Directors' Review

The Board of Directors of New Jubilee Life Insurance Company Limited have pleasure in presenting the unaudited condensed Interim Financial Information for the nine months period ended September 30, 2009.

The overall performance of the Company during this period has been satisfactory. All lines of insurance show a good growth in terms of new business as well as renewals. The overall gross premium revenue of Rs. 3,139 million is 22% higher than the revenue of Rs. 2,563 million achieved in the same period of last year.

The claims including surrenders as well as expense ratios also remained at a satisfactory level.

The pre-tax profit at Rs. 86 million is considerably higher than the corresponding amount of Rs one million for the same period of 2008 due mainly to substantial increase in investment income. The after tax profit of Rs. 60 million for the current period is 122% higher than the corresponding amount of Rs. 27 million in 2008.

As evident from the results, the Company is making good progress and we look forward to further enhancing the pace of growth.

On behalf of the Board of Directors
