What protection does Jubilee Roshni Education Plan offer?

Jubilee Roshni Education Plan is especially designed to help meet the education and career milestones of children, while insuring the family against the untimely death of the life assured during the term of the plan.

• Death Benefit

Jubilee Roshni Education Plan is a flexible plan which gives you the ability to select the sum assured of your choice.

You can determine the sum assured by multiplying your annualized basic premium amount by the cover multiple (offered from 5 to 254)* depending on your savings and insurance needs. For example, if your annual basic premium contribution is Rs. 100,000 and you have selected a cover multiple of 10, your total sum assured would be $100,000 \times 10 = \text{Rs. } 1,000,000$.

If the life assured expires during the term of the plan, his/her beneficiaries will be entitled to the sum assured or the cash value, whichever is higher.

*The range of cover multiples available to the policy holder varies with the age at entry of the life assured.

- **Maturity Benefit**

At the end of the term of the plan, the policyholder will receive the cash value accumulated during the term of the plan.
