the historical volatility of the index. The composition of the Fund's investment portfolio and the correlation thereof to the PSX 100 index, is expected to change over time. Accordingly, the sensitivity analysis prepared as of December 31, 2018 is not necessarily indicative of the effect on the Fund's net assets of future movements in the level of the PSX 100 index.

46.5 Credit Risk and Concentration of Credit Risk

Credit risk is the risk, which arises with the possibility that one party to a financial instrument will fail to discharge its obligation and cause the other party to incur a financial loss.

Concentration of credit risk arises when a number of counterparties have similar types of business activities. As a result, any change in economic, political or other conditions would affect their ability to meet contractual obligations in a similar manner.

Major credit risk is in premiums receivable, reinsurance receivables, bank balances and investments. The management monitors exposure to credit risk through regular review of credit exposure and assessing credit worthiness of counter parties.

The carrying values of financial assets which are past due and impaired are as under:		
Premiums / Contributions due but unpaid	26,754	46,060

46.6 **Reinsurance Risk**

In order to minimise the financial exposure arising from large claims, the Company, in the normal course of business, enters into agreement with other reinsurers.

Reinsurance ceded does not relieve the Company from its obligation to policy holders and as a result the Company remains liable for the portion of outstanding claims reinsured to the extent that reinsurer fails to meet the obligation under the reinsurance agreements.

In order to manage this risk, the Company obtains reinsurance cover only from companies with sound financial health.

CAPITAL MANAGEMENT 47

The Company's goals and objectives when managing capital are:

- to comply with the minimum paid-up capital requirements as prescribed by SECP;
- to safeguard the Company's ability to continue as a going concern so that it can continue to provide returns for shareholders and benefits for the other stakeholders:
- to provide an adequate return to shareholders by pricing insurance contracts commensurately with the level of risk:
- maintain strong ratings and to protect the Company against unexpected events / losses; and
- to ensure a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business.

AAs prescribed by SECP, the Company is required to maintain the minimum capital and to comply with the solvency requirements both for Shareholders' and Statutory Funds in accordance with the Insurance Ordinance, 2000 and the Insurance Rules, 2017 (previously the SEC (Insurance) Rules, 2002 as amended by S.R.O. 16 (1)/2012 dated January 9, 2012), with which the Company is in compliance.

The fair value of financial assets and liabilities not carried at fair value is not significantly different from their carrying values since assets and liabilities are short term in nature, except for long term loan.

Fair value is an amount for which an asset could be exchanged, or a liability settled, between knowledgeable willing parties in an arm's length transaction. Consequently, differences may arise between the carrying values and the fair values estimates.

The Company measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Fair value measurements using inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

Statement of preparation:

The Insurance Accounting Regulations, 2017 have retained the Statutory Fund wise accounting for regulatory returns. The Statement of Solvency has been prepared in accordance with the format prescribed in regulatory returns for solvency statement. The transfer of surplus to Shareholders' Fund and the related deferred tax implications have been restricted to amount of surplus recommended by the Appointed Actuary for transfer.

50 SUBSEQUENT EVENTS - NON ADJUSTING

The Board of Directors, in their meeting held on March 28, 2019 proposed a final cash dividend of Rs. 14.50 per share (2017: Rs. 14.50 per share) for the year ended December 31, 2018 amounting to Rs.1,150.29 million (2017: Rs.1,150.29 million), subject to approval of the members at the forthcoming Annual General Meeting.

Interim dividend declared and already paid in respect of half year ended June 30, 2018 was Rs. 3.00 per share (2017: Rs.3.00 per share) amounting to Rs.237.99 million (2017: Rs. 237.99 million).

These financial statements do not recognise the proposed final dividend which will be recognized in the financial statements for the year ending December 31, 2019.

51 **CORRESPONDING FIGURES**

Corresponding figures have been re-arranged or reclassified, wherever necessary to align them with the presentation requirements of the Insurance Accounting Regulations, 2017.

52 DATE OF AUTHORISATION FOR ISSUE

These financial statements were authorised for issue on March 28, 2019 by the Board of Directors of the Company.

53 GENERAL

The figures in the financial statements may be rounded off to the nearest thousand.

Notice of 24th Annual General Meeting

Notice is hereby given that the 24th Annual General Meeting of the Shareholders of Jubilee Life Insurance Company Limited "Company" will be held on Saturday, April 27, 2019 at 11:00 a.m. at the Auditorium, Habib Bank Tower, Jinnah Avenue, Islamabad to transact the following business:

Agenda

Ordinary Business

- 1. To Confirm the Minutes of 23rd Annual General Meeting held on March 30, 2018.
- 2. To consider and adopt the Audited Financial Statements of the Company for the year ended December 31, 2018 together with the Chairman's Review, Directors' Report and Auditors' Report thereon.
- 3. To consider and approve the payment of final cash dividend of 145% (Rs.14.50 per ordinary share of Rs.10 each) for the year ended December 31, 2018 as recommended by the Directors of the Company, in addition to the interim dividend of Rs.3.00 per share i.e. 30% already paid to shareholders, thus making a total of Rs.17.50 per share i.e. 175% for the year ended December 31, 2018.
- 4. To appoint External Auditors and Shariah Compliance Auditors for the Year 2019 and to fix their remuneration. The board and the audit committee have recommended the appointment of M/s. A. F. Ferguson & Co., Chartered Accountants, Karachi, as statutory auditors and Shariah compliance auditors of the Company in place of the retiring auditors M/s. KPMG Taseer Hadi & Co., Chartered Accountants, who have completed the five (5) years tenure as external auditors of the Company. Accordingly, the members are hereby given the notice as required under Section 246(2) of the Companies Act, 2017 proposing the name of an auditor other than the retiring auditors.
- 5. To transact any other business as may be placed before the Meeting with the permission of the Chair.

By order of the Board

Najam ul Hassan Janjua Company Secretary

Dated: April 5, 2019 Karachi

Notes:

- 1. The Share transfer books of the Company shall remain closed from 21-04-2019 to 27-04-2019 (both days inclusive). Transfers received in order by our registrar, M/s Central Depository Company of Pakistan Limited, CDC Share Registrar Services, CDC House, 99-B, Block-B, SMCHS, Main Sharah-e-Faisal, Karachi-74400, at the close of business on 20-04-2019 will be treated in time for the purpose of attending the meeting.
- 2. A Member of the Company entitled to attend and vote at this Meeting shall be entitled to appoint another member, as his/her proxy to attend, speak and vote instead of him/her, and a proxy so appointed shall have such rights, as respects attending, speaking and voting at the Meeting as are available to a member.
- 3. A Member shall not be entitled to appoint more than one proxy to attend any one meeting. If any Member appoints more than one proxy for any one meeting and more than one instruments of proxy are deposited with the Company, all such instruments of proxy shall be rendered invalid.
- 4. Proxies, in order to be effective, must be received by / lodged with the Company at its Registered Office 26-D, 3rd floor, Kashmir Plaza, Jinnah Avenue, Blue Area, Islamabad not less than 48 hours before the Meeting.
- 5. Members are requested to immediately notify any change in their addresses.
- 6. CDC Account Holders will further have to follow the under mentioned guidelines as laid down in Circular 1 dated January 26, 2000 issued by the Securities and Exchange Commission of Pakistan.
- 7. Shareholders possessing physical shares are requested to immediately send a copy of their Computerized National Identity Card (CNIC) to our Registrar Office, Central Depository Company of Pakistan Limited, CDC House, 99-B, Block B, SMCHS, Main Sharah-e-Faisal, Karachi. Corporate entities are also requested to submit their NTN at the address of our Registrar as given above.
- 8. Please further note that the rates for deduction of withholding tax on the amount of dividend paid by the companies are @ 15% for filers of income tax returns and @ 20% for non-filers of income tax returns. All members are advised to ensure their names are on Active Tax-Payers List (ATL) provided on the website of Federal Board of Revenue (FBR), otherwise tax on dividend will be deducted @20% instead of 15%.

In this regard, all shareholders who hold shares with joint shareholders, are requested to provide shareholding proportions of Principal shareholder and Joint Holder(s) in respect of shares held by them to our Share Registrar, in writing as follows before 20-04-2019 positively; otherwise it will be assumed that the shares are equally held by principal shareholder and joint holder(s).

			Principal S	Shareholder	Joint Sh	nareholding
Name	Folio / CDS Account No.	Total Shares	Name & CNIC No.	Shareholding Proportion (No. of Shares)	Name & CNIC No.	Shareholding Proportion (No. of Shares)

9. Payment of Cash Dividend Electronically (e-Dividend)

In accordance with the provision of Section 242 of the Companies Act, 2017 (Act) all listed Companies including Jubilee Life Insurance Company Limited are required to pay dividends to the entitled shareholders only through electronic mode directly in the bank account of the said shareholders.

Keeping in view the mandatory requirement of Section 242 of the Act, all listed companies are advised to approach their Shareholders for obtaining electronic dividend mandate, update their bank account records and put a system in place, as all dividend payments with effect from November 1, 2017 shall be paid through electronic mode only. In this regards the Company has already issued letters on October 6, 2017 to such shareholders on their addresses available in the Company's record through registered post.

In pursuance of the directives of SECP, Shareholders are advised to provide their dividend mandate with complete bank account details along with International Bank Account Numbers (IBAN's) for payment of cash dividend directly in the bank accounts instead of issuance of physical Cash Dividend Warrants. In this regard the Shareholders may obtain Bank Mandate Form from the Company's website https://jubileelife.com/wp-content/uploads/2016/06/Bank-Mandate-Form.pdf.

Shareholders are advised once again to please submit the referred form duly filled to the Share Registrar "Central Depository Company of Pakistan Limited" in case of physical holding and in case of CDC account / sub-account to investor Account Services, or to their Brokerage firm as the case may be.

A. FOR ATTENDING THE MEETING:

- (i) In case of individuals, the account holder or sub-account holder whose registration details are uploaded as per the Regulations shall authenticate his/her original valid Computerized National Identity Card (CNIC) or the original Passport at the time of attending the meeting.
- (ii) The shareholders registered on CDC are also requested to bring their particulars, I.D. numbers and account numbers in CDS.
- (iii) In case of corporate entity, the Board of Directors' resolution / Power of Attorney with specimen signature of the nominee shall be produced (unless it has been provided earlier) at the time of meeting.

B. FOR APPOINTMENT OF PROXIES:

- (i) In case of individuals, the account holder or sub-account holder and / or the persons whose registration details are uploaded as per the Regulations shall submit the proxy form as per requirement notified by the Company.
- (ii) The proxy form shall be witnessed by two persons whose names, addresses and CNIC numbers shall be mentioned on the form.
- (iii) Attested copies of CNIC or the passport of the beneficial owners and the proxy shall be furnished with the proxy form.
- (iv) The proxy shall produce his / her original CNIC or original passport at the time of the meeting.
- (v) In case of corporate entity being a Member, the Board of Directors' resolution / Power of Attorney with specimen signature of the nominee / attorney shall have to be submitted (unless it has been provided earlier) along with the proxy form to the Company.

کاوشوں اورعطیات کے مل پر شبت اثرات مرتب ہوتے ہیں۔

منظورشده CSRاورعطیات کی یالیسی کےمطابق ممینی نے 2018 میں کل عطیات کی رقم 20.5 ملین روپے خرچ کی (2017: 23 ملین رویے) پی عطیات صحت عامہ کی سہولتوں ،تعلیم ، دیجی تر تی اور نقافتی ورثے کے لیے خرچ کئے گئے۔

سمینی نے کم آمدنی کی حال آبادی کے لیے مال عطیات کے سلسلے کو جاری رکھا ہواہے، اور اس کے CSR اقدامات میں بھی بہتر زندگی اور صحت عامد کی بہولیات کو برقر ارر کھنے کے لیے مناسب قیت پر ما تکرو۔انشورنس (Micro Insurance) حل پیش کرنا شامل ہیں اور سال 2018 کے دوران 3.5 ملین افراد تک

CSR سر گرمیوں کا خلاصہ اور معاشر ے کے ساتھ تعلق کی تفصیلات CSR کی رپورٹ بیں شامل ہے، جس بیل ملک كايك ذ صداركار بوريث ادار _ ك طور يركميني كى برهتي بوئي سركرميون منتعلق آگاي دى گي ب

سمینی کے انسانی وسائل میں کھیل کا جنون پیوست ہے اور کمپنی کی جانب سے کھیل کی ترویج کے لیے اٹھائے گئے اقدامات سے شراکت داری کا جذب اور کامیابی کی منصوبہ بندی مجملکتی ہے۔ کمپنی کرکٹ ، اسنوکر، گولف، ہاک اور پولو ك الله مقابلون كواسيانسركر كهيلون كوفروغ ويتى ب- سال 2018 كياسيورش راؤنداپ، سالاندر پورٹ کے سفحہ 77 سے صفحہ 79 پرموجود ہے۔

2017 کے دوران کمپنی نے نے لائف انشورٹس برنس ایڈ مشریشن سٹم الاکوکیا۔ بیا یک انشورٹس سلوش فریم ورک (ISF) ہے جو ملا پیشیا کے AETINS SDN BHD کا تیار کردہ ہے۔ اس سٹم نے کامیا بی کے ساتھ انفرادی لائف یونٹ لنکڈ برنس (روایتی) کو انشورٹس سلوش فریم ورک (ISF) بیں منتقل کیا۔ سال 2018 کے دوسرے مرحلے میں انشورٹس سلوش فریم ورک (ISF) پرگروپ لائف برنس (روایتی) کی منتقلی پر کام جاری رہاجو فروری 2019 میں مکمل ہوا دیگر برنس کی بقید منصوبہ بندی مختلف مراحل میں سال 2019 کے دوران کی جائے

داخلی ملی کارکردگی کے محاذ پر ممینی نے اپنی پیپرلیس ماحول کی پالیسی کوفروغ دیا اورسال 2018 کے دوران کمپنی نے شیئر پوائنٹ پر بشمول اینڈٹو اینڈٹر یول پلان ، HRریکروٹمنٹ فارمز اوراسٹیشنزی ریکویزیشنز تیار کیس ہیں جس سے مذصرف کا فذکے استعمال ہیں کمی آئے گی بلکدا سے رکھنے کے لیے کم جگددرکا رہوگی اور ساتھ ہی وقت کی بچیت بھی ہوگی۔

الوارذ زاوراعزازات

سمپنی نے مختلف شعبوں میں اپنی کا میابیوں کے سلسلے کو جاری رکھا اور کئی خود مختار اواروں نے نمپنی کے مختلف شعبوں میں کامیابیوں کوسراہا۔سال 2018 میں نمپنی کوورج ذیل ممتاز ایوارڈ زیسے نواز اگیا:

- مینجمنث ایسوی ایش آف پاکتان (MAP) کی جانب سے انشورنس سیکٹر میں کمپنی کوئینتیسواں (33rd)
 وال کار پوریٹ ایکسی لینس ایوارڈ ، 2018 دیا گیا۔
- چھٹا FPCC اچیومنٹ ایوارڈ برائے سال 2017، میں بیر کی بچت کے سلسلے میں شائدارخد مات
 کے اعتراف میں دیا گیا۔

- ACCA کی جانب سے آجر برائے ٹرینی ڈیویلپسنٹ کے طور پرمنظوری۔
- کمپنی کی شناخت کو CSR کے حوالے ہے بھی تسلیم کیا گیا اور اپنی طویل پارٹنرشپ اور حمایت کے لیے
 اسے میری ایڈی لیڈ لیروی سینٹر کی جانب ہے ڈاکٹر رتھ فاؤالوار ڈے بھی نوزا گیا۔

کاروباری ضابطه اخلاق (Code of Conduct)

سمینی کے ضابطہ واخلاق میں اعلیٰ ترین معیار کا کاروباری نظم ونسق ، اخلا قیات اور عمدہ کاروباری روز مرہ کے امور بنیادی حصہ کے طور پر شامل ہیں جو بورڈ کی جانب سے منظور شدہ ہے۔ بورڈ کی منظوری سے کمپنی میں ضابطہ ء اخلاق ، کاروباری حکمت عملی ، وژن ،مشن اور بنیادی اقد ارکوا عتیار کیا گیا ہے۔

ضابطہ میں ہرایک کے فرائض اور ذمہ دار یوں کا تعین کیا گیا ہے، جن میں پور ڈممبران ، تمام انسانی وسائل اور کمپنی کے مختلف اسٹیک ہولڈرز ، ایک دوسرے کے ساتھ تعلقات اور مجموعی طور پر پورے معاشرے کے ساتھ تعلقات شامل ہیں ۔ کمپنی میں ہر جگدان کی پابندی کیلئے ضروری اقد امات اٹھائے گئے ہیں۔ بیضا بطہ کمپنی کی ویب سائٹ پربھی دستیاب ہے۔

کارپوریٹ ای فرمداری (Corporate Social Responsibility)

کمپنی'' فیریقینی صورت حال پر قابو پانے کے لیے افراد کو باا ختیار کرؤ' کے اپنے وژن پر کاربند ہے جس سے
اسے طویل المدتی کاروباری امور چلانے کی ذمہ داری کے لیے رہنمانی ملتی ہے۔ کمپنی کی کارپوریٹ ساجی ذمہ
داری (CSR) اور عطیات کی پالیسی بورڈ سے منظور شدہ ہے جو کمپنی کے دژن کے حصول کیلئے رہنمااصول فراہم
کرتی ہے جس کے تحت ایک مربوط طریقے سے کوششوں پر توجہ رکھی جاتی ہے۔ اس سے کمپنی کی CSR کی

کیا۔LMSکے قیام سے انسانی وسائل کوایے تر بیتی شیڈول میں نرمی حاصل ہے اور جن کورسسز (Courses) میں اُن کا اندراج ہوا تھا، اُن کورسسز کے اختیام پروہ کامیابی کا ایک سرٹیفکٹ وصول کرتے ہیں جو انسانی وسائل (Human Resource) ڈیارٹمنٹ جاری کرتا ہے۔

کمپنی نے سال کے دوران ایک اور سنگ میل عبور کیا اور دہ یہ کہ معتبر اداروں جیسے کہ ACCA کے ساتھ اشتراک اور جس میں کمپنی کو ACCA کے ٹرینیز کو ACCA کی تعلیم کی غرض سے کام کرنے کی تا ئید وحمایت کرنے پر Approved Employer Trainee Development Award سے نوازا گیا۔اس اشتراک کے ذریعے کہنی کو متعلقہ افراد کے لیے ACCA کی جانب سے ٹرینگ اور سہولیات کی وجہ سے بہترین تربیت کے ذریعے کہنی کی متعلقہ افراد کے لیے ACCA کی جانب سے ٹرینگ اور سہولیات کی وجہ سے بہترین تربیت یا فتہ اور اللہ کی کے انہوئی۔

2018 کے دوران قدکورہ بالانخصوص سنگ میل عبور کرنے کے علاوہ کمپنی اپنے انسانی دسائل کو عالمی سطح پر تسلیم شدہ پیشہ واراندا واروں جیسے سوسائٹی آف ایکچ ریز (امریکا)، انسٹی ٹیوٹ اینڈ فیکلٹی آف ایکچ ریز (یو کے)، چارٹرڈ انشورنس انسٹی ٹیوٹ (یو کے) اور لاائف آفس نمجھٹ ایسوی ایشن (امریکا) میں امتحانات ولوانے کے لیے اُن کی حوصلہ افزائی کرتی ہے۔

کمپنی کوفخر ہے کہ وہ انسانی وسائل کوروزگارے لیے مساوی مواقع فراہم کرنے والا آجرہے اوراسی لیےخواتین کے روزگار کی تمایت کرتے ہے۔ مر دون اور عورتوں، دونوں کو مسابقتی بنیاد پراپی قابلیت ٹابت کرنے کے لیے موقع فراہم کیا جاتا ہے۔ مارچ2018 میں کمپنی نے"OICCI Women"کے پروگرام کے تحت ایک معاہرے پروسخط کیے ہیں۔ اس اقدام کا مقصدا قوام متحدہ کے "عورتوں کے بااختیار ہونے کے اصول" کی مطابقت میں اپنے ادارے میں صنفی مساوات کی جمایت اور حوصلہ افزئی کرنا ہے۔ معاہدہ ہونے کے مطابقت میں اپنے ادارے میں صنفی مساوات کی جمایت اور حوصلہ افزئی کرنا ہے۔ معاہدہ ہونے کے

بعدے کمپنی میں خواتین کی تعداد جو2017 کے اختتام پر22.17 تھی، دیمبر2018 کو27.1% تک بھنے چکی ہے۔

ہرسال ہیڈ آفس، کراچی اور ریجنل دفاتر میں کمپنی کی جانب ہے یوم آزادی کونہایت جوش وخروش ہے مناتے ہوئے کیک کا ٹا جاتا ہے اور ملک کی خوش حالی اور ترقی کے لیے دعا کی جاتی ہے۔ کمپنی میں جشنِ آزادی ایک تہوار کی طرح منایا جاتا ہے اور انسانی وسائل (Human Resource) اس خاص دن کوسفید اور سبز رکھوں والے لباس پہن کرایئے تو می جوش وجذ ہے کا ظہار کرتے ہیں۔

انفارمیشن نیکنالوجی(IT)اورانظامی معیار

خینالوبی میں مجر پورسر مایےکاری کاعزم کمپنی کواپئی مارکیٹ لیڈرشپ پوزیشن برقر ارر کھنے اور کسٹمرز کو بہتر خدمات فراہم کرنے کے لیے مسابقتی برتری فراہم کرتا ہے۔ می 2018 میں کسٹمر کے اطمینان کے لیے ایک اضافی اقدام کیا گیا۔ کمپنی نے اُعلی قدر اور اطمینان کے ذریعے کسٹمرسے تعلقات بنانے اور انہیں استوار رکھنے کے لیے جدید مائیکروسوفٹ ڈاکناکس 365 کسٹمرریلیشن منچمنٹ (CRM) پلیٹ فارم رکھنے کے لیے جدید مائیکروسوفٹ ڈاکناکس 365 کسٹمرریلیشن منچمنٹ (Microsoft Dynamics 365 Customer Relationship Management) کے قیام کے بعد کھنے کہ میں میں میں میں میں اضافے کے لیے معیاری خدمات فراہم کرنے کے بہتر مواقع پائے گی۔

اگست 2018 میں مشن کرنگل سسٹمز کومزید بہتر اور دستیابی کوقوت بخشنے کے لیے، کمپنی نے کی دوسرے شہر میں ایک نئی ڈیز اسٹر ریکوری (DR) سائٹ کی خرورت محسوس کی اور ڈی آرسائٹ (DR Site) کو کامیابی کے ساتھ اسلام آباد خشل کیا۔اس کے بعداس بات کونٹینی بنانے کے لیے کہتمام مشن کرنگل سسٹمز اسلام آباد سے چل رہے ہیں، ملک کی سطح پرتمام ڈیار شنٹس ہیں کی بھی غیر متوقع سانے سے شننے کے لیے دود فعہ شقیس کی جا چکی ہیں۔

بنیاد،اگر کوئی ہیں، کے حوالے سے فعال انداز میں دیگر صوبائی حکام کے ساتھ ندا کرات کر دی ہے۔اپنی متعلقہ تاریخوں پراستنی ختم ہونے کے باوجود صوبائی ریوینو کے اعلیٰ حکام ان ندا کرات کا اعتراف کررہے ہیں، ابھی تک ٹیکس عائد کرنے کا نفاذ نہیں ہوا ہے اور بات چیت اور سوچ بچار کے لیے متعلق حکام وقت دے رہے ہیں۔

کمپنی کی طرف سے حاصل ہونے والی قانونی رائے کو مدِ نظر رکھتے ہوئے، صوبائی ریوینو کے اعلیٰ حکام کے ساتھ ہونے والے جاری انظامی کوششیں جو اوپر بیان کی جا چکی ہیں، SECP کی تو ثیق، اور بیر حقیقت جو جاری نذا کرات کا اعتراف کررہی ہے، صوبائی ریوینو کے اعلیٰ حکام نے قیس کا نفاذ ہیں کیا ہے اور بات چیت اور سوچ بچار کے لیے وقت وے رہے ہیں، اپنی متعلقہ تاریخوں پراسٹنی کے ٹوٹیفیکیشنز میں ختم ہونے کے باوجود کمپنی نے لائف اور ہیلتھ انشورٹس پر اپنے بیرہ وار اشراکت داروں کو بل (Bill) نہیں کیا ہے، نہ ہی کوئی رقم رکھی ہے کیوں کہ مندرجہ بالا ویے گئے تھا گئے جن کی تفصیل اوپر بیان کی گئی ہے، کی روثنی میں کمپنی بجھتی کوئی رقم رکھی ہے کیوں کہ مندرجہ بالا ویے گئے تھا گئی جن کی تفصیل اوپر بیان کی گئی ہے، کی روثنی میں کمپنی بجھتی ہے کہ لائف انشورٹس پر Liability کی رقم کا کوئی انداز ولگانا قبل از وقت ہے۔ ہیلتھ انشورٹس کے لیے حکمنہ کوشواروں میں طاہر نہیں کیا گئے ہے، کا دوئت ہے۔ ہیلتھ انشورٹس کے لیے حکمنہ کوشواروں میں طاہر نہیں کیا گیا ہے، انظامی کوششیں جاری ہونے کی وجہ ہے۔

انسانی سرمایه (Human Capital)

جو بلی لائف انشورنس اس بات پر پختہ یقین رکھتی ہے کہ ہمارے انسانی سرمائے اور کمپنی کی ترقی بدستور جاری رہنا جا ہے۔ کیوں کہ کامیا بی کے حصول میں انسانی وسائل سب سے اہم ستون ہیں، لہذا ان کی تربیت پرسرما ہیکاری شمینی کی اوّلین ترجیحات میں شامل ہے۔ کمپنی کے اندر مستقل سکھنے کے ماحول کے ذریعے انسانی وسائل کی

کاروباری معلومات اور صلاحیت بین اضافہ ہوتا ہے اور اس کے ساتھ ساتھ تربیت سے ان کواپنی کا روباری اہلیت کو بہتر بتانے بین مدولتی ہے۔ سال 2018 ہمارے لوگوں کے لیے بہت فعال تھا کیوں کہ اس سال سکھنے کے حوالے سے کئی اقد امات کا آغاز کیا گیا۔

کمپنی میں ایک مسلسل تغلیمی ماحول موجود ہے جواس ہات کویٹینی بنا تاہے کہانسانی وسائل کی کاروباری معلومات اور صلاحیت میں اضافہ ہو کمپنی اپنی سیلز ٹیم کی تربیت کیلئے خصوصی اہتمام کرتی ہے تا کہ سیلز ٹیم میں اعلیٰ معیاری اور اصولی سیلز کیلئے مطلوبہ صلاحیت پیدا ہو۔

2018 کے دوران تمام ڈپارٹمنٹس میں بیک آفس سپورٹ ایمپلائیز کے لیے ایک منصوبے کا آغاز کیا گیا۔ جس کے تحت سینئر فیجرز کا معتبر اداروں جیسے کہ آئی بی اے ، کراچی اسکول آف برنس اینڈ لیڈرشپ میں اندراج کیا گیا جہاں مارچ اور اپریل 2018 میں فلیک شپ لیڈرشپ پروگرامز کا انعقاد ہوا اکتوبر - دیمبر 2018 کے دوران درمیانی سطح کے فیجرز کی ٹرینٹ کا پروگرام منعقد ہوا۔ تمام شرکاء کے لیے ٹرینٹ کا پروگرام سات (7) دن پرمشمل تھا جس کے دوران سیکھنے کے مجموعی طور پر 2,310 کھنے کھمل کیے گئے جن میں انتظامی مسابقت پر توجہ کے ساتھ کمپنی کی بنیادی اقدار پر توجہ مرکوز کی گئی اور کمپنی کی جانب سے شریک ہونے والوں سے بہت زیادہ یذیرائی ملی۔

ستمبر2018 میں کمپنی کا پہلانمجنٹ ایسوی ایٹ پروگرام کامیابی کے ساتھ اختتام پذیر ہواجو بارہ (12) ایسوی ایٹس پرمشمل تھا، ان میں سب کوجانچا گیاا وراُن کواہلیت کی بنیا د پرمتعلقہ ڈیار شنٹس میں تعینات کیا گیا۔

انسانی وسائل کی مہارت اور موجودہ اہلیت میں اضافے کے حوالے سے اکتوبر 2018 کے دوران کمپنی کا اپنااندرونی سیجنے کا نظام (LMS) پورٹل لا پنج کرنے کے لیے انسانی وسائل اورآئی ٹی ٹیموں نے مل کر کام

ڪراچي،28 مارچ 2019

میں یہ بتاتے ہوئے خوشی محسوس کرتا ہوں کہ ممپنی ہرسال مسلسل کا میابی اور ترقی کی نئی منزلوں کو مطے کررہی ہے۔ سال2018 میں مینی نے ایک نیاسنگ میل طے کرتے ہوئے تجی سیکٹری لائف انشورنس اندسٹری میں پہلی دفعہ 50 ارب روپ کی حد عبور کر کے مجموعی اقساط بیمہ سے حاصل ہونے والی آمدنی 52 ارب روپ (2017:47:2017 روپ)ريكارڈ كى -اس كساتھ كمپنى نے مندرجد فريل كاميابيال بھى حاصل كى بين:

- ونڈوفیلی تکافل آپریشنز میں مجموع تحریری اعانت کے لحاظ سے 10 ارب روپے کی حدکوعبور کرجانا، یہ بھی یا کستان کے جی سیکٹر تکافل انڈسٹری میں پہلی مرتبہ ہواہے؛
- 2017 كو تم مونى وي كرمقا بلي يل 2018 كو تم مونى والي سال ير 139.6 ارب روپے کے ساتھ مجموعی اٹا اُوں کے سائز کو برقر ار رکھا۔

انعامات داعزازات

ہر گزرتے سال کے ساتھ کمپنی ، فتوحات اور کامیابی کے جھنڈے گاڑ رہی ہے۔2018 کے دوران کمپنی نے مندرجه ذيل نمايان كاميابيان حاصل كين:

- منجن اليوى الثن آف پاكتان كى جانب سے انثورنس كيٹر ميں كمپنى كوتينتيسوال (33rd) كار بوريث المسلينس ايوارد 2018 وياكيا؛
 - ACCA کی جانب ہے منظور شدہ آجر برائے ٹریٹی ڈیویلپمنٹ کا اعتراف ؛ اور

سمینی کوCSR کے حوالے سے بھی تشکیم کیا گیا اور اپنی طویل پارٹنر شپ اور حمایت کے لیے اسے میری اید لیز لیروی سینٹر کی جانب سے ڈاکٹر رُتھ فاؤالوار ڈسے بھی نواز اگیا۔

کارناموں کی ندکورہ بالانتی جہتوں کے علاوہ تمپنی نے بیسبرائے بچت میں بےمثال خدمات کی انجام دہی پر چىنا FPCCI (6th) اچيومن ايوار درائي سال 2017 بھي حاصل كيا-

ماركيتنك اوراسيورس

میں نہایت فخرے یہ بتانا چاہتا ہوں کہ مپنی نے ندصرف کاروبار کے میدان میں بلکہ کھیل کے میدان میں بھی انقلاب بریا کیا، اور 2018 میں یا کتان کے اندر کھیل کے میدان میں سب سے بڑا ید کارنامہ سرانجام دیا کہ پاکستان اور ویسٹ انڈیزکے ورمیان جو بکی انشورنس سیریز کپ2018 کے ذریعے پاکستان کے ہوم گراؤنڈ میں کرکٹ کی واپسی کویقینی بنایا۔ پاکستان کرکٹ بورڈ (PCB) نے ازخود کمپنی کےاس شاندارا قدام کا اعتراف کیا کیوں کہ اس سریزنے پوری قوم کا جوش وجذبه اجا کر کیا۔

كركث،اسنوكر، كولف، ماكى، بولو اوراسكواش كى ترقى حيحوالے معتلف نورنامنٹس كى اسيانسرشپ ك ذريع، جو بلی انشورنس آج گھر گھر پہیانا جار ہا ہے۔2018 کے دوران ممینی نے بی ایس ایل سیزن 3 میں بطور گولڈ اسیانسریا کتان کرکٹ بورڈ (PCB) کے ساتھ شراکت داری کی اور تمام ذرائع ابلاغ میڈیا بشمول ٹی وی، پرنٹ اورڈ بجیٹل پراپنی موجودگی کا بھر پوراحساس دلایا۔جیسا کہ 2017 میں کمپنی کواسیا نسرشپ ہے برانڈ ے دیکھے جانے اور برا تذکی یا در ہائی (Brand Recall) کے حوالے سے اہم فائدہ ہوا۔ اس کے علاوہ مینی نے 2018 سال کے دوران یا کتان بمقابله آسریلیااور یا کتان بمقابله نیوزی لینڈ کرکٹ سیریز کو بھی اسيانسر کيا تفا۔

چیئر مین کی جائزه رپورٹ

میں،31 دیمبر2018 کوشم ہونے والے سال کے لیے کمپنی کی سالا ندر پورٹ بصد سرت پیش کرتا ہوں۔

معيشت

سال کے زیادہ عرصے پر محیط سیای اور معیشت کی غیر بیتنی صورتِ حال کے اثر ات کے ساتھ ایک مشکل سال 20 افتام ہوا۔ اسٹیٹ بینک آف پاکستان نے اپنی مانیٹری پالیسی کے بیان بیس تشویش کا اظہار کیا تھا کہ جاری کھاتے کا خسارہ (Current Account Deficit) کی وجہ سے مالیاتی خسارے اور بنیادی افراط زر بیس اضافہ ہونے کے باعث معاشی سرگرمیاں، بالخصوص سال کے پہلے چھاہ کے عرصے بیس ست روی کا شکار رہیں گی۔ ٹیرف اور ڈیوٹیز (Tarrif and Duties) کی نظام سازی کے ساتھ، جاری کھاتے کے خسارے کا شکار رہیں گی۔ ٹیرف اور ڈیوٹیز (Tarrif and Duties) کی نظام سازی کے ساتھ، جاری کھاتے کے خسارے پر قابو پانے کے لیے اقدامات کیے گئے جس کے نتیج ہیں اشیاء اور خدمات کی درآ مدات ہیں کمی آئی اور کسی حد سک جاری کھاتے کے خسارے بین بھی ۔ اس کے علاوہ برآ مدات ہیں معمولی سے اضافے نے بھی جاری کھاتے کے خسارے پر قابو پانے ہیں مدد کی ۔ اس کے علاوہ برآ مدات ہیں معمولی سے اضافے نے بھی جاری کھاتے کے خسارے پر قابو پانے ہیں مدد کی ۔ اس کے علاوہ برآ مدات ہیں معمولی سے اضافے نے بھی جاری کھاتے کے خسارے پر قابو پانے ہیں مدد کی ۔ اس کے علاوہ برآ مدات ہیں معمولی سے اضافے نے بھی جاری کھاتے کے خسارے پر قابو پانے ہیں مدد کی ۔ اس کے علاوہ برآ مدات ہیں معمولی سے اضافے نے بھی جاری کھاتے کے خسارے بر قابو پانے ہیں مدد کی ۔ اس کے علاوہ برآ مدات ہیں معمولی سے اضافے نے بھی جاری کھاتے کے خسارے بر قابو پانے ہیں مدد کی ۔ اس کے علاوہ برآ مدات ہیں معمولی سے اضافے نے بھی عدول ہے اس کے خسارے بر قابو پانے ہیں مدد کی ۔ اس کے باوجود اسٹوکام کے اقدامات کا اثر نمایاں طور پر ظاہر ہونے ہیں وقت

(Capital Market) کیپیل مارکیث

2017 كے منفی د جمان كے ساتھ جارى رہنے والے دوسرے سال كے دوران پاكتان اسٹاك اليم يختی (PSX) نے 2018 میں منفی كاركروگى ريكارڈ كى ۔ 31 دىمبر 2018 كو كے ايس اى 100 انڈيكس، كہ جس كا آغاز 40,471 پوأئنٹس كى سطح سے ہوا تھا، 37,066 پوأئنٹس پر بند ہوا اور %8.47 كامنفى د جمان ريكارڈ كيا گيا۔

درج بالاسیای اورمعاشی عوامل کے علاوہ اسٹاک مارکیٹ پر دیگر اہم اثر ات میں مسلسل غیر ملکی فروخت اور آئی ایم ایف پروگرام میں داغل ہونے کے حوالے سے غیر بیٹنی صورتِ حال بھی شامل ہے۔

انضباطى ماحول

سال 2018 میں سیکیو رشیز اینڈ ایکی پینے کمیشن آف پاکستان (SECP) کی جانب سے مختلف انضباطی تبدیلیوں کا نفاذ کیا گیا۔ ان میں انشورنس اکا وُ مثنگ ریگولیشنز ، 2017 کا نفاذ ، جو کیم جنوری 2018 سے موثر ہوا ہسکیو رشیز اینڈ ایکی پیشن آف پاکستان (SECP) کا ، اینڈ منی لانڈرنگ اینڈ کا وُ نٹر نگ فنانسنگ آف ٹیررزم ریگولیشنز ، 2018 (AML & CFT Regulations) کی انفاذ فنافشل ایکشن ٹاسک فورس (FATF) کی سفارشات کے پس منظر میں جون 2018 سے نافذ انعمل ہے ، تمایاں ہیں۔ اے ایم ایل ریگولیشنز ، 2018 کا مقصد ، منی لانڈرنگ کی روک تھام کے لیے سخت قوانین بنانا ہے اور اس سے معیشت میں دستاویز کاری کو برخوانے میں مدو ملے گی کیوں کہ ان قوانین کے نفاذ سے منی لانڈررز کے لیے مشکلات برجیس گی اور بخیر دستاویز معیشت کو چلانا دشوار تر ہوتا چلا جائے گا۔

سکیورٹیز ایڈ ایجینی کمیشن آف پاکستان (SECP) کی منظوری سے انشورٹس اکا وَمُثنگ ریگولیشنز ،2017 کا نفاذ کیم جنوری 2018 سے موَثر ہو چکا ہے جس کے اثر ات کی وضاحت مالیاتی گوشوارے کے نوٹ 5 میں تفصیل سے بیان کی گئی ہے۔
