JUBILEE SMART LIFE WEDDING PLAN

It may seem as if you have plenty of time before you'll need to think about saving for your children's wedding expenses. With rising inflation, it is important that you start investing today to ensure that the dreams you have envisioned for your children are taken care of in your lifetime or even after that.

Jubilee Life Insurance Company with its distribution partner Askari Bank brings to you "Jubilee Smart Life Wedding Plan" which gives you an opportunity to save regularly and meet the anticipated future wedding expenses of your children.

Plan Features

- Select your own life insurance amount, which will be paid to your family or loved ones in case of your death.
- Choose the investment fund according to your investment philosophy.
- Enhance protection through optional benefits.
- Top up your investments with extra funds that you may have.
- **Policyholder can cancel the policy within 14 days from the receipt of policy documents.**

Protection

This plan assures that your family has guaranteed level of life insurance protection while you save for them. In case you die within the term of the plan, your loved ones will receive the Sum Assured PLUS Cash Value. The Sum Assured can be as much as 254* times of your annual premium.

The cover multiple range, starting with the minimum of 5* that is available to the policyholder, varies with the age at entry of life assured.

* Depending on underwriting outcomes.

Optional Benefits

You can add any of the following optional benefit riders to your plan:

Family Income Benefit

To meet recurring expenses, an additional regular income will be paid for a defined period to your family in addition to other benefits, in case of death.

Accidental Death

To provide you extra protection against accidental death, an additional amount will be paid under this benefit if death occurs due to an accident.

Accidental Death and Dismemberment

An additional amount will be paid under this benefit in case death and dismemberment occurs due to an accident.

Permanent Total Disability

The benefit payable on death is given in advance in case of permanent total disability.

Critical Illness

The benefit payable on death is given in advance in case you are diagnosed as having one of the specified critical illnesses.

Hospitalization Cash Rider

A daily benefit is paid if you are confined to a hospital. The benefit payable is doubled in case of hospitalization due to any of the specified critical illnesses. In case of confinement to ICU, additional benefits will be payable. Spouse and children can also be covered under this benefit.

Waiver of Premium

In case you are unable to follow your current occupation / any other occupation (that can be pursued with suitable knowledge, training or education) for at least 6 months because of your illness or disability, Jubilee Life will pay your future premiums from the next due date.

Funds Management

Jubilee Life offers you the flexibility to direct your premiums in part or whole to any of the fund(s) shown below:

1. Managed Fund

The objective of the fund is to maximize capital appreciation by investing in a balanced portfolio of a wide range of shares, government and other fixed income securities and cash deposits.

2. Yaqeen Growth Fund

The objective of the fund is to provide an opportunity to investors who prefer low risk with reasonable returns from a portfolio of highly liquid investments with no exposure to market fluctuations.

3. Meesaq Fund

The objective of the fund is to provide an opportunity to investors who want interest free returns. The instruments in which Meesaq Fund invests are

selective stocks, sukuk bonds, short-term deposits of Islamic banks, Islamic mutual funds and fixed income funds of Islamic banks and other valid interest-free investments.

4. Capital Growth Fund

The objective of the fund is to maximize returns to policyholders by investing in a diverse portfolio of asset-backed investments such as shares, term finance certificates and bank deposits.

Your Premiums, by default, will be allocated to Yaqeen Growth Fund of the Jubilee Life Insurance. It offers competitive returns with minimum risk, over medium to long-term, by investing in a diversified portfolio of different money market & government debt securities and does not have any investment in equity securities.

However, you have the option to invest in any fund of your choice other than the default investment fund by signing the declaration form.

Your invested premiums are managed by expert investment managers and backed by premium financial securities to ensure optimized returns with manageable risk exposure.

Your premiums will earn investment returns during the term of the plan. At the end of the chosen term, you will receive your accumulated cash value as a lump sum.

Note: The past performance of these funds is not necessarily indicative of the future performance of any of these funds.

Unit prices of Jubilee Life's fund(s) are published in all leading dailies and the Jubilee Life website: www.jubileelife.com

Combating Inflation

In order to combat inflation, you have an option to select indexation in your policy. Selection of this option will increase your premium automatically each year by a limit specified by the company.

However, you retain the right to cancel the indexation if you wish.

Ad hoc Premium Payments

You can invest extra funds available with you at any time during the term of the policy and top up your regular investments.

Encashment Before Maturity

You can withdraw your funds (either fully or partially) after completion of two policy years, provided you have paid premiums for two years.

- **Partial Withdrawal:** If you need to withdraw cash for meeting some emergency needs, but do not want to surrender the policy, you can withdraw any amount, provided that the remaining cash value (as may be reviewed by Jubilee Life) of your policy after withdrawal is greater than or equal to Rs. 18,000. The sum assured will be reduced by the amount of partial withdrawal made.
- **Full Policy Surrender:** At time of surrender, you will be paid in full the cash value of your fund. However, surrender in early policy years may result in lower cash values.

Maturity of the Plan

At maturity of the plan, you will be entitled to the cash value of your policy.
