What protection does Jubilee Rahat Savings and Protection Plan offer?

Jubilee Rahat Savings and Protection Plan is especially designed to help meet wedding, education and career milestones that you have set for yourself or for your loved ones, while insuring your family against the untimely death of the life assured during the term of the plan.

• Death Benefit

Jubilee Rahat Savings and Protection Plan is a flexible plan that gives you the ability to select the sum assured of your choice.

You can determine the sum assured by multiplying your annualized basic premium amount by the selected cover multiple (offered from 5 to 254) depending on your savings and insurance needs. For example, if your annual premium contribution is Rs. 100,000 and you have selected a cover multiple of 20, your total sum assured would be Rs. 100,000x 20 = Rs.2,000,000.

The maximum sum assured that can be selected under this plan is up to the maximum cover multiple limit i.e. 254 (subject to limits defined by the Insurance Company).

If the life assured expires during the term of the plan, his/her beneficiaries will be entitled to the sum assured or the cash value, whichever is higher.

- **Maturity Benefit**

At the end of the term of the plan, the policy holder will receive the cash value accumulated during the term of the plan.
